 Earth. 116 years after the fall. Giala and her tribe live amongst the ruins of a metropolis turned upside down. When a gang of slave traffickers attacks them, the men are executed and the women are enslaved. Narrowly escaping, Giala has only one thing in mind: to rescue the children of the tribe and set things right. A dystopic tale of revenge and discovery, as the central heroine encounters new allies and enemies in her search for security and justice. Along the way she meets a band of mutants with strange powers that will ultimately lead to the discovery of the ultimate secret: the source of the cataclysm that led to the Fall... A mystical post-apocalyptic tale, lushly illustrated by the modern and flamboyant design work of artist Juzhen. A self-concluding adventure.

The Fall, Volume 1 IDW Publishing

THE FALL is an experimental graphic novel about Satan's fall from power by author and artist Q. But this reinvention of the classic mythological tale of war in heaven is told from one of the Devil's minions' perspective. This illustrated Q&A with a fallen angel ~ where the author Q interviews a fallen angel A ~ tells the strikingly remorseless story of Archangel Lucifer's struggle for power and fall from heaven after his failed rebellion against the Almighty. It is a story about the struggle for power unlike any other, and yet it feels so familiar that it cannot help but be seen as the story of each and every one of us. And though you would expect a sympathetic telling of Satan's story from one of his fallen angels, it will surprise and succeed by being a stark and unforgiving tragedy of mythic proportions that spares no one, least of all Satan. "The Fall is an elegant and thought provoking

meditation on power, love and fear." ~ NYC painter Charles Schick.

Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, he's got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot---sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to visit him.

When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.
