Three Hundred Important Combinations is intended to provide knowledge of the Yogas which indicate specific horoscopic trends. All planetary combinations are divided into two groups viz., Yogas and Aristhas or fortunes and misfortunes. It deals with various standing combinations of yogas. The systematised account of all the important yogas is brought out so that it may illustrate practical horoscopes. The book certainly claims credit for being the first to bring together all scattered information and present it systematically. *The Key of Life* The NakshatrasThe Lunar Mansions of Vedic Astrology

The telling of mythic stories has always been a powerful form of therapy, bringing healing to people facing adversity. The greatness of Saturn is such a therapeutic myth, told and retold through many centuries. Taken from the East Indian Vedic tradition, it honors the planet Saturn, who personifies time, limitations, loss, and all forms of adversity.

Over a decade of dedicated research! Over a year of writing and editing! With the blessings and guidance of a swami, a babaji, and a Sanskrit scholar, Vic DiCara presents you the world's most definitive, simple and completely awesome explanation of the mythology and meaning within the 27 stars of ancient Indian astrology! If you are an astrologer or a fan of astrology, you will be transformed by Vic's radically clear and straightforward explanations of Sanskrit, Vedic mythology, and mastery of intuitive symbolism. If you are a lover of India and her culture, you will delight in these deep revelations and rare expositions of familiar gods like Vishnu, not-so-familiar gods like Varuna, and nearly forgotten gods like Ajaikapat. If you are a spiritual seeker, you will discover the origin of the universe, the meaning of life, and essential clues in the eternal quest for the "fountain of youth." The 160 pages of this book are abundantly replete with exact references and footnotes to satisfy the scholars among you. The book is dripping with dramatic storytelling, filled with philosophy as clear and deep as a Himalayan lake, and precisely presents the perfectly useful

astrological symbolism of the divine stars.
* * "If there is anything Vedic and spiritual about Hindu astrology, then this is the book that can teach us about it. Vic leads us into the wonderful depths of Vedic wisdom by relating the myths connected with each of the 27 lunar mansions and their deities. Using this approach, this book goes considerably deeper than other Jyotish textbooks I have seen. Warmly recommended, even to non-astrologers! Can we hope for follow-up book about the Hindu planetary deities?" - Dieter Koch, Indologist and Archaeoastronomer Co-creator of the Swiss Ephemeris "Vic DiCara's exploration and definitive research on the lunar mansions brings the primordial zodiac alive with the rich symbolism and sacred stories of Indian lore. We often forget that the basis of Vedic astrology will always be the mystical mythology associated with Jyotish, the science of light. Mr. DiCara's brilliant text illuminates our path home to the divine through his deep understanding and the blessings of the gods and goddesses of ancient India" - Dennis M. Harness, Ph.D. Psychologist, Writer and Vedic Astrologer "27 Stars, 27 Gods is a fantastically deep

book about the fixed stars of Vedic astrology. It is well written and well researched, and is a clear and enjoyable read! I highly recommend it for everyone from astrologers to yogis and everyone in between." - Juliana Swanson, RN ACVA Teacher, Jyotish Visharada & Kovid More than a journey through the outer universe of astrological stars, 27 Stars 27 Gods is a journey through the driving forces of the subconscious inner universe. By helping us identify these influences Vic DiCara helps us understand ourselves better and progress more smoothly on our life's journey. 27 Stars 27 Gods can be a reference book in the hands of an experienced astrologer, but it is also a self improvement tool for any reader interested in exploring life in depth. It presents symbols, mythology, ancient storytelling and divine lila in language that immediately catches one's interest and speaks to us like a friend - never prescriptive, but always revealing our opportunities. Let me congratulate Vic on this unique book. Unlike most books in the spiritual market, this is not at all a copy of a copy. It is an outstanding new addition to our knowledge, written with an

inspired pen of intensity and wit. - Sripad Sacinandana Swami Vaishnava Guru & Sanyassi

Vedic Astrology for Beginners Lulu Press, Inc

It is common knowledge that the 12 star-signs map the sky and set the stage for the drama of life. This book expands this awareness manifold by revealing that it is the 27 constellations, and not the 12 signs, which truly map the ecliptic and provide the celestial backdrop for affairs on earth. Instead of taking away from the widely recognized meanings and significations of the 12 signs, they enrich them with a whole new depth of perspective and interpretation.

Astrology of the Seers is a clear yet comprehensive presentation of Vedic astrology and makes this difficult-to-understand subject clear, practical and relevant. It reveals the deeper implications of the Vedic system in sections on astrology as a spiritual science, astrology and psychology, astrology and yoga. Of special interest, the book explains the cycle of the world-ages (yugas), showing the Vedic view of human history, and the connection of our solar system with galactic sources of energy. Thirty-two example charts of all types are explained including those of many spiritual teachers, covering all the main aspects of its philosophy, background and practice, including chart interpretation and methods of balancing planetary influences such as mantra and gem therapy. The present edition has been thoroughly revised and updated.

The Real Secret Behind the 12 Star-Signs Revealed Independently Published
Unique to Vedic Astrology, nakshatras are constellations that add more depth to horoscope analysis. Learn about the 27

nakshatras, starting from Ashwini all the way up to Revathi, and uncover their secrets. You know the 12 zodiac signs, but did you know each sign can be further subdivided into nakshatras which changes the flavor of the sign ever so slightly? In this book, you will learn about each of the 27 nakshatras, its sign, its planetary ruler, its ruling deity, its qualities and its full array of characteristics (both positive and negative). This will help you delve much deeper into the personality of the native. You will then look at a real life example (the horoscope of a former president), and look at how the nakshatras in his chart defined him as a person and a leader.

This is a book that I would recommend to anyone who is thinking of learning Vedic Astrology. Congratulations Ronnie on a job well done. I would recommend this book to the newcomer to vedic astrology a worthy contribution to the limited although expanding number of vedic books. A dazzling tour de force on a topic that needs elucidation for modern astrologers. Readers thinking about taking a dip in the

ocean on vedic astrology will find this book an excellent place to wade in. Vedic veterans will benefit from Ronnie's valuable new material on planetary combinations.

This book provides an excellent introduction to the essence of Hindu Tantrism, discussing all the major concepts and correcting many existing misconceptions.

Nakshatra - The Authentic Heart of Vedic Astrology Motilal Banarsidass

The Nakṣatra Sūtra is a treasure found in the Taittirīya Brāhmaṇa, a branch of the ancient Yajur Veda. Because of this, it holds unique importance and unparalleled authority among nakṣatra texts, for it allows us to understand the nakṣatras in much clearer accord with the Vedic sages who originally envisioned them. I also supplement the book with other sections from the Taittirīya Brāhmaṇa that also talk about the nakṣatras, and with a section entitled, The True Story of the Nakṣatra Gods: a dramatic narration of the 27 nakṣatra divinities, focused on what is

most relevant to their nakṣatra's symbolism. This original work pulls together diverse Purāṇic and Vedic source material to paint a vivid picture of often unknown tales and details essential for fully understanding the subtleties of the 27 Vedic stars.

The Lost Zodiac of the Goddess Lotus Press (WI)

The notion that astrologers can unfold lives and reveal what waits at the next bend is a thought that comes to all and populist claims have inspired the author to come up with a series of books that will discuss the various aspects in astrology, putting together the research and findings by various groups and the experience gained during his journey. The purpose of the encyclopedia is an attempt to put a clear understanding of the process of astrology, taking into account the first basic principles and dealing with different

topics. The encyclopedia which would consist of over eighteen books, is intended to be brought out over a period of two years. These would cover the basics in astrology and then go on to the predictive techniques, the nadi astrology, tajik, yogas, nakshatras, rectification of birth time, vargas, dashas, mundane prashna, muhurta, remedy and other aspects of interest. The advantage of this would be that both students and those who want to pursue research can progress the understanding of this science in a systematic manner. Also the complete set will be of great value to those in India and abroad who want to understand various levels and will give them the flexibility of dwelling into the complexities in a coherent manner. With the growing interest to learn this science in various countries, the readers there will find this series of books very useful. This is the first book in the series and is the most

important. The foundation is based on the principles of basic astrology propounded by various schools of thought. The book covers signs, their impact, the planetary impact in each sign, the role of depositors, details on each planet and their relationship when in aspect and in the divisional charts as also the complexities they can pose. This book attempts at conveying that the basic importance has to be given to the planets, their placement and various relationship as a result of the same. The yogas, dasha, nakshatras etc. will be dealt in the other books that follow, but all have to be applied keeping in mind the first basic principles that are being enumerated in this book.
