Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global

IT media network.

Kiplinger's Personal Finance Darby Creek The Lancer name conjures up many different images. For some, it evokes memories of the first generation cars, introduced in 1973, which fought with the best on the Safari Rally and came out the victors. Others will remember the second generation models--especially the turbocharged versions, the original Mitsubishi wolf in sheep's clothing--and who could not be aware of the Evolution (Evo) series, launched in 1992? Forged in the fierce heat of WRC competition and honed by years of continuous development, the Lancer Evolution is not only one of the greatest rally cars of all time, it is also a desirable high-performance road car, too. Written in Japan with the full cooperation of

Mitsubishi and key staff members, this is the definitive international story of all the world's Lancers, whether they carried Mitsubishi, Dodge, Colt, Plymouth, Valiant, Eagle, Proton or Hyundai badges, with special emphasis on the Evolution models. **Ad \$ Summary** Emereo Publishing Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. News Haynes Manuals N. America, Incorporated

Where do I begin with this review? I think I should take my sister's advice and repeat what she often tells me: If I can't say amen, just say ouch. Keeping that in mind, I'm over here saying ouch because author Toni L. Worthley is on my toe stomping pretty hard with this petite but powerful book. As a single Christian woman combating some of the issues of loneliness and frustration associated with living a single life, this book speaks volumes to me. There is nothing like reading what you're going through to let the reader know they are not alone on this journey. As I've pledged my life to following the tenants of my faith, it's good to have confirmation, in the form of a book, which I can reference from time to time. I'll admit that I'm not crazy about the title; I don't like to be referred to as prey or as the hunted. The Word of God says: He that finds a wife, finds a good thing so a loose translation would mean that I am prey. I would hope that my mate wouldn't refer to me in this manner. The translation would also imply that I'm weak or defenseless; I feel that I'm a strong vessel, who patiently awaits capture. Pray While You're Prey is a great read for single women. Those of us who have the desire to be spiritually grounded in all that we do, can draw strength from the scripture, interpretation and study questions found at the end of each chapter. This is a book to share with your entire cadre of single sister friends as we journey down the path to closeness with God and the quest to be a virtuous woman and wife.
