All she wants for Christmas is to keep her family together. Miss Martha Cratchit is barely making ends meet. As a woman who once belonged to high society, options to secure a better income are limited. Blessedly, the aging vicar agrees to pay Martha if she will clean the church house for him. He even agrees to keep her employ a secret, allowing her to keep what little standing she has left in society. Hopefully, the coin she earns will be enough to keep her and her two brothers housed and fed. It is a tenuous plan, but it is all she has. Peter De Ath, Duke of Pembroke, hates everyone and everything; he has no qualms with his reputation as the Silent Duke. He's been alone nearly all his life and is content to remain so. All he needs is a few minutes a week, alone in the church house, to commune with the one being who won't judge him for his incurable stutter. When a wisp of a young woman stumbles upon him in the church house, Peter finds his solitude shattered. Martha, for her part, is far too terrified of the Silent Duke to wish herself anywhere but far away from him. But fleeing isn't an option; the cost of caring for her ailing grandfather is growing and she's running out of options. It seems this Christmas may be the one that finally breaks her family apart. *The Peace of Christmas Yet to Come* is the third and final in *A Dickens of a Christmas* series.
