Forecasting is required in many situations. Stocking an inventory may require forecasts of demand months in advance. Telecommunication routing requires traffic forecasts a few minutes ahead. Whatever the circumstances or time horizons involved, forecasting is an important aid in effective and efficient planning. This textbook provides a

comprehensive introduction to forecasting methods and presents enough information about each method for readers to use them sensibly.

Five Have a Mystery to Solve Hodder Children's Books

Julian, Dick, Anne, George and Timmy the dog find excitement and adventure wherever they go in Enid Blyton's most popular series. When George is kept awake at night by a toothache, she notices a light on the supposedly empty Kirrin Island. While George is at the dentist the others decide to investigate and strange things start happening... Can the Famous Five solve this mystery? In addition to the Famous Five novels, Enid Blyton wrote a clutch of short stories based on the characters. These were published in magazines and collected in

the Famous Five Short Story Collection (Hodder). For the first time, the complete and original text of Five Have a Puzzling Time (1956) appears in an individual volume, illustrated with brand new colour art by Jamie Littler.

Roger, Diana and their orphaned cousin Snubby, along with his dog Loony, go on holiday to Rockingdown with their mother's old governess Miss Pepper, but with the prospect of lessons taken by a tutor while they are there they feel sure they will be in for rather a dull time.

Then they meet Barney the circus boy, who is searching for his long-lost father, along with Miranda, his pet monkey, and suddenly Rockingdown isn't quite so dull after all. A mysterious old house with an

abandoned nursery, noises in the night, and a tutor who is acting suspiciously, all add up to a first exciting adventure for the four children, where friendships are forged and mysteries need solving...

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.
