**Teología sistemática** Wm. B.  
Eerdmans Publishing

With a strong emphasis on the scriptural basis for each doctrine—what the whole Bible teaches us today about a particular topic; clear writing, with technical terms kept to a minimum; and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, Making Sense of the Bible is required reading for understanding the relevant

passages of Scripture. Topics include Canon of Scripture: the list of all books that belong in the Bible; Authority of Scripture: all words in Scripture are God's words because that is what the Bible claims for itself; Clarity of Scripture: the Bible is written so that its teachings are able to be understood by all who read it; Necessity of Scripture: the Bible is necessary for knowledge of the gospel; and Sufficiency of Scripture: Scripture contains all the words of God he intended his people to have. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, Making Sense of the Bible helps

readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Have you ever prayed for a sick friend? Does God heal today? If so, why are so many people in pain around us? We have all heard stories of miraculous healings. But can we believe them? Why are some people healed and some not? Does God give ordinary Christians the authority to heal? As Ken Blue explores these questions he found plenty of answers, but none that satisfied him. He wanted answers that were true to Scripture and true to a loving and just God. His search into the Bible and into the ministry of healing has produced a rich and very human book. Here is a

book for everyone who has ever prayed for a sick friend.

**"Fundamentalism" and the Word of God** Crossway

Considered one of the classics on Systematic Theology, the book covers all the basics on the reality of God, the atonement of Christ and the final state of man and the last things. Anyone who wishes to study theology would be wise to read this book as many in the Reformed tradition hold that it is a landmark in its field. It is arguably the most important twentieth century compendium of Reformed Theology. 'The work seemed particularly important to me', writes the author, 'in view of the widespread doctrinal indifference of the present day, of the resulting superficiality and confusion in the minds

of many professing Christians, of the insidious errors that are zealously propagated even from the pulpits, and of the alarming increase of all kinds of sects.

"La iglesia existe por la misión, al igual que el fuego existe por la combustión". Con estas palabras de Emil Brunner, el autor nos recuerda que ser la iglesia es estar en misión. Después de describir las diferentes cautividades de la misión, que han subyugado al cristianismo de los Estados Unidos, el autor lucha para exponer una fuerte y comprometida práctica de la misión, comenzando en las congregaciones locales y extendiéndose hasta la comunidad más amplia. Este libro de *Introducción a la Misión*, puede ayudar a estudiantes de seminario, y a

grupos de estudio de laicos, a conocer el mandato cristiano fundamental y unirse a la misión de Dios en el mundo. "The church exists by mission as fire exists by burning." With these words of Emil Brunner, the author reminds us to be the church, is to be in mission. After describing the various captivities of the mission, which subjugated to Christianity in the United States, the author struggles to expose a strong and committed practice of mission, beginning in local congregations and extending to the broader community. This book *Una Introducción a la Misión* can help seminary students and lay study groups to learn the fundamental Christian mandate and join God's mission in the world.

Writing from the perspective that the coming of God's kingdom is both present and future, Hoekema covers the full range of eschatological topics in this comprehensive biblical exposition. The two major sections of the book deal with inaugurated eschatology (the "already") and future eschatology (the "not yet"). Detailed appendix, bibliography, and indexes.

Systematic Theology InterVarsity Press  
Con varios cientos de páginas de contenido nuevo, esta nueva edición ahora incluye las siguientes características distintivas: Análisis actualizado y completo de varias controversias recientes dentro del evangelicalismo, incluida la relación eterna entre el Padre y el Hijo en la

Trinidad, la cuestión de la eternidad atemporal de Dios, el papel de la mujer en la iglesia, las iglesias «sensibles al buscador», los dones milagrosos del Espíritu Santo y música de adoración contemporánea. Nuevas y reflexivas críticas al teísmo abierto, la «nueva perspectiva sobre Pablo», el Molinismo o «conocimiento intermedio», la teología de la «gracia libre» y la visión preterista de la segunda venida de Cristo. Completamente revisado, un capítulo más fuerte sobre la claridad de las Escrituras. Completamente revisado, un capítulo más fuerte sobre la creación y evolución (incluyendo una crítica más larga de la evolución teísta). Nueva discusión sobre cómo la inerrancia bíblica se aplica a algunos «versículos problemáticos» específicos en los

Evangelios. Material adicional que explica respetuosamente las diferencias evangélicas protestantes con el catolicismo romano, el liberalismo protestante y el mormonismo. Bibliografías completamente actualizadas. Una explicación de por qué los monógenos en Juan 3:16 y en otros lugares deben traducirse como «unigénito» en lugar de simplemente «solo» esto es un cambio de la primera edición. Una canción de adoración contemporánea agregada al final de cada capítulo (conservando también los himnos tradicionales). Otras numerosas actualizaciones y correcciones. Parte de la brillantez de la Teología sistemática a lo largo de los años ha sido su simplicidad y facilidad de uso. Cada capítulo sigue la misma estructura.

Primero, se discute la doctrina que se está considerando, como la justificación o la Trinidad o la deidad de Cristo. Una explicación de dónde se apoya esa doctrina en la Biblia y siguen las posibles objeciones. Luego se proporcionan la aplicación personal y los términos clave que se deben conocer para el crecimiento personal. Los capítulos también incluyen un pasaje de memoria de las Escrituras, referencias a otra literatura sobre el tema e himnos sugeridos y canciones de adoración. Si eres alguien que piensa que la teología es difícil de entender o aburrida, entonces esta nueva edición de Teología sistemática probablemente te hará cambiar de opinión. Systematic Theology, Second Edition The most widely-used text of the last 25 years in

its discipline, *Systematic Theology* by Wayne Grudem has been thoroughly revised and expanded (all 57 chapters) for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. Part of the brilliance of *Systematic Theology* over the years has been its simplicity and ease of use. If you are someone who thinks theology is hard to understand or boring, then this new edition of *Systematic Theology* will likely change your mind.

**The Revelation of God** Abingdon Press  
This modern classic by the author of *Knowing God* provides a comprehensive statement of the doctrine of Scripture from an evangelical perspective. J. I.

Packer explores the meaning of the word "fundamentalism" and offers a clear and well-reasoned argument for the authority of the Bible and its proper role in the Christian life.

*Biblical Doctrine* Crossway

In an age characterized by skepticism and ignorance of the Holy Scriptures, this timely volume clearly sets forth the biblical truths and teachings that long have been cherished by Christians. Virtually a classic for this century, *Major Bible Themes* includes chapters on doctrines that merit particular attention in the contemporary religious scene, such as the Holy Spirit, the nature of the Church, and the second coming of Christ. Designed for group and individual study, for pastors, laymen, and students, *Major Bible Themes* is an indispensable

tool, providing the biblical basis for fifty-two doctrines, complete with topical and Scripture indexes. Questions for discussion and review follow each chapter. Whether your purpose is to explore Bible doctrines as a new Christian, to erase confusion stemming from conflicting views in the contemporary church, or to establish a stronger basis for witnessing to your beliefs, *Major Bible Themes* is essential for study and reference.

*Systematic Theology* Editorial Mundo Hispano

El mundo cristiano de habla hispana, aunque sin llegar a disfrutar de la amplia oferta del mercado anglosajón, ha tenido la suerte de contar, a lo largo de los últimos años, con excelentes traducciones de algunas de las mejores

obras de Teología Sistemática publicadas en inglés: la de Charles Hodge (CLIE), la de Louis Berkhof (Libros Desafío) y la de Stanley M. Horton (VIDA) entre otras. Todas ellas provienen, sin embargo, de un contexto cultural ajeno, lo que ha motivado a que algunos afirmaran que los cristianos evangélicos latinoamericanos dependían, también en lo teológico, de los Estados Unidos, como meros centros de distribución de una teología traducida del inglés y empacada en una cultura que no era propia. Raúl Zaldívar deshace este estigma con la aportación de la primera Teología Sistemática escrita por un latinoamericano, desde una perspectiva latinoamericana, y con un enfoque latinoamericano. En ella, no tan sólo analiza con amplitud la historia del

pensamiento teológico latinoamericano, sino que plantea además una orientación latinoamericana para cada uno de los múltiples apartados de la teología; Teología Propia, Antropología, Hamarteología, Soteriología, Eclesiología, Escatología, Cristología, o Pneumatología, abordando, inter alia, en un análisis en el contexto de la revelación divina, temas tan candentes en latinoamérica como el de la deuda externa, la corrupción, los problemas de violencia, el ajuste estructural económico. Su propósito está en establecer un puente entre la realidad latinoamericana y el texto bíblico, para hacer más viva y eficaz la Palabra de Dios. En lo que respecta a temas doctrinales en particular, no adopta un enfoque denominacional, antes bien,

haciéndose eco del pluralismo teológico y litúrgico distintivamente evangélico, presenta el punto de vista de las diferentes Iglesias. Una obra totalmente novedosa, tan importante en su temática como elaborada en su contenido. Útil no tan solo como libro de texto de teología sino también como base para cursos de introducción al pensamiento cristiano.

### **Introducción a la teología cristiana**

Nazarene Publishing House

Written by a Presbyterian preacher in the 1800's this book is revered by some and considered heresy by others. The arguments given in Finney's various lectures will cause many to consider their own positions and seek to justify what they believe. Finney deals with many different subjects going from moral law, government, love, depravity

and other diverse but important subjects. Regardless of what your own position on these subjects are, this work is a good masterpiece of religious thought but the ideas and reasons for Finney's arguments may leave theologians wondering if such thinking is something we should be keeping around.

It is often said that the doctrine of the Trinity was implicit in the religion of the New Testament Christians but only received theological formulation when

their successors reflected on the faith by which they were living. Mr. Wainwright sets out to discover how far the writers of the New Testament were conscious of the problem involved in their faith which led to the working out of the doctrine by their successors. His conclusion, based upon a meticulous examination of the evidence, is that, although they made no formal statement of the doctrine, the problem was present in their minds and that they were seeking to answer it. So, in so far as doctrine is an answer to a problem, the doctrine of the Trinity emerges in the New Testament, and is far from being a speculation inessential to the Christian message.

Bible Doctrine Zondervan Academic Biblical. Historical. Evangelical. Deals with the doctrines of Jesus Christ, the

Holy Spirit, salvation, how to become a Christian, the church, and the last times. **Major Bible Themes** Wm. B. Eerdmans Publishing

Jesus came to seek and to save the lost, paying particular attention to the downtrodden and the poor. As followers of Jesus, Christians are called to imitate his example and reach out to those who have the least. This book offers biblical guidelines and practical strategies for reaching those on the margins of our society with the gospel of Jesus Christ. The authors—both pastors with years of experience ministering among the poor—set forth helpful “dos” and “don’ts” related to serving in the midst of less-affluent communities. Emphasizing the priority of the gospel as well as the importance of addressing

issues of social justice, this volume will help pastors and other church leaders mobilize their people to plant churches and make an impact in “hard places”—in their own communities and around the world.
