SAP Certified Application Associate - SAP S/4 HANA Sales These questions are similar to the ones asked in the actual Test. How should I know? I know, because although I have been working as an SAP HANA & SAP SD Consultant for many years, I have myself recently certified with the latest version of the Associate Certification test. Before you start here are some Key features of the SAP Certified Application Associate - SAP S/4HANA Sales Exam. This certification exam verifies that the candidate has the knowledge required in the area of SAP S/4 HANA Sales. This certificate builds on the basic knowledge gained through related SAP HANA and SAP SD training and preferably refined by practical experience within an SAP HANA Sales project team, whereby the consultant applies acquired knowledge in this specialist area practically in projects.. The exam is Computer based and you have three Hours to answer 80 Questions. The Questions are (mostly) multiple choice type and there is NO penalty for an incorrect answer. Some of the Questions have more than one correct answer. You must get ALL the options correct for you to be awarded points. For questions with a single answer, the answers will have a button next to them. You will be able to select only one button. For questions with multiple answers, the answers will have a 'tick box' next to them. This allows you to select multiple answers. You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system). Clearing the Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. So if you have little or no experience, you should get yourself certified, get some project experience, and then the

whole of the SAP World open for you to explore. Helping you with the first step on your ladder to success is this book!
