"It's not him. It can't be
him..."24-year-old Bess
Foster has a three-

year-old daughter she
cherishes... friends she
adores... and an Army
Ranger she's been
fantasizing about for
nearly four years. But
she also has a past
that haunts her: an
abusive ex-boyfriend
she fled to protect her
child. She thought she

was free of him... till she saw his face again. Sharing a house with a single mom and a preschooler might not sound like the best fit for an Army Ranger. But when First Lieutenant Tyler Griffon finds out that the waterfront house where his long-time friend Bess lives with her daughter has a vacancy, he can't resist the jaw-dropping view of the Chesapeake Bay. And when he signs the lease, this Ranger will get more action than he bargained for...

Mason Adler: Hot. Cocky. Sugar-coated Bad Boy. The type of man who knocks the big "O" clear to the front of the alphabet every time. Wrap up that eight-pack with Navy khakis and top it

off with a shiny SEAL Trident, the kind that makes the girls swoon. That's Mason. My best friend. For me, he's off limits. Now that I've finished college, I need to focus on my writing career. And without his help, I don't stand a chance. But I need something from him. Something only he can give me. So I'll pull the blinds. I'll toss my inhibitions. I'll call it "research." And I won't let my heart get involved, especially with him leaving at the end of the week. Leaving me ... even though my very soul is still in his grasp.
Fling-worthy Kate Aster
If anyone can resist a man in uniform, it should be Becca ... As the young widow of a Soldier, the sister of a Navy SEAL commander, and the

business partner of a handful of tempting SEALs, Becca Shey-Corridan knows all too well that those sexy-as-sin uniforms can come with a lot of heartache. Now, she prefers a simpler life, focusing on raising her son and running the ice cream shop she and her late husband once dreamed of opening together when he retired from the military. She has no interest in falling for another Army officer... until a chance meeting in the woods with Delta Force squadron commander Liam Carter changes her life forever. As the snow falls on her first holiday in her new home, will destiny give Becca a second chance at love?

Colt Adler: I'm trying to picture him, way back when. But how can I? All I see now is the Army Ranger he's become. Intoxicating smile. Sculpted arms. To-die-for eight-pack. And enough medals on his uniform to set off airport security from a mile away. He doesn't resemble the kid who shared my tree house with me, along with every perfect memory of my childhood. He protected me—long before he protected our country. And he knows it all. Every hope and dream in my heart. Every vulnerability I hide from everyone but him. Every secret... Except one. One tiny lie that I'm discovering I want desperately to be the truth. Because he's not the only one who's changed since we were

ten. But I can't risk a friendship that's lasted eighteen years—even when his lips are so close that I'm wondering if he'll finally kiss me... ..or kiss me not.

The pen name "Clarence Young" was signed to the work of a group of writers who banded together to tap into the then-underserved market for juvenile fiction, especially action-adventure stories. The Jack Ranger series follows the title character through a series of excursions and journeys. In this volume, the hero visits the Wild West, where he enjoys the untamed landscape and outsmarts a few nefarious characters.

Often forgotten among the actors, directors, producers and others associated with filmmaking, art directors are responsible for making movies visually appealing to audiences. As such they sometimes make the difference between a hit and a bomb. This biographical dictionary includes not only the world's great and almost-great artists, but the unjustly neglected film designers of the past and present. Among the more than 300 art directors and designers are pioneers from silent films, designers from Hollywood and Europe's Golden Ages, Asian figures, post-Golden Age personalities, leaders of the European and

American New Waves, and many contemporary designers. Each entry consists of biographical information, an analysis of the director's career and important films, and an extensive filmography including mentions of Academy Award nominations and winners.

Molly Swift had a choice to make that fateful Christmas Eve: break her boyfriend's heart or become a famous country music star. She chose stardom and, for awhile, all was a picture book fairy tale for Molly. She cut her debut album, made the rounds on the concert tour, and then...nothing. When Molly's agent dumps

her just before Thanksgiving a few years later, she has nowhere left to go but her hometown of Snowflake, South Carolina. There she struggles to find work. That is, until she happens in on a little year-round Christmas restaurant called Café Kringle and finds her ex-flame, Nate Night, at the piano, tickling the ivories. Can Nate forgive Molly for running out on him? What's more, can Molly forgive herself? And can the two team up to bring customers into the Café Kringle before its owner decides to close the doors before the holidays?

The answers you've been waiting for... in the follow-up novella to *No Reservations!* When former Navy SEAL, Maddox Kerry, sweeps Bridget Needham off her feet, slips a ring on her finger, and talks about "forever," her life should be a fairy tale romance. the SEALs. But as the minutes count down to their impending wedding, can he save Bridget from letting her past destroy her future?

A winter romance from the shores of the Chesapeake to the paradise of Hawaii... matchmaker Freya won't stop until her friend Maggie and Navy SEAL Ryder find their happily ever after... Let me be crystal clear: I don't need a blind date. I'm a SEAL. Women toss sex at me like it's free candy in a Fourth of July parade. But I'm tired of hook-ups, short-term relationships, and mindless, hedonistic sexual encounters. No, wait. Scratch that last one. Point is, I want the kind of woman who will stick. Yeah, she'll drool at the sight of my standard-issue pecs and eight-pack, but

she'll also put up with the baggage of Navy SEAL life. But this blind date with Maggie? One minute we're tearing each other's clothes off... and in the next, I'm in a deep freeze, face-to-face with the Ice Queen herself.

That's fine. I can move on. Except fate has other plans, the kind that will pluck us from reality and drop us into a place that might actually tame the demons that come with one-too-many SEAL missions. With Maggie, I might find paradise. My only question is, will it last?

Craving a Hero: A Military Romance

You've heard the joke... Know how to figure out if a guy's a pilot? He'll tell you. Yep. Cocky? Arrogant? Player? That's generally the impression I like to give women. Outside of my 8-pack and medals for valor, when it comes to women's expectations of me... I try to keep the bar low enough so that I can roll over it. Until Kaila comes along. She's like every fantasy I could conjure - that night I made her soul-searing eyes glaze over with passion as she cried out my name... Several times, because I'm very thorough. It should have been

enough for me. It's not. But with my past - and a secret I've kept even from my brothers - I know I'm not capable of giving her what she deserves. I know it... ... even with hindsight.

RANGER FOR HIRE
Willow McMurtry's writing career could end before it even begins—unless she learns the ways of a Texas Ranger. She can't write tales about Ranger life if she's constantly making mistakes, so she needs handsome Texan Gage Newcomb to teach her. Willow just can't tell him the true purpose behind her request. Gage agrees to teach Willow how to shoot, ride and lasso—but only to keep her close. An outlaw who's cost him dearly is still on

the loose. And the hidden lawman trusts no one, especially not a feisty woman who might be working with his foe. But as the cowboy lessons progress, Willow may convince him to share all of his secrets—and his heart—with her.

Bridget Needham knows first-hand how a Special Ops man can shatter a girl's heart. She's still kicking herself over the one that got away... after watching him get down on one knee and propose to someone else. After giving up her career to re-open her aunt's struggling bed-and-breakfast inn, the last thing she needs is a sexy-as-sin SEAL showing up on her doorstep—especially

when the secrets of her past still threaten to keep her from holding onto love. Besides, this guy might have a Greek god bod and an impressively large power drill, but he also has a girlfriend two thousand miles away. Former Navy SEAL Maddox Kerry hadn't intentionally landed himself in Annapolis during Commissioning Week—the one week when it's next-to-impossible to find a place to stay. So it's mission-critical that he convince an adorably awkward innkeeper whose bed-and-breakfast is closed for renovations to let him stay. And hey, if he finds himself hoping for a little more than the customary turn-down service, who can blame him? Yet every time the chemistry sparks

between them, she runs for cover. Any other guy would shrug his shoulders and move on. But he can't walk away when he senses the pain behind her prim exterior. Because Maddox Kerry isn't any other guy. Romancing Paradise Boom! When matchmaker Freya Hansen-Adler is inspired by the holiday spirit, she'll stop at nothing to see former Navy SEAL Harris and single mom Ava get the happily ever after they deserve... I set the bar pretty low when it comes to the holidays. I have to. As a Navy officer, I spend plenty of them far from anyplace I'd call "home"... sometimes

getting shot like I did on my last SEAL mission. So, yeah, I set the bar low enough that I can roll over it. That is, until I meet my neighbor Ava. She's the type of woman who bakes pecan pie and drinks egg nog. She carols with her neighbors and illuminates her house with enough tiny lights that it can probably be spotted by satellites. I bet she even owns a stack of ugly Christmas sweaters. She's also got a son... and roots dug deep into this picturesque holiday town. Roots that make life with a Navy guy like me impossible. Ava is the last thing I need. Yet she's all I want for Christmas.

There's a hot billionaire in the carpool line that has every mom putting on her lipstick before she drops her kid off to school. Me included. But I can't be tempted by a body hewn from granite or eyes that could melt the polar ice caps... because that hot billionaire is also my boss, Ryan Sheridan. Single moms like me can't play with fire. Especially not when I've finally landed a job that pays a decent salary, and even managed to buy a townhouse where I can raise my son without my parents looking over my shoulder, shaking their heads. So I'll keep reminding myself that, even as his sapphire eyes pry their way into my heart, threatening to unlock the secrets that I keep hidden in a
