Startling Ideas About
True Happiness

ReadHowYouWant.com

Life today is plagued by failed relationships, financial pressure, frustrated goals, and dashed dreams. Everybody wants “the good life,” but we’re constantly frustrated by our inability to experience it—even when we energetically pursue all the best-selling methods for achieving success. There must be a better way to live. Yet it seems even those who

appear “successful” aren’t truly satisfied. What’s the true secret to genuine success? Once again, God has the answers. And you’ll find them in The Solomon Secrets. Thousands of years ago the wisest, wealthiest, and most powerful man of his day compiled a book filled with practical insights for success in every area of life: parenting, marriage, vocation, relationships, self-control, and money management, just to mention a few. Yet Solomon’s collection of Proverbs remains one of the most neglected books in the Bible. To a modern reader, these simple directions might seem illogical. But God’s wisdom as

articulated by Solomon is “uncommon sense for extraordinary success.” This ancient wisdom holds the key to achieving and enjoying the things we want most in life.

The Secrets of College Success

Simon and Schuster

The wit and wisdom of Dr. Wayne Dyer is reflected in this collection of inspirational quotes and affirmations.

Whether you're already on the “path” or doing your best to get there, the Inner Peace Cards will give you the impetus to keep moving forward! When you think positive, happy, peaceful thoughts, there's a different chemistry that goes on in your body. Use these cards to enhance your health, happiness, and peace of mind! Share them with your friends, family, and co-workers. Samples of the Inner Peace Cards: —I love myself—body, mind,

and soul. When you are at peace with yourself and love yourself, it is virtually impossible to be self-destructive. —I choose to perceive the peaceful side of life. There are two ways to look at virtually anything. One is the violent way, and one is the peaceful way. It's the yin and the yang of the universe. —I focus on what's really important in life. Quality rather than appearance...ethics rather than rules...integrity rather than domination...knowledge rather than achievement...serenity rather than acquisitions. flame, or are you stumbling along in the dark? In Dr. Wayne Dyer's new book, he reminds us of what so many people easily forget in the day-to-day grind of life, that material success is not what we are ultimately trying to achieve, and therefore it shouldn't be our driving force. Within each of us lies success and inner peace, which can be found once we understand that a deeper, richer life experience is characterized by a burning desire, or as Dr. Dyer describes it, an "inner candle flame." In this thought-provoking book, Dr. Dyer offers simple ways to change your life-and your outlook on life. The ten principles presented here apply to people

who are just beginning their journey of discovery, as well as those who have already embarked on life's winding path. Dr. Dyer urges us to listen with an open heart, and to apply the secrets that resonate with them and discard the rest. By doing so, we'll learn to feel the peace of God that truly defines success.

The Napoleon Hill Foundation In order to achieve desired results a simple two-step process must be followed: Thought + Action = Success As a student of Dr. Napoleon Hill for many years, I know that his philosophy works best when it is observable and measurable. It is

not always easy to take action, but without action there is no success. Reflect on this for a moment. Great intentions never measure up to the smallest action. However, the tiniest action begins to build a momentum that culminates in your desired success if you build on the previous action daily. 10 Success Secrets pairs Dr. Hill's philosophy with actions that will move you toward success. I suggest that you try a few, keep a log, and watch your success rate grow. Without the action step, you are missing the master key to your dreams. First, chart your course; next, plan your method of travel, and third, step into the journey and begin! As you progress, you can

then evaluate what actions work best for you. Look at this book as your treasure map. When you follow it to your destination, you will be rewarded with finding the treasure you seek. To your ultimate and lasting success! —Judith Williamson, Director, Napoleon Hill World Learning Center, Purdue University Calumet
