Prisoners of Ritual Open Road Media

After saying unkind things to family and friends, Johnny loses both his green stone and his interest in life, and he recovers them only when he discovers love in his heart.

The Way Forward Is with a Broken Heart Hachette UK

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • “One of the best and surest political humorists in America.”—Los Angeles Times In the most inebriating humor book of the year, the author of *Steaming to Bamboola* and *The White House Mess* goes straight for the funny bone with essays and mischief that includes such gems of gullibility as the pope's appearance on Oprah, O.J. Simpson's search for a new apartment, the true story behind Whitewater, and so much more. “Funny and devastating.”—Entertainment Weekly “Clever, erudite, sophisticated, funny and flip. Buckley shows that his antennae are ever alert to the absurdities in our world.”—Cleveland Plain Dealer

Meridian New World Library

A poetry collection of “playful and crooning lyricism” from the National Book Award- and Pulitzer Prize-winning author of *The Color Purple* (Booklist). In this dazzling new collection, Alice Walker offers over sixty new poems to incite and nurture contemporary activists. Hailed as a “lavishly gifted writer,” Walker imbues her poetry with evocative images, fresh language, anger, forgiveness, and profound wisdom (The New York Times). Casting her eye toward history, politics, and nature, as well as to world figures such as Jimmy Carter, Gloria Steinem, and the Dalai Lama, she “distills struggles, crises, and tragedies down to bright, singing lessons in living with awareness and joy” (Booklist). By attentively chronicling the conditions of human life today, Walker shows, as ever, her deep compassion, profound spirituality, and necessary political commitments. The poems in *The World Will Follow Joy* remind us of our human capacity to come together and take action, even in our troubled political times. “Her spirituality, concern for human rights, and almost old-fashioned, determined joyousness run deep and her devoted readers will want to follow her as she turns ‘madness into flowers’” (Library Journal).

The Temple of My Familiar Random House

A single-volume compilation of two works pairs the writer's Pulitzer Prize and National Book Award-winning master work with the author-described “romance of the last 500,000 years.”

Stories of Black Women The New Press

On the rooftop of a theater in an African port, a ten-year-old boy lies slowly dying of bullet wounds. He is Nelio, a leader of street kids, rumored to be a healer and a prophet, and possessed of a strangely ancient wisdom. One of the millions of poor people “forced to eat life raw,” Nelio tells his unforgettable story over the course of nine nights. After bandits cruelly raze his village, he joins the legions of abandoned children living in the city's streets. An act of the imagination, an effort to prove to his comrades that life must be more than mere survival, cuts short Nelio's life.

Finding the Green Stone Houghton Mifflin Harcourt

Essays examine the Black feminist viewpoint in literature

The Third Life of Grange Copeland Policy Press

Presents the text of Alice Walker's story “Everyday Use”; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

Chronicler of the Winds Open Road Media

Possessing the Secret of Joy Open Road Media

The 4:8 Principle Ballantine Books

“A classic novel of both feminism and the Civil Rights movement” in 1960s Atlanta by the Pulitzer Prize-winning author of *The Color Purple* (Ms.). As she approaches the end of her teen years, Meridian Hill has already married, divorced, and given birth to a son. She's looking for a second chance, and at a small college outside Atlanta, Georgia, in the early 1960s, Meridian discovers the civil rights movement. So fully does the cause guide her life that she's willing to sacrifice virtually anything to help transform the conditions of a people whose subjugation she shares. Meridian draws from Walker's own experiences working alongside some of the heroes of the civil rights movement, and the novel stands as a shrewd and affecting document of the dissolution of the Jim Crow South. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

Conversations with Alice Walker New Press/ORIM

Short fiction about the female experience from the New York Times–bestselling author of *The Color Purple*, “one of the best American writers of today” (The Washington Post). Here are stories of women traveling with the weight of broken dreams, with kids in tow, with doubt and regret, with memories of lost loves, with lovers who have their own hard pasts and hard edges. Some from the South, some from the North, some rich and some poor, the characters that inhabit *InLove & Trouble* all seek a measure of self-fulfillment, even as they struggle with difficult circumstances and limiting social conventions. The stories that make up Alice Walker's debut short fiction collection reflect her tenacious commitment to face brutal and sometimes melancholy truths while also illuminating the ways in which the courageous pursuit of love brings hope to even the most harrowing lives. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

The Foreigner Houghton Mifflin

“These are the stories that came to me to be told after the close of a magical marriage to an extraordinary man that ended in a less-than-magical divorce. I found myself unmoored, unmated, ungrounded in a way that challenged everything I'd ever thought about human relationships. Situated squarely in that terrifying paradise called freedom, precipitously out on so many emotional limbs, it was as if I had been born; and in fact I was being reborn as the woman I was to become.” So says Pulitzer Prize-winning author Alice Walker about her beautiful new book, in which “one of the best American writers today” (The Washington Post) gives us superb stories based on rich truths from her own experience. Imbued with Walker's wise philosophy and understanding of people, the

spirit, sex and love, *The Way Forward Is with a Broken Heart* begins with a lyrical, autobiographical story of a marriage set in the violent and volatile Deep South during the early years of the civil rights movement. Walker goes on to imagine stories that grew out of the life following that marriage—a life, she writes, that was "marked by deep sea-changes and transitions." These provocative stories showcase Walker's hard-won knowledge of love of many kinds and of the relationships that shape our lives, as well as her infectious sense of humor and joy. Filled with wonder at the power of the life force and of the capacity of human beings to move through love and loss and healing to love again, *The Way Forward Is with a Broken Heart* is an enriching, passionate book by "a lavishly gifted writer" (The New York Times Book Review).

**"Resistance is the Secret of Joy!"** Random House

A New York Times bestseller in hardcover, Pulitzer Prize winner Alice Walker's *We Are the Ones We Have Been Waiting For* was called "stunningly insightful" and "a book that will inspire hope" by Publishers Weekly. Drawing equally on Walker's spiritual grounding and her progressive political convictions, each chapter concludes with a recommended meditation to teach us patience, compassion, and forgiveness. *We Are the Ones We Have Been Waiting For* takes on some of the greatest challenges of our times and in it Walker encourages readers to take faith in the fact that, despite the daunting predicaments we find ourselves in, we are uniquely prepared to create positive change. The hardcover edition of *We Are the Ones We Have Been Waiting For* included a national tour that saw standing-room-only crowds and standing ovations. Walker's clear vision and calm meditative voice—truly "a light in darkness"—has struck a deep chord among a large and devoted readership.

*Possessing the Secret of Joy* Sons & Company

A Cambodian woman sold into sexual slavery at the age of twelve describes the horrors she experienced until she managed to escape and discusses her role as an activist for the young women whom she has rescued from the region's brothels.

*The Scum Villain's Self-Saving System: Ren Zha Fanpai Zijiu Xitong (Novel) Vol. 1* Tyndale House Publishers, Inc.

An anthology of early poetry shares a keen historical perspective on the spiritual, social, and political issues of the last three decades, in works including "Once" and "Revolutionary Petunias & Other Poems." Reprint. 10,000 first printing.

*The Color Purple* Plume

Dark, cutting, and coursed through with bright flashes of humour, crystalline imagery, and razor-sharp detail, *I Become a Delight to My Enemies* is a gut-wrenchingly powerful, breathtakingly beautiful meditation on the violence and shame inflicted on the female body and psyche. An experimental fiction, *I Become a Delight to My Enemies* uses many different voices and forms to tell the stories of the women who live in an uncanny Town, uncovering their experiences of shame, fear, cruelty, and transcendence. Sara Peters combines poetry and short prose vignettes to create a singular, unflinching portrait of a Town in which the lives of girls and women are shaped by the brutality meted upon them and by their acts of defiance and yearning towards places of safety and belonging. Through lucid detail, sparkling imagery and illumination, Peters' individual characters and the collective of The Town leap vividly, fully formed off the page. A hybrid in form, *I Become a*

*Delight to My Enemies* is an awe-inspiring example of the exquisite force of words to shock and to move, from a writer of exceptional talent and potential.

*The Color Purple* Possessing the Secret of Joy

Tommy Newberry's message is simple, relevant, powerful, and timeless. In this New York Times bestseller, Newberry takes a single biblical principle and teaches us how one simple truth can magnify the joy we experience in our marriage, with our parenting, and in our life as a whole. Unfortunately, we live in a society bent on nursing old wounds and highlighting what is wrong with just about everything. As a result, we have grown accustomed to viewing the world, our lives, and ourselves through a lens of negativity and that negativity stands in direct contrast to the passionate, purpose-filled people God wants us to be. This is where The 4:8 Principle grabs our attention. First, the author skillfully persuades us to acknowledge the link between the thoughts we choose to think and the joy we experience. Next, he shows us how we can grow our potential for joy by refusing to dwell upon the problems and pressures that are enduring and inevitable. Finally, he challenges us to pay the price of joy by becoming extraordinarily picky about what we read, watch, and listen to on a consistent basis. The strength of the book, though, is in Newberry's ability to clearly explain how to put this principle into daily practice through a series of quick, easy and even fun adjustments. The 4:8 Principle is loaded with specific suggestions and helpful advice for going beyond the ordinary and experiencing life as it was meant to be.

*A Novel* ReadHowYouWant.com

Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick *Celie* has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. *The Color Purple* has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Color Purple* is the 1st book in the *Color Purple* Collection, which also includes *The Temple of My Familiar* and *Possessing the Secret of Joy*.

*Now Is the Time to Open Your Heart* Random House Digital, Inc.

"I was born to grow, / alongside my garden of plants, / poems / like / this one" So writes Alice Walker in this new book of poems, poems composed over the course of one year in response to joy and sorrow both personal and global: the death of loved ones, war, the deliciousness of love, environmental devastation, the sorrow of rejection, greed, poverty, and the sweetness of home. The poems embrace our connections while celebrating the joy of individuality, the power we each share to express our truest, deepest selves. Beloved for her ability to speak her own truth in ways that speak for and about countless others, she demonstrates that we are stronger than our circumstances. As she confronts personal and collective challenges, her words dance, sing, and heal.

[Baby of the Family](#) Strange Light

This stunning ebook collection brings together the complete works of Alice Walker's non-fiction and includes: IN SEARCH OF OUR MOTHERS' GARDENS; LIVING BY THE WORD; THE SAME RIVER TWICE; ANYTHING WE LOVE CAN BE SAVED; WE ARE THE ONES WE HAVE BEEN WAITING FOR; and THE CHICKEN CHRONICLES Whether discovering Alice Walker for the first time or finding works by her

that you haven't read before, this is a must-have collection from a true heavyweight of contemporary American letters.

*Possessing Joy* Open Road Media

The Foreigner is a story of a young man who is detached, almost alienated — a man who sees himself as a stranger wherever he lives or goes — in Kenya, where he is born, in England and USA where he is a student and in India where he finally settles down. His detachment transcends barriers of geography, nationality and culture. It propels him from one crisis to another, sucking in the wake several other people, including June, an attractive American with whom he has a short lived but passionate affair. The transitoriness associated with the word 'foreigner' permeates the novel and is handled with remarkable maturity reminding the reader of epoch-making *The Outsider* by Albert Camus. The protagonist's anguish at the meaninglessness of the human condition and the eventual release from the anxieties of life through karmayoga, the principle of action without attachment, add to the aesthetics of the work.
