**Between the World and Me** Mitchell Lane Publishers, Inc.

"Spectacular cake creations [that] are positively bursting with beauty, color, flavor, and fun . . . this book will ignite the baking passion within you!" —Pioneer Woman Ree Drummond, #1 New York Times–bestselling author *Grandbaby Cakes* is the debut cookbook from sensational food writer, Jocelyn Delk Adams. Since founding her popular recipe blog, *Grandbaby Cakes*, in 2012, Adams has been putting fresh twists on old favorites. She has earned praise from critics and the adoration of bakers both young and old for her easygoing advice, rich photography, and the heartwarming memories she shares of her grandmother, affectionately nicknamed Big Mama, who baked and developed delicious, melt-in-your-mouth desserts. *Grandbaby Cakes* pairs charming stories of Big Mama's kitchen with recipes ranging from classic standbys to exciting adventures—helpfully marked by degree of difficulty—that will inspire your own family for years to come. Adams creates sophisticated flavor combinations based on Big Mama's gorgeous centerpiece cakes, giving each recipe something familiar mixed with something new. Not only will home bakers be able to make staples like yellow cake and icebox cake exactly how their grandmothers did, but they'll also be preparing impressive innovations, like the Pineapple Upside-Down Hummingbird Pound Cake and the Fig-Brown Sugar Cake. From pound cakes and layer cakes to sheet cakes and "baby" cakes (cupcakes and cakelettes), *Grandbaby Cakes* delivers fun, hip recipes perfect for any celebration. "[Adams] offers up her greatest hits alongside sweet stories of her family's generations-old baking traditions." —People.com "There is a heritage of love and tradition steeped in her recipes . . . A trip down memory lane that ends with delicious treats on your table." —Carla Hall, TV chef and author of *Carla Hall's Soul Food*

Do you love 5 Seconds of Summer, are you a fan of 5SOS, then you need these 50 More Quick facts about the band! With 50 MORE quick facts for fans!

**Official Truth, 101 Proof** Hal Leonard Corporation

A witty, candid, sharply written memoir by the cofounder of Steely Dan In his entertaining debut as an author, Donald Fagen—musician, songwriter, and cofounder of Steely Dan—reveals the cultural figures and currents that shaped his artistic sensibility, as well as offering a look at his college days and a hilarious account of life on the road. Fagen presents the "eminent hipsters" who spoke to him as he was growing up in a bland New Jersey suburb in the early 1960s; his colorful, mind-expanding years at Bard College, where he first met his musical partner Walter Becker; and the agonies and ecstasies of a recent cross-country tour with Michael McDonald and Boz Scaggs. Acclaimed for his literate lyrics and complex arrangements as a musician, Fagen here proves himself a sophisticated writer with his own distinctive voice.

Steven Hyden explores nineteen music rivalries and what they say about life in this "highly entertaining" book (Rolling Stone) perfect for every passionate music fan. Beatles vs. Stones. Biggie vs. Tupac. Kanye vs. Taylor. Who do you choose? And what does that say about you? Actually -- what do these endlessly argued-about pop music rivalries say about us? Music opinions bring out passionate debate in people, and Steven Hyden knows that firsthand. Each chapter in *Your Favorite*

Band Is Killing Me focuses on a pop music rivalry, from the classic to the very recent, and draws connections to the larger forces surrounding the pairing. Through Hendrix vs. Clapton, Hyden explores burning out and fading away, while his take on Miley vs. Sinéad gives readers a glimpse into the perennial battle between old and young. Funny and accessible, Hyden's writing combines cultural criticism, personal anecdotes, and music history -- and just may prompt you to give your least favorite band another chance.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our

workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* [One Direction](#) Wise Publications
