SALAZAR KRISTOPHER

Popular Oxford Practical Dictionary Yale University Press
Urdu: An Essential Grammar is a reference guide to the most important aspects of the language as it is used by native speakers today. The complexities of Urdu are set out in short, readable sections. Explanations contain minimal jargon and emphasis has been placed on the aspects of Urdu that pose a particular challenge for English-speaking students. Features include: * language examples throughout in both Urdu script and romanization * user-friendly layout * detailed contents list * comprehensive index. Urdu: An Essential Grammar presents a fresh and accessible description of the language and will prove

invaluable to students at all levels.

The Concise Oxford Dictionary of Current English OUP Oxford
"An enlarged and improved version of "Arabisches Wèörterbuch fèur die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen Wèörterbuch fèur die Schriftsprache der Gegenwart" and a collection of new additional material (about 13.000 entries) by the same author."

Urdu to Urdu & English Oxford Picture Dictionary English-Urdu Edition: Bilingual Dictionary for Urdu-speaking teenage and adult students of English

An introduction to the Urdu language offers lessons on grammar, vocabulary, and the letters of the Urdu alphabet and how they are used in words and sentences.

Popular Oxford practical little dictionary OUP Oxford

Includes a Persian translation of each meaning of each word and also of idioms and phrasal verbs at the foot of the page. Study pages provide reference material and activities - for example, Writing Letters and Emails, Telephoning, Times and dates. Illustrations help students understand more difficult words. Explanations are easy to understand, and use a 2,000-word defining vocabulary. A key symbol shows students the 2,000 most important words to know in English. 500 notes help learners build vocabulary and avoid making mistakes.

English-English-Persian McGraw-Hill

Featuring introductory material on pronunciation in Urdu, presents a brief definition and the Urdu translation of English words from "a" to "zymurgy."

Popular Oxford practical dictionary Routledge

A Dictionary of Modern Written Arabic OUP Pakistan

Acclaimed for its unique ecosystem and Royal Bengal tigers, the mangrove islands that comprise the Sundarbans area of the Bengal delta are the setting for this pioneering anthropological work. The key question that the author explores is: what do tigers mean for the islanders of the Sundarbans? The diverse origins and current occupations of the local population produce different answers to this question - but for all, 'the tiger question' is a significant social marker. Far more than through caste, tribe or religion, the Sundarbans islanders articulate their social locations and interactions by reference to the non-human world - the forest and its terrifying protagonist, the man-eating tiger. The book combines rich ethnography on a little-known region with contemporary theoretical insights to provide a new frame of reference to understand social relations in the Indian subcontinent. It will be of interest to scholars and students of anthropology, sociology, development studies, religion and cultural studies, as well as those working on environment,

conservation, the state and issues relating to discrimination and marginality.

Oxford English Dictionary Routledge

4,000 words and phrases are organized thematically within 163 topics. Includes English to Urdu translations of vocabulary throughout, and an extensive index in Urdu at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website.

Yingwen/Zhongwen. English/Chinese Teach Yourself

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have

been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
