MORENO RUSH

Original Death Macmillan

A nature trek turns dangerous when the wilderness gives up its bones... New Zealand's remote Milford Track seems the perfect place for forensic investigator Alexa Glock to reconnect with her brother Charlie, with whom she hasn't spent much time since they were kids. Their backpacking trip seems ill-fated from the start, though, when she must stop on the way to examine nine skeletons—most likely Māori tribespeople—whose graves have been unearthed by highway construction. Before she opens the first casket, a Māori elder gives her a dire warning: "The viewing of bones can unleash misfortune to the living. Or worse." Though Alexa dismisses his words as superstitious, they soon come back to haunt her as the idyllic hike takes a sinister turn. First, Charlie is aloof and resentful of the time Alexa has spent at work. Then a rock avalanche nearly carries her away as it reveals the skeletal remains of someone who has clearly been stabbed to death. When a fellow hiker goes missing and is later found dead, Alexa has all she can do to focus on the science as she investigates two murders, while trying not to become the third victim.

One Man's Wilderness Dean & Son
When Asa Pike, a Bloor's Academy student with the ability to change into a beast at dusk, goes missing, twelve-year-old Charlie Bone suspects a new classmate, the magically gifted Dagobert Endless, of foul play.

Charlie Bone and the Beast

"Edgar-winner Pattison combines action, period details, and a whodunit with ease in his impressive third mystery set in Colonial America." —Publishers Weekly (starred review) Despite the raging war between French and British, Scottish exile Duncan McCallum has begun to settle into a new life on the fringes of colonial America, traveling the woodlands with his companion Conawago, even joining the old Indian on his quest to find the last surviving members of his tribe. But the joy they feel on reaching the little settlement of Christian Indians is shattered when they find its residents ritually murdered. As terrible as the deaths may be, Conawago perceives something even darker and more alarming: he is convinced they are a sign of a terrible crisis in the spirit

world which he must resolve. Trying to make sense of the murders, Duncan is accused by the British army of the crime. Escaping prison to follow the trail of evidence, he finds himself hounded by vengeful soldiers and stalked by Scottish rebels who are mysteriously trying to manipulate the war to their advantage. As he pieces together the puzzle of violence and deception he gradually realizes that it may not only be the lives of Duncan and his friends that hang in the balance, but the very survival of the native tribes. When he finally discovers the terrible truth, Duncan is forced to make a fateful choice between his beloved Highland clans and the woodland natives who have embraced and protected him.

'Reminded me of the very best of the Harry Potter books' Piers Torday, author of *The Last Wild* 'A thrillingly wild adventure - bold, breathless and beautifully told' Jonathan Stroud 'No one does edge-of-seat action like Abi Elphinstone' Emma Carroll, author of *The Girl Who Walked on Air* 'Famous Five or, rather, four, but with messier clothes and fewer home-baked treats for tea' *The Times*, *Children's Book of the Week* Moll Pecksniff and her friends are living as outlaws in a secret cave by the sea, desperate to stay hidden from the Shadowmasks. But further along the coast lies the Amulet of Truth, the only thing powerful enough to force the Shadowmasks back and contain their dark magic. So, together with Gryff, the wildcat that's always by her side, and her best friends Alfie and Sid, Moll must sneak past smugglers, outwit mer creatures and crack secret codes to save the Old Magic. With more at stake than ever before and the dark magic rising

fast, can Moll and her friends stop the Shadowmasks before it's too late? Perfect for fans of J.K Rowling, Piers Torday and Michelle Paver.

Dan Versus Nature Egmont Books (UK)

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Charlie Bone and the Red Knight

(Children of the Red King #8) Henry Holt Books For Young Readers

Throughout history, many people have escaped to nature either permanently or temporarily to rest and recharge.

Richard L. Proenneke, a modern-day Henry David Thoreau, is no exception. Proenneke built a cabin in Twin Lakes, Alaska in 1968 and began thirty years of personal growth, which he spent growing more connected to the wilderness in which he lived. This guide through Proenneke's memories follows the journey that began with One Man's Wilderness, which contains some of Proenneke's journals. It continues the story and reflections of this mountain

man and his time in Alaska. The editor, John Branson, was a longtime friend of Proenneke's and a park historian. He takes care that Proenneke's journals from 1974-1980 are kept exactly as the author wrote them. Branson's footnotes give a background and a new understanding to the reader without detracting from Proenneke's style. Anyone with an interest in conservation and genuine wilderness narratives will surely enjoy and treasure this book.

A GOOD MORNING AMERICA BOOK CLUB PICK "Meet Tomi Adeyemi—the new J.K. Rowling. (Yep, she's that good)."

—Entertainment Weekly After battling the impossible, Zélie and Amari have finally succeeded in bringing magic back to the land of Orïsha. But the ritual was more powerful than they could've imagined, reigniting the powers of not only the maji, but of nobles with magic ancestry, too. Now, Zélie struggles to unite the maji in an Orïsha where the enemy is just as powerful as they are. But when the monarchy and military unite to keep control of Orïsha, Zélie must fight to secure Amari's right to the throne and protect the new maji from the monarchy's wrath. With civil war looming on the horizon, Zélie finds herself at a breaking point: she must discover a way to bring the kingdom together or watch as Orïsha tears itself apart. Children of Virtue and Vengeance is the stunning sequel to Tomi Adeyemi's New York Times-bestselling debut Children of Blood and Bone, the first book in the Legacy of Orïsha trilogy. Praise for Children of Blood and Bone: "Poses thought-provoking questions about race, class and authority that hold up a warning mirror to our sharply divided society." -The New York Times Jake's Bones Skyhorse

From a New York Times–bestselling author, an adventure featuring the ancestor of Charlie Bone, a prince with magical powers, on a quest to find a new home. Timoken is a prince born in a secret kingdom. At his birth, a forest jinni bestows magical gifts upon him: a cloak made by the last moon spider and a youth potion called Alixir. When the peaceful land is attacked, Timoken and his sister, Zobayda, must find a new kingdom to call home. Together, with only the magical gifts and a talking camel, the siblings set off. In this brand-new series, New York Times and USA Today–bestselling author Jenny Nimmo takes readers on an extraordinary quest with one of her most powerful and mysterious characters, the one who started it all for Charlie Bone and the children of the Red King. “Timoken is a highly appealing young hero.”

—Publishers Weekly “Jenny Nimmo has created an original and compelling novel with fascinating details, unique mythology, and an exciting continent-spanning journey. Fans of the popular Children of the Red King series . . . will delight in these new adventures; however, this prequel series stands on its own.” —School Library Journal
Written in Stone Scholastic Inc.

NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. “It may be nonfiction, but *Into the Wild* is a mystery of the highest order.” —Entertainment Weekly
McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all

the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world’s attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. *Into the Wild* is a tour de

force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

The Secret Kingdom Vintage

An eighteen-year-old chieftain's daughter must find a way to kill her village's oppressive deity if she ever wants to return home in *Warrior of the Wild*, the Viking-inspired YA standalone fantasy from Tricia Levenseller, author of *Daughter of the Pirate King*. How do you kill a god? As her father's chosen heir, eighteen-year-old Rasmira has trained her whole life to become a warrior and lead her village. But when her coming-of-age trial is sabotaged and she fails the test, her father banishes her to the monster-filled wilderness with an impossible quest: To win back her honor, she must kill the oppressive god who claims tribute from the villages each year or die trying.

Charlie Bone and the Beast (Children of the Red King #6) Scholastic Inc.

The fifth book in the New York Times bestselling CHILDREN OF THE RED KING series! When Charlie turns twelve on New Year's Eve, the Flame Cats give him a grave warning: Something ancient has awoken, and Charlie must be watchful. Soon Charlie learns that the shadow

from the Red King's portrait has been released, and that it will do anything to keep Charlie from finding his father.

Meanwhile, pets are mysteriously vanishing from the city, and Olivia is in danger of revealing her newfound powers.

Redemption Mountain Feiwel & Friends

A spell-binding new children's book from one of Britain's best-loved authors of fantasy adventure. Perfect for fans of Eva Ibbotson, Inkheart, and the Charlie Bone series. The yellow letter arrived on a Saturday, otherwise Henry would have been at school. The envelope was such a bright, sunny colour, no one would have believed that it contained a bombshell. Less than 10 minutes after the arrival of the mysterious letter, Henry is on the run with his Auntie Pearl, possibly never to return home. Henry has a secret. He is twelve, but he hasn't aged a day since the moment he was thrust a hundred years into the future. Now his secret has put him in danger. His only hope is the protection of the Guardians of the Lost. A wonderfully immersive fantasy book for children aged 9 and up. "A fast moving, dialogue-driven romp with plenty of cliff-hangers for those first hooked into reading by Harry Potter." (The Bookseller on *Midnight for Charlie Bone*).
