The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half-century. In nearly

2,000 pages and 4,000 signed entries, this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas, as a cradle of abolitionism and feminism, and as an apex of modern urban, suburban, and rural life. The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history. Did you know that

Manhattan's Lower East Side was once the most populated neighborhood in the world, but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi; New York is the only state to border both the Great Lakes and the Atlantic Ocean; the Erie Canal opened New York City to rich farmland upstate . . . and to the west. Entries by experts chronicle New

York's varied areas, politics, and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads, weaving the state's diverse regions and peoples into one idea of New York State. Lavishly illustrated with 500 photographs and figures, 120 maps, and 140 tables, the Encyclopedia is key to understanding the state's past, present, and future. It is a crucial

reference for students, teachers, historians, and business people, for New Yorkers of all persuasions, and for anyone interested in finding out more about New York State.

Building Inspector II

New York State Directory Tom Murphy, and his family, lived in Buffalo NY. At various times he was employed as a landscaper, appliance salesman, insurance

agent, real estate developer, and civil servant. He worked for, and with, some of Buffalo's most noted, and controversial business and political figures, including Joseph N Desmon, Harold Farber, Robert J Bradley, Philip B Schwab, Edward H Cottrell, as well as Frank Sedita, Stanley Makowski and Jimmy Griffin. Murphy loved each and every job, and yet he always

found time to laugh and to play with friends and family.

What's the point if I leave

everything exactly the way I find it? Then I'm just adding to the notice, then I'm just taking up some more room on the subway. Five months ago I forgot what day it was. I'm on the subway on my way to work and I didn't know what day it was and it scared hell of me!
