UNEP/Earthprint  
From #1 New York Times bestselling author of TRAVEL TEAM, HEAT, and MILLION-DOLLAR THROW comes a cheerful, family-friendly football novel set amid the Friday Night Lights world of

Texas high school football Jake Cullen is a freshman quarterback playing high school football in Texas, the high-pressure land of Friday Night Lights. He is also the brother of Wyatt Cullen, who quarterbacked his team to the Texas State Championship last season-- not to mention the son of former NFL quarterback and local legend, Troy Cullen. To be a Cullen in Texas is to be football royalty . . .

which leaves 14-year-old Jake in a Texas-sized shadow. Being a good teammate comes naturally to Jake; being a winner and a celebrity does not. Jake may be a Cullen, and he may play quarterback, but he is not his brother or his father. He's just like every other kid: fighting for every ounce of respect, awkward around a pretty girl, in awe of his famous family, and desperate

to simultaneously blend in and cast his own shadow. Inspired by the real-life Manning family of quarterbacks and set amid the football-crazy culture of Texas, QB 1 is a coming-of-age story perfect for the fan of MILLION-DOLLAR THROW and HEAT.
