Real Estate Exam Professionals, Ltd.  
W. E. B. Du Bois was a political and literary giant of the 20th century, publishing over twenty books and thousands of essays and articles throughout his life. In *The Social Theory of W. E. B. Du Bois*, editor Phil Zuckerman assembles Du Bois's work from a wide variety of sources, including articles Du Bois published in

newspapers, speeches he delivered, selections from well-known classics such as *The Souls of Black Folk* and *Darkwater*, and lesser-known, hard-to-find material written by this revolutionary social theorist. This book offers an excellent introduction to the sociological theory of one of the 20th century's intellectual beacons.

Real Estate Exam Professionals, Ltd. When it was first published twenty years ago, *The Bedford Guide for College Writers* brought a lively and innovative

new approach to the teaching of writing. Since that time, authors X. J. and Dorothy M. Kennedy have won praise for their friendly tone and their view, apparent on every page of the text, that writing is the "usually surprising, often rewarding art of thinking while working with language." More recently, experienced teacher and writer Marcia F. Muth joined the author team, adding more practical advice to help all students — even those underprepared for college work — become successful academic writers. While retaining the highly praised "Kennedy touch," *The Bedford Guide* continues to evolve to meet classroom needs. The new edition does even more to build essential academic writing skills, with expanded coverage of audience analysis, source-

based writing, argumentation and reasoning, and more.
