Pawn. Diamond princess. Prey. Since I can remember, I've been a pawn in someone's game. Danger was looming but never enough to harm me. Until now. Then he

came along. My new bodyguard. The only person who saw past my edges.

Meanwhile, I was rooted deep in a web of deception, trying to save myself. He was supposed to protect me and keep me from harm's way. Just like everyone else, he wanted to break me. Now we've both been thrown into a game neither one of us wanted to play. I was taught to be unbreakable like a diamond. I was a diamond, and diamonds don't break.

Their names are whispers in the hallways. Hunter, Ash, Ledger, and Samson. The

Kings. Four of the most beautiful men I've ever seen, with cruel agendas and an even crueler reign over Ravenwood Academy. Wreaking havoc in our small, New England town, no one asks questions. For the most part, people ignore or avoid them. After all, they're royalty here. Because one of them—the cruelest one—is the headmaster's son. And my new stepbrother. They can try to torment me. They can try to break me. But they have no idea what I've endured. They're used to getting whatever their ruthless, little hearts desire. Maybe I should keep my mouth shut. Maybe I

should let them win. But I'm not afraid of getting my hands dirty. Lord knows I'm used to it by now. My name is Briar Monroe, and these Kings are about to find out just how fucked up this Queen can be. Ruthless Crown is full-length high-school bully reverse harem romance. It is book one of the Ruthless Royals duet, and while it doesn't end with a true cliffhanger, there are unanswered questions. Book two will be releasing in a month. It is advised to read them in order. *Please note Ruthless Crown contains explicit language, bullying, and flashbacks of abuse/trauma. It also features four hot AF guys who would do anything to protect their feisty Queen. The duet will have a HEA.

Jude must keep her brother safe. To do so, she has bound the wicked king, Cardan, to her, and made herself the power behind the throne. Navigating the constantly shifting political alliances of Faerie would be difficult enough if Cardan were easy to control. But he does everything in his power to humiliate and undermine her even as his fascination with her remains undiminished. When it becomes all too clear that someone close to Jude means to betray her, threatening her own life and the lives of everyone she loves, Jude must uncover the traitor and fight her own complicated feelings for Cardan to maintain control as a mortal in a Faerie world.

The Sekt does not forgive. The Sekt does not forget. Keeper of secrets and dealers of lies. We bow to no king, nations, or men. Crossing us is certain death. * * * * *

* He was a mercenary, and I a slave. He wanted to save me, but I liked the pain. We stole, cheated, and lied. Through a savage kingdom, we found a divide. He betrayed me, but so did I. In this wicked game who will survive? Author's Note: The Sekten Series is a dark romance series

that needs to be read in order. It is intended for mature audiences since there is a lot of graphic content, and it might not be suitable for you if you are easily triggered. Some books will be darker than others, but all are triggering none the less. This is a dark world, so read at your own discretion.

Broken Throne: A Red Queen Collection

Houghton Mifflin Harcourt

A NEW YORK TIMES EDITORS' CHOICE • A gripping, behind-the-scenes portrait of the rise of Saudi Arabia's secretive and mercurial new ruler "Revelatory . . . a vivid portrait of how MBS has altered the kingdom during his half-decade of rule."—The Washington Post Finalist for the PEN/Jacqueline Bograd Weld Award • ONE OF THE BEST BOOKS OF THE YEAR: Financial Times, Foreign Affairs, Kirkus Reviews MBS is the untold story of how a mysterious young prince emerged from Saudi Arabia's sprawling royal family to overhaul the economy and society of the richest country in the Middle East—and gather as much power as possible into his own hands. Since his father, King Salman, ascended to the throne in 2015, Mohammed bin Salman has leveraged his influence to restructure the kingdom's economy, loosen its strict Islamic social codes, and confront its enemies around the region, especially Iran. That vision won him fans at home and on Wall Street, in

Silicon Valley, in Hollywood, and at the White House, where President Trump embraced the prince as a key player in his own vision for the Middle East. But over time, the sheen of the visionary young reformer has become tarnished, leaving many struggling to determine whether MBS is in fact a rising dictator whose inexperience and rash decisions are destabilizing the world's most volatile region. Based on years of reporting and hundreds of interviews, MBS reveals the machinations behind the kingdom's catastrophic military intervention in Yemen, the bizarre detention of princes and businessmen in the Riyadh Ritz-Carlton, and the shifting Saudi relationships with Israel and the United States. And finally, it sheds new light on the greatest scandal of the young autocrat's rise: the brutal killing of journalist Jamal Khashoggi by Saudi agents in Istanbul, a crime that shook Saudi Arabia's relationship with Washington and left the world wondering whether MBS could get away with murder. MBS is a riveting, eye-opening account of how the young prince has wielded vast powers to reshape his kingdom and the world around

him. Praise for MBS "Saudi Arabia is testing the extremes of tradition and innovation, of half-baked visions and intensifying repression. Ben Hubbard's authoritative reporting on the inner sanctums of its society offers a perfect synthesis of journalism and area expertise: the best description we have at the moment of why things happen as they do in the kingdom."—Robert D. Discover the truth of Norton's bloody past in these two revealing prequels to #1 New York Times bestseller *Red Queen*. Also includes an exclusive excerpt of the hotly anticipated second book in the *Red Queen* series! *Glass Sword* transports readers to the world of Silver tyranny, a Red dawn rising, and one girl's resolve to break down the system that will hold her back no longer. *Queen Song* Queen Coriane, first wife of King Tiberias, keeps a secret diary—how else can she ensure that no one at the palace will use her thoughts against her? Coriane recounts her heady courtship with the
