The readings

reflect the current interest in the possible effects that such communications media may have upon children's studies and cognition and upon how children are likely to respond to education and educational media. **Hiroshima's Shadow** U of Minnesota Press This is one of those rare books that can help all of us with something that is both troublesome and

worrisome — our memory. It does this with ease, not by attempting to teach some exhausting rote-memory techniques, but in 12 easy and effortlessly smooth steps. Shakuntala Devi's down-to-earth writing and encouraging step-by-step approach puts super memory in reach of everyone. As she says, 'Take my word. You can start applying my memory-enhancing techniques immediately, right now.

Before you will realize, applying my methods and strategies will become your second nature.' Shakuntala Devi has been honing and teaching her memory improvement techniques for more than 40 years. Super Memory is the result of her life's work, specially tailored to our needs as we age, and encompassing all of the many ways we can use a better memory every day.

Gore Vidal's

America SAGE Global Sex is the first major work to take on the globalization of sexuality, examining the ways in which desire and pleasure—as well as ideas about gender, political power, and public health—are framed, shaped, or commodified by a global economy in which more and more cultures move into ever-closer contact.

Karyamin's Smile (Versi Bahasa Inggris) Orient Paperbacks

A popular introduction to Buddhism, showing how Christians can understand and effectively dialogue with Buddhists. Buddhism is a rapidly rising religion in the West, but few Westerners know Buddhism from the inside. Having grown up with Buddhism and Christianity, Steve Cioccolanti highlights the similarities and builds bridges of understanding between the two major religions. His account is

studded with stories, parables, and illuminating observations. This book is remarkably easy to read, and Steve is an engaging and original guide. Discover Buddhism the way it's actually lived, not the way it's been presented in textbooks or by Hollywood. Now you can learn the 2 most popular religions in 1 book! "A groundbreaking book... Steve has an unusual insight into the Buddhist

mind. I would use it for our Bible College students." Dr. Wayne Cordeiro (Pastor of New Hope Christian Fellowship, a 10,000+ member church in Hawaii.) "From Buddha to Jesus is a clear exposition of both Buddha's search for truth and the foundations of Buddhist culture. It then gives an account of how the Good News of Jesus can fulfill Buddhist law, and deliver people from the drive of endless

perfectionism. A totally thought-provoking work!" Rod Plummer (Senior Pastor of Jesus Lifehouse Tokyo) "Steve's book 'From Buddha to Jesus' is the best tool that I have found to find a common platform with Buddhists. Although the book is primarily focused on Thai Buddhism, the principles in the book can be used with Buddhists in Japan and with Buddhists in other

countries. I highly recommend it!" Rev. Daniel Kikawa (President of Aloha Ke Akua Ministries, Pastor of Hilo Missionary Church) "One of the books that I really read from cover to cover. I bought 10 copies and distributed them to my friends. I was once a Buddhist and this book really opened up my eyes. It is a must-read for all Buddhists, Eastern religion followers or

even Christians who are looking for a way to reach out to these groups of people. Steve Cioccolanti was able to put things in the right manner and has written in a balanced and non-offensive way. This book rocks!" Daniel Hendrata (TV Host, Co-Founder of Anugrah Ministries) "I have been a missionary in Thailand for 40 years. I read your book and was very impressed. I wish I would

have had it sooner." Dorothy H., Thailand "Your book is one of my treasured collection and I've been reading it again and again. I love it so much. It helps me to understand Buddha and Buddhism and draw bridges between the two faiths. Keep up the good work and God bless!." Mish N. "Steve's gentle way of sharing his insight suits the [Asian] audience very well... He has also broken some invalid

preconceived ideas that Buddhists are closed to the Gospel." Ching Wah, Singapore "My husband and I have been reading it and although I am a second-generation missionary in Thailand (my dad arrived in 1946!) your book has brought new insight and clarified many things and is helping me/us immensely in relating to the Buddhists. So, Thank YOU and Thank GOD!" Marianna & Erik, Thailand "This book	gave me confidence that I had a strategy! Because we can start from a place of commonality, instead of a place of 'I'm right, you're wrong'. This teaching releases people!" Tim P., Thailand "Anyone who comes in contact with Eastern religions should read Steve's book." Col Stringer, President of ICFM Australia "Truly enlightening and informative... A useful tool to reach not	only Buddhists but many others confused by the plethora of religions." Tom Inglis, Founder of Psalmody "A well-written book with a clear and bold testimony." Canon James Wong (Anglican Churches Singapore <u>Prema Vahini</u> Penguin A keen critic of culture in modern Indonesia, Andrew N. Weintraub shows how a genre of Indonesian music called dangdut evolved from
---	--	---

a debased form of urban popular music to a prominent role in Indonesian cultural politics and the commercial music industry. Dangdut Stories is a social and musical history of dangdut within a range of broader narratives about class, gender, ethnicity, and nation in post-independence Indonesia (1945-present).

 Allyn & Bacon  
 First published in 1844, The Memoirs of Barry Lyndon, Esq. by Thackeray is a picaresque novel also known as The Luck of Barry Lyndon. It chronicles the life of impoverished Redmond Barry, an Irishman who wants to be an English aristocrat. An opportunist, rake, and gambler, he serves in the Seven Years War, first under the English flag and then, for

money, in the Prussian Army. Continuing to play with his luck, he gains wealth in the beginning but eventually is punished for his many lovable imperfections.  
Colloquial Jakartan Indonesian  
 Penguin  
 This book uses one of the most popular accessories of childhood, the Barbie doll, to explain key aspects of cultural meaning. Some readings would see Barbie as reproducing

ethnicity and gender in a particularly coarse and damaging way - a cultural icon of racism and sexism. Rogers develops a broader, more challenging picture. She shows how the cultural meaning of Barbie is more ambiguous than the narrow, appearance-dominated model that is attributed to the doll. For a start, Barbie's sexual identity is not clear-cut. Similarly her class situation is ambiguous.

But all interpretations agree that, with her enormous range of lifestyle 'accessories', Barbie exists to consume. Her body is the perfect metaphor of modern times: plastic, standardized and oozing fake sincerity. Child of All Nations University of Chicago Press As the world moves into the twentieth century, Minke, one of the few European-educated Javanese, optimistically

starts a new life in a new town: Betawi. With his enrollment in medical school and the opportunity to meet new people, there is every reason to believe that he can leave behind the tragedies of the past. But Minke can no more escape his past than he can escape his situation as part of an oppressed people under a foreign power. As his world begins to fall apart, Minke draws a small but fervent group

around him to fight back against colonial exploitation. During the struggle, Minke finds love, friendship, and betrayal—with tragic consequences. And he goes from wanting to understand his world to wanting to change it. Pramoedya's full literary genius is again evident in the remarkable characters that populate the novel—and in his depiction of a people's

painful emergence from colonial domination and the shackles of tradition.

Gate Oxford University Press  
 She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she

dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from

her eyes and the warmth of her presence pull him in. They seem like a perfect match--both on and off the page--but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?  
*The Consumer Society*  
 ReadHowYouWant.com  
 An inspiring visual guide to a richer life.

“If there’s a thinker to steal from, it’s Jessica Hagy.”—Austin Kleon, author of *Steal Like an Artist* and *Newspaper Blackout How to Be Interesting* is passionate, positive, down-to-earth, and irrepressibly upbeat, combining fresh and pithy life lessons, often just a sentence or two, with deceptively simple diagrams and graphs. Each of the book’s more than 100

spreads will nudge readers a little bit further out of their comfort zones and into a place where suddenly everything is possible. It’s about taking chance—but also about taking daily vacations. About being childlike, not childish. It’s about ideas, creativity, risk. It’s about trusting your talents and doing only what you want—but having the courage to get lost and see where the path leads. Because it’s

what you don’t know that’s interesting. *Afternoons with Mr. Hogan* Bloomsbury Publishing Minke is a young Javanese student of great intelligence and ambition. Living equally among the colonists and colonized of 19th-century Java, he battles against the confines of colonial strictures. It is his love for Annelies that enables him to find the strength to

embrace his world.  
*Strategic Communication in Business and the Professions*  
 Simon and Schuster  
 Jean Baudrillard's classic text was one of the first to focus on the process and meaning of consumption in contemporary culture. Originally published in 1970, the book makes a vital contribution to current debates on consumption. The book includes

Baudrillard's most organized discussion of mass media culture, the meaning of leisure, and anomie in affluent society. A chapter on the body demonstrates Baudrillard's extraordinary prescience for flagging vital subjects in contemporary culture long before others. This English translation begins with a new introductory essay.  
*Thumbelina*  
 Harper Collins  
 Love comes when you

least expect it... Tressa Buckland likes her quiet life in Port Lowdy, with its cobbled streets and colourful terraced houses overlooking the sea. Her job at the local paper allows her to pursue her art in her free time, with no one but her tabby cat Ginger Pickles to mind her in Mermaid Terrace. But then the owner of the paper is called away on an emergency, and it's up to Tressa to run

the paper for six months. Her first task: find a new part-time journalist. Dan Byrne is the angriest man in Ireland - or so the readers of his very successful column, 'Dan takes on the world', think. But after a story goes south and he loses his job in Dublin, Dan has no choice but to start afresh. When an opportunity comes up in sleepy Cornwall, Dan and his Golden Retriever Ritchie set off for a new

adventure. For Tressa, Dan's arrival to Port Lowdy changes everything. Tressa tries not to look too deeply at her own life, but Dan sees a story to uncover in absolutely everyone - even her. The two of them couldn't be more different... yet, if they can find a way to work together, they may just breathe new life and joy into this sleepy seaside village. Finding Love at Mermaid

Terrace is a heartwarming new village romance about the power of love and kindness, from the bestselling author of Starting Over at Acorn Cottage. Readers love Kate Forster! 'This beautifully descriptive and touching story about love and hope is fabulous sunshine reading.' Closer 'A lovely get-away-from-it-all read.' Red 'LOVED this book. From the cover you might assume

it's a light read but this was so much more. Such meaningful characters surrounding a story of life, love, and starting over. Definitely a keeper!' NetGalley Reviewer, 5 stars 'This is a keeper and I wish I could give it 10 stars.' NetGalley Reviewer, 5 stars 'An uplifting, delightful story, this one is emotional, it'll have you laughing and crying, but the overall theme for me was hope, self

forgiveness and love, you will be smiling at the end.' NetGalley Reviewer, 5 stars 'I didn't want the story to come to an end, because it was just so lovely. This is the perfect antidote to the world outside right now.' NetGalley Reviewer, 5 stars This Earth of Mankind Algonquin Books In Child of All Nations, the reader is immediately swept up by a story that is profoundly feminist,

devastatingly anticolonialist—and full of heartbreak, suspense, love, and fury. Pramoedya immerses the reader in a world that is astonishing in its vividness: the cultural whirlpool that was the Dutch East Indies of the 1890s. A story of awakening, it follows Minke, the main character of This Earth of Mankind, as he struggles to overcome the injustice all around him. Pramoedya's full literary genius is

evident in the brilliant characters that populate this world: Minke's fragile Mixed-Race wife; a young Chinese revolutionary; an embattled Javanese peasant and his impoverished family; the French painter Jean Marais, to name just a few.

**The Color of Truth** Dutton Juvenile  
The Good Spy is Pulitzer Prize-winning biographer Kai Bird's compelling portrait of the remarkable life and death

of one of the most important operatives in CIA history – a man who, had he lived, might have helped heal the rift between Arabs and the West. On April 18, 1983, a bomb exploded outside the American Embassy in Beirut, killing 63 people. The attack was a geopolitical turning point. It marked the beginning of Hezbollah as a political force, but even more important, it eliminated

America's most influential and effective intelligence officer in the Middle East – CIA operative Robert Ames. What set Ames apart from his peers was his extraordinary ability to form deep, meaningful connections with key Arab intelligence figures. Some operatives relied on threats and subterfuge, but Ames worked by building friendships and emphasizing shared values

- never more notably than with Yasir Arafat's charismatic intelligence chief and heir apparent Ali Hassan Salameh (aka "The Red Prince"). Ames' deepening relationship with Salameh held the potential for a lasting peace. Within a few years, though, both men were killed by assassins, and America's relations with the Arab world began heading down a path that culminated in 9/11, the War

on Terror, and the current fog of mistrust. Bird, who as a child lived in the Beirut Embassy and knew Ames as a neighbor when he was twelve years old, spent years researching *The Good Spy*. Not only does the book draw on hours of interviews with Ames' widow, and quotes from hundreds of Ames' private letters, it's woven from interviews with scores of current and former American,

Israeli, and Palestinian intelligence officers as well as other players in the Middle East "Great Game." What emerges is a masterpiece-level narrative of the making of a CIA officer, a uniquely insightful history of twentieth-century conflict in the Middle East, and an absorbing hour-by-hour account of the Beirut Embassy bombing. Even more impressive, Bird draws on

his reporter's bombers and of where the  
skills to expose the attack's  
deliver a full shocking truth mastermind  
dossier on the resides today.
