The Burden Of
Freedom explains that
too many people use
past oppression to
remain mired in hatred
and irresponsibility
today. The spirit of
oppression has specific

telltale effects on
individuals,
communities, and
nations. These are
identified by Myles
Munroe as a hatred for
work, laziness, fear,
low self-esteem,
selfishness, lack of
creativity, low
initiative, and distrust
of those in authority.
To break free from
these self-replicating
cycles of oppression
there must be a mental
transformation.
Paradoxically, freedom
requires the need to

impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal and political freedom require. Simply put, *The Burden Of Freedom* should be available to every citizen and on the shelves of every high-school, college, and community library in the country.

The Greatest Encounter is like no other book in the world. In every generation, God does a spectacular thing to awaken the sons of light from their slumber and display His sovereign grace and mercy to the undeserving. This book

outlines such an unusual triumphant encounter that will guarantee a definite, express change in your life, mentality, and walk with the Lord of Lords, Jesus Christ Glorified. Every day, many sincere people perish in the realm of the Spirit, and such destruction manifests in the physical world. Sincerity alone cannot save you. It is not an alternative to knowledge. The key is both sincerity and embracing the truth. There is no affliction in the physical realm that not traceable to the spiritual realm. A human being is over ninety percent spiritual, so to be ignorant of spirituality is absolute negligence, detrimental to your well-being. Nevertheless, most

people are still uninterested in spiritual matters. Anything traceable to negative or positive spirituality works. Satan and his agents run on negative spirituality. They are wreaking havoc on Earth. The children of God who are supposed to be the most powerful people on Earth have neglected to learn what they ought to know about positive spirituality. The effect of this negligence is evident in the lives of the children of God everywhere on earth today. The Greatest Encounter is an eye opener, it takes the guess work out of developing a strong and effective relationship with the Almighty creator, Jesus Christ Glorified.

"Knowledge is power to those who have it and use it."

love of God is a key that will grant you access to every other thing in the Kingdom. Generally speaking, in the body of Christ, anytime we talk of love, we give it a feminine expression. But when we talk of faith, it looks masculine because faith requires moving mountain. However, you will be learning tonight that the most powerful force on earth is love. I want to show you a key that will render Satan helpless and turn every challenge in your life to victory. It is a very powerful mystery. In fact my name, Selman, means the way to love. I have studied so much about love but it is only in recent times that God began open me up to show me the depth, riches and

unfathomable dimension and advantage a man can have by walking in love

An altar is a gateway between the realm of the spirit and the earth realm that grants unhindered access to certain spirit beings to find legal expression in the earth. An altar is a legal landing spot of the spirit on the earth. An altar is an altar because of the presence of sacrifice, the realm of the spirit wants to interact with the realm of the earth legally and vice versa because the inhabitants of the earth knows that without the realm of the spirit they are limited in the possibilities that they can produce, they call for the assistance of these spirit beings. In

agreement to bring these possibilities to the inhabitants of earth, the spirits give their conditions, certain things that can create a habitation that will look exactly like where they are coming from and then they summarize their demands in what they call sacrifice and they ask men to raise certain structures and put certain sacrifices. The kind of sacrifice on the altar depends on the kind of spirit that wants to access the earth, the absence of sacrifice on an altar makes it unqualified to be called an altar, thus, the sacrifice is what makes it an altar and the kind of spirit to whom the altar is raised determines whether the altar will be a good one or a bad one. Leaders everywhere, in arenas big and small, struggle with the desire and, frankly, the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question "what will be my legacy?" is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team

for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition The Leadership Dilemma Living Beyond Your Generation The Principles of Mentoring PASSING IT ON shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who are in line with the goals of the

organization; leaders who are most likely to adopt and carry a vision forward.

A Call to Honour, a Biography of Apostle Joseph Ayo Babalola

We will be discussing the economic system of the kingdom of God, and we need to

understand that the battle for wealth and prosperity is not just about the desire to use money to prove a point to people around you, but that there is a program and there is an agenda that is bigger than the personal interest of men, its important to get this, that prosperity is not just about the propriety for affluence but it's the time redemption strategy. Paul was teaching the church in Ephesus and he admonish them to redeem time and he said the reason why they should redeem time is because the days were evil and the days are still evil, so we must access the system of God that makes up time for redemption, also in my previous message, I also spoke about

preserving our soul while we prosper, that satan is not after your money, he's not after real estate, he's not after any of these things, he's after the souls of men and that he will use the journey or your desire or your need for financial prosperity to force you to exchange your souls the kind of prosperity that he gives and the bible says what shall it profit a man to gain the whole world and then loses his soul. The Mystery Of The Blood Independently Published
 The Significance of

Blood This is the common ground for every religion I know including the occultic. They respect blood and they have something to do with blood. Right from the garden of Eden, we begin to see how that when man fell, God Himself stripped a bloody lamb and used it to cover Adam and Eve. Right from the garden of Eden, there was the shedding of blood. Then all through the old covenant, we see the shedding of the blood of bulls. But the question I have is that what is it about blood that makes it effective? Why not the flesh? Why not water? Is it the colour of the blood? Is it anything that is just red in the human body? Many people know that the blood saves, but we do

not know what is it in the blood that is so powerful that even Satan and death- the last enemy to be destroyed, can respect it. Read This Book and Understand the great mystery of the blood

In *Understanding the Purpose and Power of Authority*, best-selling

author Dr. Myles Munroe turns the widely accepted but counterfeit concept of authority upside down. Then, he reveals God's original intent, showing us how to live in the freedom of our own personal authority in God's great design and to respond positively to the inherent authority of others. Many people view authority as something oppressive, stifling, and even fearful. All of us hate to be controlled or manipulated. Our negative concepts and experiences of authority produce life-draining emotions—fear, distrust, suspicion, friction, defensiveness, antagonism, stress, worry, and dread. Others have a limited perspective of what authority means,

believing that only people who reach a certain “level” in life can exercise it. They don’t believe they could ever be called to a place of authority. The truth is, we were all created for authority, and we are all answerable to the authority of others. Authority is what we’re authorized to do by our inherent purposes. You have a God-given calling to develop your own personal authority to carry out your unique purpose in life.

We are submitting ourselves to the dealings of the Spirit day after day, week after week, month after month. We are subjecting ourselves as students in the spirit allowing Him to change

us and bring us into the comprehension of Kingdom realities. Because a time will come when the dividends of this sacrifice will appear unto all and we want to position ourselves. We are not careful to admit that not everybody is opened to the things of the Spirit especially in this day and age where there are all kinds of Christian distractions. The church of Christ has become a place where ethics of religion are taken as usual. But the presence of Christ and His body ought to be a place of freshness where we can communicate to the world what the spirit of the Lord is doing at every given time. Read This Book and Be Blessed

Burden Of Freedom

 There are certain
 doctrines that are
 considered
 foundational to the
 understanding of any
 believer, when you get
 born again, you don't
 just grow haphazardly,
 you don't grow
 carelessly. It matters a
 doctrine that are
 introduced to a
 believer at his
 encounter with Christ.
 This will guide the
 efficiency of your
 growth or otherwise.

Not every dimension of knowledge is needed at every time, it is important that the information that are supplied believers especially as they grow are strategic enough to be able to make their growth useful, it's like building, after you lay a foundation the next thing is not a sink, if you put a sink you are going to destroy the building, you cannot say you have a house, a sink is part of the requirement but there will be a time for sink. So theologically there are some certain foundational truths and I believe one of the reasons why believers are not very matured is because there is a haphazard communication of spiritual truth and realities. It is my considered opinion and

it is also theologically agreed is that when believers come into Christ, the first thing they need to know is to have a thorough understanding of what we know and believe is the finished work of Jesus. That is the very next foundational understanding, there is no point teaching them about money, there is no point teaching them about service in the ministry, if they stumble across a service where that is being taught well that is alright but when you are training and building people there is a system. 1Co 2:12 Now we have received, not the spirit of the world, but the spirit which is of God;

that we might know the things that are freely given to us of God. So the bible starts there, by telling us there is a mystery shrouded by the wisdom of God and it is called the hidden wisdom of God and that this hidden wisdom has been kept for the of the saints, please understand and that the bible says this wisdom is not the same as the wisdom of the world nor of the princes of this world that comes to naught. He is trying to show the un-surpassing excellency of this hidden wisdom that relative to the wisdom of the world and relative even to the wisdom of the princes of the world, it comes to naught, it can't be compared, but he says that this wisdom is

hidden and that there is only one entity mandated with the responsibility of searching out this wisdom and bringing it to the saints but the bible says whoever by any means can access that wisdom, the destiny of that person regardless is the glory that it was hidden for, the glory of the saints, that means that I can look at your life and know that you have accessed that wisdom by the dimension of glory that vetoes your background, the dimension of glory that vetoes the limitation of glory around your life. There is a mystery that can lift men out of the grip of the terror and the vicissitude of this life, the bible says it is the hidden wisdom of God, a body of information privy to

the seen that the holy spirit can grant you access to, that if by any means my brothers and sisters, regardless of your background, that you hold on to this wisdom, then your world will see you as a wonder and a marvel, they look at you and they see attributes that are not allowed for humans to have, your hidden wisdom revealed by the spirit.
