**Book Two: The Jinnslayer BRILL**

Three American girls fresh out of college join the Peace Corps and travel together to Morocco. Inseparable since middle school, it's their last big adventure together before starting their careers. While living with their host family in the ancient border city of Oujda--known as the City of Fear for its bloody past--the girls become ensnared in the supernatural world of the Jinn. These most feared demons of Islam, the Jinn, existed before man and live on Earth in a world parallel and normally unseen to mankind. Jealous of both man and angels, the lesser Jinn are commanded by Sakhr, servant to Iblis the Shaitan, to harvest the souls of mankind in the Jinn's quest for power and revenge. As the girls encounter the terror of the Jinn and each face their fiery destinies, one girl is aided by an unexpected ally to fight the Jinn. Her search to defeat the Jinn leads to the crypts of saints in the oasis of Sidi Yahia and the haunted catacombs of the Beni-Snassen mountains. Will she come to terms with her secret past and survive the wrath of the Jinn?

Ballantine Books

In a new and major novel, the creator of fantastic universes of vampires and witches takes us now into the world of Isaiah and Jeremiah, and the destruction of Solomon's Temple, to tell the story of Azriel, Servant of the Bones. He is ghost, genii, demon, angel--pure spirit made visible. He pours his heart out to us as he journeys from an ancient Babylon of royal plottings and religious upheavals to Europe of the Black Death and on to the modern world. There he finds himself, amidst the towers of Manhattan, in confrontation with his own human origins and the dark forces that have sought to condemn him to a life of evil and destruction.

Nebula, Locus, and Alex Award-winner P. Djèlí Clark returns to his popular alternate Cairo universe for his fantasy novel debut, *A Master of Djinn Cairo, 1912*: Though Fatma el-Sha'arawi is the youngest woman working for the Ministry of Alchemy, Enchantments and Supernatural Entities, she's certainly not a rookie, especially after preventing the destruction of the universe last summer. So when someone murders a secret brotherhood dedicated to one of the most famous men in history, al-Jahiz,

Agent Fatma is called onto the case. Al-Jahiz transformed the world forty years ago when he opened up the veil between the magical and mundane realms, before vanishing into the unknown. This murderer claims to be al-Jahiz, returned to condemn the modern age for its social oppressions. His dangerous magical abilities instigate unrest in the streets of Cairo that threaten to spill over onto the global stage. Alongside her Ministry colleagues and a familiar person from her past, Agent Fatma must unravel the mystery behind this imposter to restore peace to the city—or face the possibility he could be exactly who he seems... A Master of Djinn is poised to launch P. Djèlí Clark's SFF career to new heights as the highly-anticipated debut readers are clamoring for. Novellas by P. Alex Award-winning author P. Djèlí Clark, *A Dead Djinn in Cairo* is a Tor.com original historical fantasy set in an alternate early twentieth century infused with the otherworldly. Egypt, 1912. In Cairo, the Ministry of Alchemy, Enchantments and Supernatural Entities investigate disturbances between the mortal and the (possibly) divine. What starts off as an odd suicide case for Special Investigator Fatma el-Sha'arawi leads her through the city's underbelly as she encounters rampaging ghouls,

saucy assassins, clockwork angels, and a plot that could unravel time itself. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Geralt is a witcher, a man whose magic powers, enhanced by long training and a mysterious elixir, have made him a brilliant fighter and a merciless assassin. Yet he is no ordinary murderer: his targets are the multifarious monsters and vile fiends that ravage the land and attack the innocent. He roams the country seeking assignments, but gradually comes to realise that while some of his quarry are unremittingly vile, vicious grotesques, others are the victims of sin, evil or simple naivety. One reviewer said: 'This book is a sheer delight. It is beautifully written, full of vitality and endlessly inventive: its format, with half a dozen episodes and intervening rest periods for both the hero and the reader, allows for a huge range of characters, scenarios and action. It's thought-provoking without being in the least dogmatic, witty without descending to farce and packed with sword fights without being derivative. The dialogue sparkles; characters morph almost imperceptibly from semi-cliche to completely original; nothing is as it first seems. Sapkowski succeeds in seamlessly welding familiar ideas, unique settings and delicious twists of originality: his Beauty wants to rip the throat out of a sensitive Beast; his Snow White seeks vengeance on all and sundry, his elves are embittered and vindictive. It's easily one of the best things I've read in ages.'

These love songs are, of course, Sufi poems, and a few odds and ends formed

out of that same Source of all joy. They follow no formal rhyme or metre, except when they do, and have only the path of love as a common theme.

This book is much more than an analysis of the schema of domination and submission as it is played out in the social drama of jinn eviction. It is also a source of information on the history and mythology of a saintly lineage, on the day to day running of a pilgrimage centre, on popular Islam, and on traditional conceptions of jinn possession.

*The Yellow Book* Orbit

In the sleepy river town of Puerto Diablo, somewhere at the end of South America, a tall stranger arrives to threaten the peace of the natives, the villagers, the local outlaws, and Father Joseph Black, a strong and fierce man of God known as the Black Priest. Influenced by the stories of Hemingway and Peter Matthiessen, it is a tale of choices made, and not made, and the ends they lead to, for good or evil.

For fans of Laini Taylor’s *Daughter of Smoke and Bone* series and Leigh Bardugo’s *Grisha Trilogy* comes the first book in the *Dark Caravan Cycle*, a modern fantasy-adventure trilogy about a gorgeous, fierce eighteen-year-old jinni

who is pitted against two magnetic adversaries, both of whom want her—and need her—to make their wishes come true. Nalia is a jinni of tremendous ancient power, the only survivor of a coup that killed nearly everyone she loved. Now in hiding on the dark caravan—the lucrative jinni slave trade between Arjinna and Earth, where jinn are forced to grant wishes and obey their human masters’ every command—she’d give almost anything to be free of the golden shackles that bind her to Malek, her handsome, cruel master, and his lavish Hollywood lifestyle. Enter Raif, the enigmatic leader of Arjinna’s revolution and Nalia’s sworn enemy. He promises to release Nalia from her master so she can return to her ravaged homeland and free her imprisoned brother. There’s just one catch: for Raif’s unbinding magic to work, Nalia must gain possession of her bottle . . . and convince the dangerously persuasive Malek that she truly loves him.

*Sufism, Healing Rituals and Spirits in the Muslim World* Master of the Jinn A Sufi Novel

According to the Qur’an, God created two parallel species, man and the jinn, the former from clay and the latter from fire. Beliefs regarding the jinn are deeply integrated into Muslim culture and religion, and have a constant presence in legends, myths, poetry, and literature. In *Islam, Arabs, and the Intelligent World of the Jinn*, Amira El-Zein explores the integral role these mythological figures play, revealing that the concept of jinn is fundamental to understanding Muslim culture and tradition.

Discover the “extraordinary” (The Washington Post) debut novel that “announces the arrival of a literary supernova” (The New York Times Book Review), “a drama of childhood that is as wild as it is intimate” (Chigozie Obioma). WINNER OF THE EDGAR® AWARD • LONGLISTED FOR THE WOMEN’S PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • The Washington Post • NPR • The Guardian • Library Journal In a sprawling Indian city, a boy ventures into its most dangerous corners to find his missing classmate. . . . Through market lanes crammed with too many people, dogs, and rickshaws, past stalls that smell of cardamom and sizzling oil, below a smoggy sky that doesn’t let

through a single blade of sunlight, and all the way at the end of the Purple metro line lies a jumble of tin-roofed homes where nine-year-old Jai lives with his family. From his doorway, he can spot the glittering lights of the city’s fancy high-rises, and though his mother works as a maid in one, to him they seem a thousand miles away. Djinn Patrol on the Purple Line plunges readers deep into this neighborhood to trace the unfolding of a tragedy through the eyes of a child as he has his first perilous collisions with an unjust and complicated wider world. Jai drools outside sweet shops, watches too many reality police shows, and considers himself to be smarter than his friends Pari (though she gets the best grades) and Faiz (though Faiz has an actual job). When a classmate goes missing, Jai decides to use the crime-solving skills he has picked up from TV to find him. He asks Pari and Faiz to be his assistants, and together they draw up lists of people to interview and places to visit. But what begins as a game turns sinister as other children start disappearing from their neighborhood. Jai, Pari, and Faiz have to confront terrified parents, an indifferent police force, and rumors of soul-snatching djinns. As the disappearances edge ever closer to home, the lives of Jai and his friends will never be the same again. Drawing on real incidents and a spate of disappearances in metropolitan India, Djinn Patrol on the Purple Line is extraordinarily moving, flawlessly imagined, and a triumph of suspense. It captures the fierce warmth, resilience, and bravery that can emerge in times of trouble and carries the reader headlong into a community that, once encountered, is impossible to forget.

A tour-de-force of a debut that blends classic fantasy -- the fascinating, frightening, sometimes-invisible world of the djinn -- that's genies to some of us -- with the 21st-century reality of a super-hacker in mortal danger in a repressive security state on the Arabian Gulf. Alif (that's his handle) is a brilliant young superhacker working out of his mother's

small apartment, and his computer has just been breached. While Alif scrambles to protect his clients -- dissidents and outlaws alike, whoever needs to hide their digital traces, he and his friends realize that they've been found by 'the Hand' -- maybe a person, maybe a program, but definitely able to find anyone, and that could lead to prison, or worse. Alif, with the help of his childhood friend Dina, an ancient book sent to him in secret by his lost love (who may be frighteningly connected to the Hand) and a terrifying protector who almost looks human, must go underground -- or rather, find a way into the hidden world of the djinn. They wrote the mysterious book centuries ago, and have knowledge that might just allow Alif to infiltrate the most sophisticated information technology the world has ever seen, and perhaps save himself, his loved ones, and freedom itself. With shades of Neil Gaiman, Philip Pullman, William Gibson, and the timeless *Thousand and One Nights*, *Alif the Unseen* is a tour-de-force debut with major potential -- a masterful, addictive blend of the ancient and the more-than-modern, smuggled inside an irresistible page-turner.

She accepted a humiliating request to save her family business. Her father had tragically died after her pregnancy, and her fiance conspired with her stepsister to chase her out from the Mont family. Returning three years later, she had no choice but to provoke the arrogant man to reclaim her late father's villa.

However, she was cornered by the man. Trembling, she said, "Mr Fudd, I didn't mean to offend you..." He pondered for a moment and said, "It's too late, I need compensation." Why was he gradually turning the fake marriage into reality? She blushed but he did not care.

Amused, he frowned and stared at her.      cute munchkin standing next to her held
