Practical Faster Reading provides the basis for a reading improvement course lasting a total of 30 class hours and has proved popular with students and teachers in a variety of settings. Thirty passages covering a wide range of topics of general interest and accompanying exercises give practice in the reading skills needed at upper-intermediate and more advanced levels. Substantial increases in reading speed are usually attained with improvements in comprehension and vocabulary. The full answer key for self-checking also makes this

useful for the student working alone.

Third Edition Hodder Education

The Primary Checkpoints series is designed to provide ready-made stimulating activities.

Familiarises students with a variety of assessment formats, such as, NAPLAN* Thematic units of work covering areas of the curriculum such as reading; language conventions and numeracy to provide students with solid and relevant practice towards assessment tasks at the appropriate Primary level. Each unit of work contains:

- a text type, based on a theme that is relevant to the age and ability level of the student
- reading comprehension
- language convention
- numeracy including mental arithmetic questions and problem solving

Each of the units also includes motivation or encouragement pages in which students complete tasks related to other curriculum areas such as:

- science
- geography
- history
- health
- nutrition and fitness
- social issues

Four Checkpoint Units to be completed in a 'test-like' or as a self-assessment activity. A removable answers insert.

Justin Case is convinced fate has in for him. And he's right. After finding his

younger brother teetering on the edge of his

balcony, fifteen-year-old David Case realizes the

fragility of life and senses impending doom. Without

looking back, he changes his name to Justin and

assumes a new identity, new clothing and new

friends, and dares to fall in love with the seductive

Agnes Day. With his imaginary dog Boy in tow,

Justin struggles to fit into his new role and above

all, to survive in a world where tragedy is around

every corner. He's got to be prepared, just in case.
