The main driver of inequality—returns on capital that exceed the rate of economic growth—is again threatening to generate extreme discontent and undermine democratic values. Thomas Piketty's findings in this ambitious, original,

rigorous work will transform debate and set the agenda for the next generation of thought about wealth and inequality. *A Complete List of Newspapers, Magazines, Farm Journals, Religious Papers, Trade and Class Journals, Foreign Language Publications, and Other Periodicals Published in the United States, Canada, Yukon Territory, Newfoundland, Cuba, Porto Rico, Hawaiian, Philippine and Virgin Islands* The Lincoln Library of Essential Information an Up to Date Manual for Daily Reference, for Self Instruction, and for General Culture Named in Appreciative Remembrance of Abraham Lincoln, the Foremost American Exemplar of Self Education Meyer Brothers Druggist Wallace's Monthly The Engineer The Parliamentary

"The Papers of Thomas Jefferson is a projected 60-volume series containing not only the 18,000 letters written by Jefferson but also, in full or in summary, the more than 25,000 letters written to him. Including documents of historical significance as well as private notes not closely examined until their publication in the Papers, this series is an unmatched source of scholarship on the nation's third president"--Publisher's description.
