Thomas Ford has penned a remarkable work that aids even the youngest in the Christian faith with tools to demonstrate Scripture's self-evident nature of being from God and divinely inspired. In this we find the doctrine of the authority of Scripture as Christians account it. Ford teaches us that it is necessary to be well

informed in understanding the doctrine of Scripture in this way in order to be fortified against the assaults of those that, "lie in wait to undermine you and turn up the foundations of your faith." He shows that what is to be believed is not something simply found in the traditions of the church (as many think), but in the Holy Scriptures which have been given to us by God, confirmed in Jesus Christ, and which demonstrate God's perfect will for our lives. His aim is to set down the truth of the maxim, "Scripture is the only rule of faith." And he demonstrates this beginning with 2 Peter 1:3, "According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue." This is not a scan or facsimile, has been updated in modern English for easy reading and has an active table of contents for electronic versions.

selling author Hank Hanegraaff for a stirring defense of the Bible as the Word of God and your only reliable foundation for life. In answering the riveting question, "Has God spoken?", Hanegraaff uses manuscript evidence, archeology, predictive prophecy, and much more to memorably demonstrate that the Bible is divine rather than merely human in origin. Hanegraaff demolishes modern objections to Scripture, such as: There are more mistakes in manuscript copies of the Bible than there are words in the New Testament. The biblical account of King David is no more factual than tales of King Arthur—there simply is no evidence in archeology or history for Israel's quintessential king. Contemporary prophets are proven 100 percent wrong, 100 percent of the time, and biblical prophets are just as unreliable. *Has God Spoken?* joins its predecessors—*The Face That Demonstrates the Farce of Evolution and Resurrection*—as Hanegraaff's final book in a trilogy that provides complete and compelling answers to the most critical issues facing Christians today.

 Christian theology didn't develop in a vacuum. Understanding the story behind the doctrines that have been debated, defined, and defended throughout history is crucial for truly understanding the doctrines themselves. In this groundbreaking resource, professor Gerald Bray traces the history of Christian theology from the early church to the modern era. Structured to parallel the order in which orthodoxy gradually

matured in response to challenges from both within and without the church, this volume tells the story of how Christians have struggled to understand, confess, and worship the triune God through the centuries.

This is one of Barth's most important works - far more important than may appear at first sight.... Here we have not merely one great theologian taking the measure of another. That in itself would be interesting enough. But in addition to that we are here shown one great theologian clarifying and crystallizing, in conversation with another, his own ideas as to the nature of theology and of the theologian's task. *Scottish Journal of Theology*

J. I. Packer maintains that anyone who wants to know God will want to know as much as they can of what is in the Bible. For through it God reveals himself and his purpose to us; and in it we discover his fellowship and grace. Packer presents the case for reliability of the Bible and urges us to return with open hearts to reading God's word, and to discovering its overwhelming power in our lives. This challenging sequel to *Knowing God* is a great resource for the Christian journey.

HAS GOD SPOKEN? contains documented scientific and historical proof that God has spoken. God has not neglected our generation, but has

provided us with ample proofs of His existence, His nature, and of His speaking to us through inspired men in the past.

With a Commentary, and Notes, Philological, Critical, Explanatory, and Practical : to which is Added, a History of the Life of the Apostle Paul Wipf and Stock Publishers

This book amplifies and exemplifies what God has spoken that came to pass. It is to help you see God not in a new dimension but in his original dimension—the one that speaks and comes to pass; the one that speaks and follows through; the covenant keeper, the unchanging changer. This book is to guide you methodically and carefully to listen to the Word of God, the promises of God and to see it, not only unfold in your personal life but to see it fulfilled, because once he has spoken, it will come to pass. That is why he says with emphasis and clarity, “The grass withers, the flower fades: but the Word of our God shall stand forever.” Chapter one helps you to understand the legitimacy, the power, and the credibility in the Word of our God. Chapter two showcases and authenticates what God has done particularly through Abraham, Sarah, Isaac, and others. Chapter three is the icing on the cake, what God did for Ishmael, because of the value he puts on his Word and power and authority behind it. Chapter four shows how God speaks so that you can distill his promises for yourself. Chapter five details why God speaks. Chapter six is concerned with how you can benefit, maximize, and apply the Word of God to your life. Chapter seven is to help you sing Hallelujah over the situations of your life, when you can see that with God, all things are possible. The purpose of this book is to encourage you to crave

to hear the Word of God for your situation. Once God has spoken to your situation, consider it done. No matter how hopeless, helpless, disappointing, unexplainable, or discouraging the situation may be, whatever he has spoken shall come to pass.

Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. This book covers Calvin's commentaries on the Psalms 36 - 66.

Has God Spoken? Proof of the Bible's Divine Inspiration

Almighty God, Christ of the last days, has expressed a variety of truths, uncovered every truth and mystery in the Bible, and revealed to mankind the inside story of the three stages of God's work, the mystery of God becoming flesh and God's work of judgment in the last days, etc. This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days.
