"In these soaring, open-hearted essays, Vanessa Zoltan writes with fierce brilliance about suffering, survival, and the kind of meaning in life that can withstand real scrutiny."—John Green, bestselling author of *The Fault in Our Stars* and *The Anthropocene Reviewed* A deeply felt celebration of a classic novel--and a reflection on the ways our favorite books can shape and heal us. Our favorite books keep us company, give us hope, and help us find meaning in a chaotic world. In this fresh and relatable work, atheist chaplain Vanessa Zoltan blends memoir and personal growth as she grapples with the notions of family legacy and identity through the lens of her favorite novel, *Jane Eyre*. Informed by the reading practices of medieval monks and rabbinic scholars from her training at the Harvard Divinity School and filtered through the pages of *Jane Eyre* as well as *Little Women*, *Harry Potter*, and *The Great Gatsby*, Zoltan explores topics ranging from the trauma she has inherited as the granddaughter of four Holocaust survivors to finding hope, meaning, and even magic in our deeply fractured times. Brimming with a lifelong love of classic literature and the tenderness of self-reflection, the book also reveals simple techniques for reading any work as a sacred text--from Virginia

Woolf to *Anne of Green Gables* to baseball scorecards. Whether you're an avowed "Eyrehead" or simply a curious reader looking for a richer connection with the written word, this deeply felt and inspiring book will light the way to a more intimate appreciation for whatever books you love to read.

Twenty-five years ago . . . As the world approached a new millennium, Tim LaHaye and Jerry B. Jenkins released a novel that became a cultural phenomenon. Included in this 25th anniversary edition is an essay by Jerry B. Jenkins, exploring cultural and spiritual changes over the last quarter century through the lens of this groundbreaking work of fiction. Terror comes to the believers in Greece as they are among the first to face a GC loyalty mark application site and its hideous death contraption. Ekaterina has just arrived in an unnamed city at the confluence of the Allegheny and Monongahela with a pasteboard suitcase, a kerchief that covers her lack of hair, and little more than a

rudimentary knowledge of English, the language in which she will eventually write her other phenomenal bestsellers. At every turn, Ekaterina's rise to fortune is rattled by her consuming appetite for pubescent boys. Her novels earn her wealth enough to take over the top floor of an aging resort hotel in the Bodarks, as her idol, Nabokov, had taken over a suite in a Swiss resort hotel after the success of *Lolita*. Ekaterina is a masterwork of illusion and allusion, and like all of Donald Harington's novels it affords delight from beginning to end.

**The Cosmic Battle of the Ages** Tyndale House Publishers, Inc.

This study of the sanctuary aims to give the reader an overall view of the entire sanctuary, including the earthly and the heavenly sanctuaries, and reaching its climax in the temple eternal, the earthly model as constructed by Moses, being a type or illustration of both the others. It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ, but also the Christian experience of each of His followers, and of the church as a whole.

Tim LaHaye created the *Left Behind* Series, which has become one of the most popular fiction series of all time. Those novels, with more than 50 million copies sold, presented a unique combination of suspense and substance drawn from his lifelong study of Biblical prophecy. Now Tim LaHaye has created a new series that begins with *Babylon Rising*. The novels in this new series are even faster-paced thrillers based on prophecies that are not covered in the *Left Behind* books and that have great relevance to the events of today. *Babylon Rising* introduces a terrific new hero for our time. Michael Murphy is a scholar of Biblical prophecy, but not the sedate and tweedy kind. Murphy is a field archaeologist who defies danger to fearlessly hunt down and authenticate ancient artifacts from Biblical times. His latest discovery is his most amazing—but it will send him hurtling from a life of excavation and revelations to a confrontation with the forces of the greatest evil. For the latest secret uncovered by Michael Murphy accelerates the countdown to the time of the end for all mankind.

Jenkins together into one e-book for a great value! #1: *The Rising* begins a new *Left Behind* series that will give you a glimpse into the lives of your favorite characters before the Rapture. Have you ever wondered what life was like before the Rapture for Rayford, Irene, and Chloe Steele, Bruce Barnes, Buck Williams, and Tzion Ben Judah? Instead, Ray sets his heart on becoming a pilot. Soon

Carpathia's and Steele's lives will intersect. And good and evil will clash in an explosion that will shake the world. The eternal battle for souls has come to earth. The world hurtles toward the countdown to the Rapture. #2: *The Regime* Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks, charm, charisma, and intellectual brilliance into success in business and politics. But is it mere coincidence that those who oppose or offend him suffer to the point of death? Meanwhile, a young Buck Williams begins his journalistic career. Pilot Rayford Steele gains more responsibility at work and at home. Scientist Chaim Rosenzweig begins work on a secret formula that could change the world. All three go about their daily lives, unaware of each other or of the powerful young man from Romania. Around the world, the stage is being set for the cataclysmic event that will change the world forever. #3: *The Rapture* In this the final prequel to the blockbuster series, the story features the Rapture three-quarters of the way through the book and then follows characters such as Irene and Raymie (and others) up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture (covering lots of things the authors wished they could have covered in the original volumes) and characters in heaven and how they view the chaotic events on earth.

The *New Brother's Grimm* examines the twelve volumes of the very popular *Left Behind* series by Tim LaHaye and Jerry B. Jenkins, relating the story and the theological arguments of each book and then challenging those arguments. One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years. During that time people who have been left behind will have an opportunity to accept Christ as savior, but they will have to pass through the tribulation—a time of unimaginable horror with Satan ruling the world. At its end, Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon. After that Christ will establish an earthly kingdom lasting exactly 1000 years, during which Satan will be bound in the bottomless pit. Ultimately, the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil.

*What the World is Coming to* Tyndale House Publishers, Inc. Tory Sullivan struggles with the demands of motherhood and her desire for a career. An aspiring writer, she wonders whether she'll ever be able to develop her talent while raising two young children. But perhaps the problem isn't a matter of time, but of Tory. Cathy Flaherty is rediscovering the grins and groans of the dating game. The spunky single mother of three teenagers, she's also learning the urgency of instilling sound values in her children as they attend public school. Sylvia Bryan is an empty-nester.

Now that her children are gone, she struggles with a gnawing lack of meaning. Her husband, Harry, wants to become a medical missionary. But for Sylvia, the best part of life seems like nothing but a memory. Brenda Dodd faces an uncertain future. Her nine-year-old son is getting sicker, and there seems to be nothing they can do. It is every mother's nightmare -- a child who will die unless he receives a heart transplant. As the women of Cedar Circle band together to save a dying child, they learn that each moment is precious in every season under the heaven. Taking the best and worst of human circumstances -- the tender moments,

the laughter, the tragedies, and the triumphs -- Beverly LaHaye and Terri Blackstock weave from them a poignant, warmly human novel. Gently uncovering the inner struggles, stresses, and joys that surface among neighbors living in a quiet cul-de-sac, the authors show us the power of ordinary lives being knit into a strong, many-textured fabric of family and friendships. *Seasons Under Heaven* depicts the deepest emotions of a woman's heart, and those circumstances, both thrilling and tragic, that test and strengthen Christian faith.
