### Last Song Before Night MCD

A young prince joins forces with a master wizard on a journey to discover a cause and remedy for the loss of magic in Earthsea.

### The Proof House Houghton Mifflin Harcourt

The windswept isles of Earthsea were famous for wizards, and the greatest was Ged. Hungry for power and knowledge he tampered with long-held secrets and

loosed a terrible shadow upon the world.

### Amos & Boris Turtleback

A wizard enters the underground domain of Ahra, high priestess of the Powers of the Earth, in an attempt to steal her palace's greatest treasure.

### Tehanu HarperCollins

A collection of one of the most-beloved and influential fantasy works of all time. The series follows two main characters: Ged, who grows from an arrogant boy to one of the most powerful mages Earthsea has ever known; and Tenar, who escapes her fate as a child-priestess, and must

fight for a life of her own. Filled with soaring, dangerous and beautifully-spun magic; evocative, sweeping settings; and extraordinarily vivid, emotionally complex characters, once read, the Earthsea series will never be forgotten.

### **Tombs of Atuan** Tor Books

The Daughter of Odren is a short story of betrayal and revenge set in the world of Earthsea, in which Weed, the daughter of Lord Garnet, waits for the day she will have her father back. For fourteen years, Weed, as she is called, the daughter of Lord Garnet, has brought offerings to the

standing stone. Alone in a shallow valley, she implores the stone not to forget her. To remember who he is and the life he led. To wait until the day he will be avenged. Now the day has finally arrived. After fourteen long years of waiting, he will have his revenge and she will have her father back. Or will she? Master storyteller Ursula LeGuin takes readers back to Earthsea with this hauntingly beautiful story of betrayal and revenge.

**And Then I Woke Up** Tor Books

The gripping, hugely entertaining conclusion of K.J. Parker's Fencer Trilogy. After years spent in the saps under the defenses of the apparently impregnable city of Ap'Isctoy, Bardas Loredan, sometimes fencer-at-law and betrayed defender of the famed Triple City, is suddenly hero of the Empire. His reward is a boring administrative job in a backwater, watching armor tested to destruction in the Proof House. But the fall of Ap'Isctoy has opened up unexpected possibilities for the expansion of the Empire into the land of the Plains people, and Bardas Loredan is the one man Temrai the Great, King of the Plains tribes, fears the most.

The Books of Earthsea Mariner Books

Amos the mouse and Boris the whale: a devoted pair of friends with nothing at all in common, except good hearts and a willingness to help their fellow mammal. They meet after Amos sets out to sea in his homemade boat, the Rodent, and soon finds himself in extreme need of rescue. Enter Boris. But there will come a day, long after Boris has gone back to a life of whaling about and Amos has gone back to his life of mousing around, when the tiny mouse must find a way to rescue the great whale. The tender yet comical story of this friendship is recorded in text and pictures that are a model of rich simplicity. Here, with apparent ease and concealed virtuosity, Caldecott medalist William Steig brings two winning heroes to life. Amos & Boris is a 1971 New York Times Book Review Best Illustrated Book of the Year, Notable Children's Book of the Year, and Outstanding Book of the Year.

**Dreams Must Explain Themselves**

Simon and Schuster

In February 2019, award-winning writer Alex Roddie left his online life behind when he set out to walk 300 miles through the Scottish Highlands, seeking solitude and answers. In leaving the chaos of the

internet behind for a month, he hoped to learn how it was truly affecting him – or if he should look elsewhere for the causes of his anxiety. The Farthest Shore is the story of Alex's solo trek along the remote Cape Wrath Trail. As he journeyed through a vanishing winter, Alex found answers to his questions, learnt the nature of true silence, and discovered frightening evidence of the threats faced by Scotland's wild mountain landscape.

*A Wizard of Earthsea* Candlewick Press

Setting the standard for high fantasy, this first installment of the EarthseaCycle trilogy is written by award-winning author LeGuin, winner of the Nebula and Hugo Awards.

The Dream-Quest of Vellitt Boe J L Barrett  
Writer

When the prince of Enlad declares the wizards have forgotten their spells, Ged sets out to test the ancient prophecies of Earthsea.

**Finding My Elegy** Houghton Mifflin

Harcourt

A wizard enters the underground domain of Ahra, high priestess of the Powers of the Earth, in an attempt to steal her palace's greatest treasure.

*No Time to Spare* Little, Brown  
When Sparrowhawk, the Archmage of Earthsea, returns from the dark land stripped of his magic powers, he finds refuge with the aging widow Tenar and a crippled girl child who carries an unknown destiny.

*Earthsea Revisioned* Simon and Schuster  
'The magic of Earthsea is primal; the lessons of Earthsea remain as potent, as wise, and as necessary as anyone could dream' Neil Gaiman Ursula K. Le Guin's Earthsea Cycle has earned a treasured place on the shelves of fantasy lovers everywhere, alongside the works of such beloved authors as J.R.R. Tolkien and C.S. Lewis. When young Tenar is chosen as high priestess to the ancient and nameless Powers of the Earth, everything is taken away - home, family, possessions, even her name. For she is now Arha, the Eaten One, guardian of the ominous Tombs of Atuan. While she is learning her way through the dark labyrinth, a young wizard, Ged, comes to steal the Tombs' greatest hidden treasure, the Ring of Erreth-Akbe. But Ged also brings with him the light of magic, and together, he and Tenar escape from the darkness that has

become her domain.  
Crowns & Swords Simon and Schuster  
Life proclaimed this long-unavailable classic the "first authentically colloquial and breezily American nursery rhyme" when it was published in 1971. Now it is back for new generations to enjoy! All of Clyde Waterson's verses have what School Library Journal calls the "foot-stomping rhythm of an American square dance call." Some feel cozy and nostalgic; others are silly. Many evoke the pleasures of changing seasons. But they all keep readers and young listeners entertained, page after page. Wendy Watson's fully imagined and finely detailed pictures of the splendid fox family, at home and on joyous outings, will make children giggle. As The New York Times Book Review explains, "Put it all together -- rhymes and pictures -- and the book is like a breath of fresh air."

A Wizard of Earthsea \* The Tombs of Atuan \* The Farthest Shore \* Tehanu Ged is but a goatherd on the island of Gont when he comes by his strange powers over nature. Sent to the School of Wizards

on Roke, he learns the true way of magic and proves himself a powerful magician. And it is as the Archmage Sparrowhawk that he helps the High Priestess Tenar escape the labyrinth of darkness. But over the years, Ged witnesses true magic and the ancient ways submit to the forces of evil and death. Will he too succumb, or can he hold them back?

*The Daughter of Odren* Del Rey  
Lifelode is the Mythopoeic Award Winning novel from Hugo, Nebula and World Fantasy Award winning author Jo Walton. It was published in hardcover in 2009 by NESFA Press and is now available for the first time as an ebook. At its heart, Lifelode is the story of a comfortable manor house family. The four adults of the household are happily polygamous, each fulfilling their 'lifelode' or life's purpose: Ferrand is the lord of the manor, his sweetmate Taveth runs the household, his wife Chayra makes ceramics, and Taveth's husband Ranal works the farm. Their children are a joyful bunch, running around in the sunshine days of the harvest and wondering what their own lifelodes will be. Their lives changed with the arrival of two visitors to Applekirk: Jankin the

scholar and Hanethe, Ferrand's great grandmother and the former lord of the manor, who has been living for many generations in the East, a place where the gods walk and yeya (magic) is so powerful that those who wield it are not quite human.

*Tales from Earthsea* Vertebrate Publishing With refreshing determination and hopeful grit, humanity activates a bold endgame against an alien invasion in the finale of a series heralded as "a modern classic" (Stephen Baxter) from "one of the finest writers the genre has produced" (Gareth L. Powell). Humanity is struggling to hold out against a hostile takeover by an alien race that claims to be on a religious mission to bring all sentient life to its God at the End of Time. But while billions of cocooned humans fill the holds of the Olyix's deadly arkships, humankind is playing an even longer game than the aliens may have anticipated. From an ultra-secret spy mission to one of the grandest battles ever seen, no strategy is off the table. Will a plan millennia in the making finally be enough to defeat this seemingly unstoppable enemy? And what secrets are the Olyix truly hiding in their most

zealously protected stronghold? With his trademark optimism about humanity's tenacity and capacity for greatness, Peter F. Hamilton wraps up this brilliant saga with a bang—and reminds us why freedom of choice is the most important freedom there is.

'Le Guin's storytelling is sharp, magisterial, funny, thought-provoking and exciting, exhibiting all that science fiction can be' EMPIRE The Unreal and the Real is a two-volume collection of stories, selected by Ursula Le Guin herself, and spans the spectrum of fiction from realism through magical realism, satire, science fiction, surrealism and fantasy. Volume One, WHERE ON EARTH, focuses on Le Guin's interest in realism and magical realism and includes 18 of her satirical, political and experimental earthbound stories. Highlights include WORLD FANTASY and HUGO AWARD-winner 'Buffalo Gals, Won't You Come Out Tonight', the rarely reprinted satirical short, 'The Lost Children', JUPITER AWARD-winner, 'The Diary of the Rose' and the title story of her PULITZER PRIZE finalist collection 'Unlocking the Air'.

*Words Are My Matter* Houghton Mifflin Harcourt

From acclaimed Nigerian storyteller Atinuke, the first in a series of chapter books set in contemporary West Africa introduces a little girl who has enchanted young readers. Anna Hibiscus lives in Africa, amazing Africa, with her mother and father, her twin baby brothers (Double and Trouble), and lots of extended family in a big white house with a beautiful garden in a compound in a city. Anna is never lonely—there are always cousins to play and fight with, aunties and uncles laughing and shouting, and parents and grandparents close by. Readers will happily follow as she goes on a seaside vacation, helps plan a party for Auntie Comfort from Canada (will she remember her Nigerian ways?), learns firsthand what it's really like to be a child selling oranges outside the gate, and longs to see sweet snow. Nigerian storyteller Atinuke's debut book for children and its sequels, with their charming (and abundant) gray-scale drawings by Lauren Tobia, are newly published in the US by Candlewick Press, joining other celebrated Atinuke stories in captivating young readers.

**The Farthest Shore** Bantam a collection of thoughts--always adroit, often acerbic--on aging, belief, the state of literature, and the state of the nation
