*The Hour That
Changes the
World*
Westminster
John Knox
Press
Thomas
Chalmers was
a Scottish
Presbyterian
minister who

served most
of his life at
St. John's
parish in
Glasgow—a
congregation
that was both
the largest
and the
poorest
congregation
in the city.
Known for his
extensive
charitable
work in caring
for the poor
and

downtrodden,
Chalmers was
also an astute
theologian.
One of his
most notable
works is *The
Expulsive
Power of a
New Affection*,
in which
Chalmers
inspires his
readers to
remove the
tangles of sin
through the
expulsive

power of a new affection—desiring God. As a result of the fall, human feelings of love are often misplaced on the creation rather than the Creator. This classic work of the faith reorients our affections toward him.

Change of Heart Simon and Schuster She's seen slave dungeons in Ghana. Genocide in Rwanda. Systemic sexual abuse in Brazil. Child abuse and domestic violence in the

US. After forty years of counseling abuse survivors around the world, Dr. Diane Langberg, a world renowned trauma expert, remains certain that what trauma destroys, Christ can and does restore. This book will convince you, too, of the healing heart of God. But it's not a fast process, instead much patience is required from family, friends, and counselors as

they wisely and respectfully help victims unpack their traumatic suffering through talking, tears, and time. And it's not a process that can be separated from the work of God in both a counselor and counselee. Dr. Langberg calls all of those who wish to help sufferers to model Jesus's sacrificial love and care in how they listen, love, and guide. The heart of God is

revealed to sufferers as they grow to understand the cross of Christ and how their God came to this earth and experienced such severe suffering that he too is "well-acquainted with grief." The cross of Christ is the lens that transforms and redeems traumatic suffering and its aftermath, not only for the sufferer, but it also transforms those who walk with the suffering. This book will be a great help to

anyone who loves, listens to, and seeks to help someone impacted by trauma and abuse. There is no quick fix, but there is the hope for healing through the love of God in Christ. *Poems for the Heart of God* Covenant Books, Inc. Changing our hearts through prayer changes things and truly moves the hand of God. We often hear other believers sharing about this. God's

timing is not ours to command. If we do not start the fire with the first strike of our match, we must try again. God does hear our prayer, but He may not answer it at the precise time we have appointed in our minds. He will reveal Himself to our seeking hearts, though not necessarily when and where we may expect. The offence causing me to turn away may be spiritual. I had

imagined that once within His fold, I would never again suffer from the stinging winds of temptation. Yet it is best for me the way it is, for when I endure temptation His grace is magnified, my own character matures, and heaven seems sweeter at the end of the day. There is one thing you can do that can accelerate your spiritual growth more than almost any other thing: Learn to take correction from the Spirit

of God and from His people. Remember that next time someone corrects you. Love that person and thank him or her, for being concerned for you, and helping to speed up your spiritual progress. If you'll do that you'll come out ahead every time. *War of Words* Chosen Books This indispensable volume is the most comprehensive resource on the Psalms for use in Christian

worship ever published. It offers a single-volume anthology of psalm use, covering the history, reception, and practice of the Psalms in Christian worship. The book contains all 150 psalms, most in multiple formats, and utilizes a wide variety of musical and spoken settings. It also provides complete musical settings for morning and evening prayer. Each psalm appears in its actual

biblical text, including as responsive readings. This invaluable resource for churches of all traditions is well suited to congregational use, helping pastors, worship leaders and planners, and choirs bring the Psalms back into the heart of congregational worship.

Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But

there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled

proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on

my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else. *A Change of Heart* Crossway Kay Arthur's Newest "Lord" Book Examines The Anatomy Of A Heart for God Through Paul's Eyes. Throughout his ministry the Apostle

Paul was criticized, opposed, and attacked. He wrestled with his weaknesses. He struggled with fragile relationships. He was often weary, tired, and discouraged. Kay Arthur knows there are times when you can identify with Paul's experience. You feel overwhelmed by conflicts without and fears within. You yearn to experience the God of wisdom and power. You, like Paul, want

deeply to be a person whose sole passion is to please God. In this study based on 2 Corinthians, Kay examines the anatomy of a heart for God. What it looks like. What it feels like. And how you can strengthen your own relationship with God. Despite the deep physical, emotional, and spiritual pain of life, Paul could rest in the God of all comfort and strength. He could walk in obedience to his calling. He could fight

the good fight, finish his race, and keep the faith. And now, through this compelling, insightful, and moving Bible study, so can you. "What does a heart for God look like when lived out in flesh and blood in the daily circumstances of life? As we walk together through 2 Corinthians, Acts, and other portions of Scripture, we'll begin to understand what it's like to have a heart like His."
-Kay Arthur

THE "LORD" SERIES by Kay Arthur is an insightful, warm-hearted Bible study series designed to meet you where you are-and help you discover God's answers to your deepest needs.

The beloved #1 New York Times bestselling author and "master of the craft of storytelling" (Associated Press) weaves a spellbinding tale of a

mother's tragic loss and one man's chance at salvation. One moment June Nealon is happily looking forward to years of love and laughter with her family. The next, she is facing a future as empty as her heart as she waits for a miracle. For Shay Bourne, life has no more surprises, and he has nothing to offer the world. In a heartbeat, though, his life is changed by one last

chance for redemption through June's young daughter, Claire. But between June and Shay lies an ocean of bitter regrets and a mother's rage. Would you give up revenge against someone you hate if it meant saving someone you love? Would you want your dreams to come true if it meant granting your enemy's dying wish? Soul-stirring and haunting, Change of Heart is

"another ripped-from-the-zeitgeist winner" (Publishers Weekly) from Jodi Picoult. *Strengthening Your Good Heart* Hal Leonard Corporation In exploring the words of popular praise songs and the scriptures that inspired them, readers of these devotionals will find that personal moments with Christ take on new significance. **My Heart** Resources for Changing Lives (Sacred Folio).

Are you tired of page turns? Are you worn out trying to hold the pages from flipping on their own? Brilliant arranger Carol Tornquist has developed a new Unfold & Play Series of keyboard folios. This unique series features each arrangement on four pages that actually unfold, making page turns obsolete! In addition, each book is spiral-bound, allowing the pages to lay flat. Each song is arranged at

a medium-difficult level and includes chord symbols. Songs include: Change My Heart, Oh God * Great Is the Lord * Refiner's Fire * You're Worthy of My Praise * and more. Change My Heart, Oh God Word Music Engaging rendition of the familiar Eddie Espinoza chorus. A Confident Heart Revell What if you were told there's a possibility you would not be alive to see this afternoon

or wake up tomorrow morning? Do you think you would live differently? My Heart is Julie Manning's story of facing potential heart failure each day and recognizing that each day may be her last, changing normal expectations and self-reliance to the surrendering of her dreams, plans, and deepest desires into the hands of our unchanging God.
