Set out on a journey of fabulous adventure in lands beyond the limit of your imagination. Choose for yourself what role to play, where to venture, and

what rewards to seek. In THE WAR-TORN KINGDOM, revolution rages in Sokara. You can join forces with the king to restore his throne - or look for profit in the pay of the dictator, Grieve Marlock. Use fighting skills or sorcery, bribery or skulduggery to survive the assassins in the city backstreets. Descend to the sewers of Yellowport to defeat the vile rat-king, Skabb. Retrieve the golden net of the gods from the Repulsive Ones deep beneath the sea - and use the rewards of your victories to travel beyond the boundaries of the known world in the world's first open world gamebook saga. Your journeys will bring you foes and friends, danger and triumph, fortune and fame - and more adventures than you ever dreamed of. Role-playing as you've never known it

before - in the amazing world of the FABLED LANDS.

Gold and Glory Oxford University Press  
A choose-your-own-adventure style gamebook that gives the reader a choice of different quests and adventures. The book is open-ended and provides an almost unlimited number of plot lines. You can be a warrior, explorer, priest, wizard, thief or bard. The books in the series are inter-connected, allowing you to travel all across the Fabled Lands. In this second volume of the series, you adventure in a land of faerie magic, folklore and bucolic whimsy.

*Isaiah 1-39* Sagwan Press

An annotated text includes such features as maps, timelines, essays, and a glossary of terms.

### **The Glory of Gold** CFI

The first book for general readers about the storied past of one of the world's most fabled cities. Timbuktu — the name still evokes an exotic, faraway place, even though the city's glory days are long gone. Unspooling its history and legends, resolving myth with reality, Marq de Villiers and Sheila Hirtle have captured the splendour and decay of one of humankind's treasures. Founded in the early 1100s by Tuareg nomads who called their camp "Tin Buktu," it became, within two centuries, a wealthy metropolis and a nexus of the trans-Saharan trade. Salt from the deep Sahara, gold from Ghana, and money

from slave markets made it rich. In part because of its wealth, Timbuktu also became a centre of Islamic learning and religion, boasting impressive schools and libraries that attracted scholars from Alexandria, Baghdad, Mecca, and Marrakech. The arts flourished, and Timbuktu gained near-mythic stature around the world, capturing the imagination of outsiders and ultimately attracting the attention of hostile sovereigns who sacked the city three times and plundered it half a dozen more. The ancient city was invaded by a Moroccan army in 1600, beginning its long decline; since then, it has been seized by Tuareg nomads and a variety of jihadists, in addition to enduring a terrible earthquake, several epidemics, and numerous famines. Perhaps no other

city in the world has been as golden — and as deeply tarnished — as Timbuktu. Using sources dating deep into Timbuktu’s fabled past, alongside interviews with Tuareg nomads and city residents and officials today, de Villiers and Hirtle have produced a spectacular portrait that brings the city back to life. Gold and Glory Routledge

#1 NEW YORK TIMES BESTSELLER •

From the author of *Killers of the Flower Moon* comes a masterpiece of narrative nonfiction that unravels the greatest exploration mystery of the twentieth century—the story of the legendary British explorer who ventured into the Amazon jungle in search of a fabled civilization and never returned.

“Suspenseful...rollicking.” —The New York Times  
In 1925, Percy Fawcett went

into the Amazon jungle, in search of a fabled civilization. He never returned. Over the years countless perished trying to find evidence of his party and the place he called “The Lost City of Z.” In this masterpiece, journalist David Grann interweaves the spellbinding stories of Fawcett’s quest for “Z” and his own journey into the deadly jungle. Look for David Grann’s new book, *The Wager*, coming in April 2023!

The man who portrayed Captain James T. Kirk brings together both generations of characters from the *Star Trek* television shows, in a new novel that finds Kirk and Captain Jean-Luc Picard facing an unstoppable enemy in a battle for all life existence in this galaxy, and

beyond.

**City of Gold** Macmillan + ORM

Written with all the scathing dark humor that is a hallmark of BoJack Horseman, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring:

- A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding.
- A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact.
- A struggling employee at a theme park of U.S. presidents who discovers that love can't be genetically modified.

And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing

emotional vulnerability.

**The Cities of Gold and Glory** Oxford University Press

For half a millennium, stories of vast treasures-- El Dorado, Manoa, the Seven Cities of Cibola, the Lost Dutchman Mine--have been part of the lore of the Americas. In *Cities of Gold: Legendary Kingdoms, Quixotic Quests, and Fantastic New World Wealth*, Bill Yenne takes the reader from the rainforests and mountains of Peru, Paraguay, Brazil, and Guiana to the deserts and peaks of Mexico and the United States to tell the extraordinary, and often brutal story of how the search for mysterious New World riches fueled the exploration of an unknown hemisphere for hundreds of years.

*The New Oxford Annotated Bible with*

*Apocrypha* Sunstone Press

From Tim Weiner, winner of the Pulitzer Prize and the National Book Award, an urgent and gripping account of the 75-year battle between the US and Russia that led to the election and impeachment of an American president. With vivid storytelling and riveting insider accounts, Weiner traces the roots of political warfare—the conflict America and Russia have waged with espionage, sabotage, diplomacy and disinformation—from 1945 until 2020. America won the cold war, but Russia is winning today. Vladimir Putin helped to put his chosen candidate in the White House with a covert campaign that continues to this moment. Putin’s Russia has revived Soviet-era intelligence operations gaining ever more potent

information from—and influence over—the American people and government. Yet the US has put little power into its defense. This has put American democracy in peril. Weiner takes us behind closed doors, illuminating Russian and American intelligence operations and their consequences. To get to the heart of what is at stake and find potential solutions, he examines long-running 20th-century CIA operations, the global political machinations of the Soviet KGB, the erosion of American political warfare after the cold war, and how 21st-century Russia has kept the cold war alive. *The Folly and the Glory* is an urgent call to our leaders and citizens to understand the nature of political warfare—and to change course before it’s too late.

*Cities of Gold* Price Stern Sloan

In this World Fantasy Award-winning novel of magic and kungfu, four siblings battle rival clans for honor and power in an Asia-inspired fantasy metropolis. \*Named one of TIME's Top 100 Fantasy Books Of All Time \* World Fantasy Award for Best Novel, winner *Jade* is the lifeblood of the island of Kekon. It has been mined, traded, stolen, and killed for -- and for centuries, honorable Green Bone warriors like the Kaul family have used it to enhance their magical abilities and defend the island from foreign invasion. Now, the war is over and a new generation of Kauls vies for control of Kekon's bustling capital city. They care about nothing but protecting their own, cornering the jade market, and defending the districts under their

protection. Ancient tradition has little place in this rapidly changing nation. When a powerful new drug emerges that lets anyone -- even foreigners -- wield jade, the simmering tension between the Kauls and the rival Ayt family erupts into open violence. The outcome of this clan war will determine the fate of all Green Bones -- and of Kekon itself. Praise for *Jade City*: "An epic drama reminiscent of the best classic Hong Kong gangster films but set in a fantasy metropolis so gritty and well-imagined that you'll forget you're reading a book." --Ken Liu, Hugo, Nebula, and World Fantasy Award-winning author "A beautifully realized setting, a great cast of characters, and dramatic action scenes. What a fun, gripping read!" --Ann Leckie, Hugo, Nebula, and Arthur C. Clarke Award-

winning author "An instantly absorbing tale of blood, honor, family and magic, spiced with unexpectedly tender character beats." --NPR The Green Bone Saga Jade City Jade War Jade Legacy The Folly and the Glory W. W. Norton & Company

Set out on a journey of fabulous adventure in lands beyond the limit of your imagination. Choose for yourself what role to play, where to venture, and what rewards to seek. In CITIES OF GOLD AND GLORY you can sail the high seas to Golnir's distant ports. As a warrior, plunder ancient treasures and do battle with the legions of darkness in the hall of the death-god Nagil. As a spy, penetrate the labyrinth of lies and sinister secrets of the scheming merchants of Metriciens. As a sorcerer, barter in

mysteries, spells and ancient lore with the immortal wizard Estragon. Amass wealth, honours and power that will take you on voyages to uncharted regions. Your journeys will bring you foes and friends, danger and triumph, fortune and fame - and more adventures than you have ever dreamed of. Here is role-playing as you've never known it before - in the perilous world of the FABLED LANDS.

Golnir - Cities of Gold and Glory  
McClelland & Stewart

Named a Best Book of the Year by NPR and Science Friday A quest to explore some of the most spectacular ancient cities in human history—and figure out why people abandoned them. In Four Lost Cities, acclaimed science journalist Annalee Newitz takes readers on an

entertaining and mind-bending adventure into the deep history of urban life. Investigating across the centuries and around the world, Newitz explores the rise and fall of four ancient cities, each the center of a sophisticated civilization: the Neolithic site of Çatalhöyük in Central Turkey, the Roman vacation town of Pompeii on Italy's southern coast, the medieval megacity of Angkor in Cambodia, and the indigenous metropolis Cahokia, which stood beside the Mississippi River where East St. Louis is today. Newitz travels to all four sites and investigates the cutting-edge research in archaeology, revealing the mix of environmental changes and political turmoil that doomed these ancient settlements. Tracing the early development of urban

planning, Newitz also introduces us to the often anonymous workers—slaves, women, immigrants, and manual laborers—who built these cities and created monuments that lasted millennia. *Four Lost Cities* is a journey into the forgotten past, but, foreseeing a future in which the majority of people on Earth will be living in cities, it may also reveal something of our own fate.

*Mali* Henry Holt and Company

Many conditions, cultures, and events have played a part in the history of New Mexico. The author, a recognized authority, guides the reader from the earliest land formations into the present time and has illustrated the narrative with photographs, maps, and artwork depicting various changes that took place during the many stages of New

Mexico's development. Donald R. Lavash taught New Mexico junior and senior high school history for 13 years, and at the college level for two years. This book is the outgrowth of his teaching experiences and his feeling of a strong need for a New Mexico history text. Dr. Lavash was also the Southwest Historian for the New Mexico State Records Center and Archives for five years. He is the author of numerous articles and books on history and archeology.

Visions of Glory Osprey Publishing  
Winner of the Gold Award in the Tenth Annual Robert Bruss Real Estate Book Competition 24 Hour Cities is the very first full length book about America's cities that never sleep. Over the last fifty years, the nation's top live-work-play cities have proven themselves more

than just vibrant urban environments for the elite. They are attracting a cross-section of the population from across the U.S. and are preferred destinations for immigrants of all income strata. This is creating a virtuous circle wherein economic growth enhances property values, stronger real estate markets sustain more reliable tax bases, and solid municipal revenues pay for better services that further attract businesses and talented individuals. Yet, just a generation ago, cities like New York, Boston, Washington, San Francisco, and Miami were broke (financially and physically), scarred by violence, and prime examples of urban dysfunction. How did the turnaround happen? And why are other cities still stuck with the hollow downtowns and sprawling

suburbs that make for a 9-to-5 urban configuration? Hugh Kelly's cross-disciplinary research identifies the ingredients of success, and the recipe that puts them together.

**Star Trek: Captain's Glory** Hardpress Publishing

The story of Mali, as seen through the eyes of a griot, a teller of stories and singer of history.

[A Journey Through New Mexico History \(Hardcover\)](#) Triumph Books

The story of Coronado's 16th century expedition contains all the hardship, excitement, danger, intrigue, cruelty and romance that one may wish for? but no wealth and glory. Very little has captured the imagination of both professional and amateur historians as much as Coronado's Expedition of

discovery from the interior of Mexico to the far reaches of the previously unknown lands to the north. The route taken by thousands of Spanish conquistadors and their Indian allies, who likely left many tools, household items and other artifacts along the way, is still largely unknown. To discover the path taken by the Expedition, Drexler uses the descriptions in eyewitness accounts and testimony recorded later during Spanish court proceedings following the Expedition. Although there is very little detail in existing resources to directly identify geographical features or the locations of the sites visited by the Expedition, Drexler uses what does exist and combines this with his extensive knowledge of the southwest. He does some intricate sleuthing to

uncover the most probable routing of the Expedition and delivers some surprising conclusions. Drexler brings this journey to life, describing several of the thousands of participants in that journey while telling of some of their complex reasons for making the trip. Dozens of maps and tables are used to illustrate this historical exposition of the first European intrusion into northern Mexico and the southwestern regions of the United States.

Jade City Oxford University Press

THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include: \* commentary based on THE NEW INTERNATIONAL VERSION; \* the NIV text printed in the body of the commentary; \*

sound scholarly methodology that reflects capable research in the original languages; \* interpretation that emphasizes the theological unity of each book and of Scripture as a whole; \* readable and applicable exposition.

**The War-Torn Kingdom** Vintage Award-winning journalist Jim Krane charts the history of Dubai from its earliest days, considers the influence of the family who has ruled it since the nineteenth century, and looks at the effect of the global economic downturn on a place that many tout as a blueprint for a more stable Middle East The city of Dubai, one of the seven United Arab Emirates, is everything the Arab world isn't: a freewheeling capitalist oasis where the market rules and history is swept aside. Until the credit crunch

knocked it flat, Dubai was the fastest-growing city in the world, with a roaring economy that outpaced China's while luring more tourists than all of India. It's one of the world's safest places, a stone's throw from its most dangerous. In *City of Gold*, Jim Krane, who reported for the AP from Dubai, brings us a boots-on-the-ground look at this fascinating place by walking its streets, talking to its business titans, its prostitutes, and the hard-bitten men who built its fanciful skyline. He delves into the city's history, paints an intimate portrait of the ruling Maktoum family, and ponders where the city is headed. Dubai literally came out of nowhere. It was a poor and dusty village in the 1960s. Now it's been transformed into the quintessential metropolis of the future through the

vision of clever sheikhs, Western capitalists, and a river of investor money that poured in from around the globe. What has emerged is a tolerant and cosmopolitan city awash in architectural landmarks, luxury resorts, and Disneyfied kitsch. It's at once home to America's most prestigious companies and universities and a magnet for the Middle East's intelligentsia. Dubai's dream of capitalism has also created a deeply stratified city that is one of the world's worst polluters. Wild growth has clogged its streets and left its citizens a tiny minority in a sea of foreigners. Jim Krane considers all of this and casts a critical eye on the toll that the global economic downturn has taken. While many think Dubai's glory days have passed, insiders like Jim Krane who got to know the city

and its creators firsthand realize there's much more to come in the City of Gold, a place that, in just a few years, has made itself known to nearly every person on earth.
