 "Compulsively readable."—New York Times Book Review From Stuart Turton, author of *The 7 1/2 Deaths of Evelyn Hardcastle*, comes an extraordinary new locked-room murder mystery. A murder on the high seas. A remarkable detective duo. A demon

who may or may not exist. It's 1634, and Samuel Pippis, the world's greatest detective, is being transported to Amsterdam to be executed for a crime he may, or may not, have committed. Traveling with him is his loyal bodyguard, Arent Hayes, who is determined to prove his friend innocent. Among the other guests is Sara Wessel, a noblewoman with a secret. But no sooner is their ship out to sea than devilry begins to blight the voyage. A strange symbol appears on the sail. A dead leper stalks the decks. Livestock dies in the night. And then the passengers hear a terrible voice, whispering to them in the darkness, promising three unholy miracles, followed by a slaughter. First an impossible pursuit. Second an impossible theft. And third an impossible murder. Could a demon be responsible for their misfortunes? With Pippis imprisoned, only Arent and Sara can solve a mystery that stretches back into their past and now threatens to sink the ship, killing everybody on board. Shirley Jackson meets Sherlock Holmes in this chilling thriller of supernatural horror, occult suspicion, and paranormal mystery on the high seas.

The book's ten chapters are organized to help you recognize the important milestones along the road to self-discovery, laying out what you really need in order to achieve personal contentment, and what life's detours are there to teach us. Oprah opens each chapter by sharing her own key lessons and the personal stories that helped set the course for her best life. She then brings together wisdom and insights from luminaries in a wide array of fields, inspiring readers to consider what they're meant to do in the world and how to pursue it with passion and focus. Renowned figures such as Eckhart Tolle, Brene Brown, Lin-Manuel Miranda, Elizabeth Gilbert, Jay-Z, and Ellen DeGeneres share the greatest lessons from their own journeys toward a life filled with purpose. Written mostly in prose, "Uncovering and Discovering the KEY to Spiritual Growth" is sprinkled with some beautiful and transforming original poetry. It is a fascinating story of one man's attempt to make sense out of a world turned upside down. In the midst of personal disaster, Rich Kae asked, "How do you find meaning in a world where all the givens are gone?" He started looking for the key or answer to this question by addressing the only thing he knew for certain -HIS PAIN! One chapter in the book entitled, "Pain is your Friend" reveals how being honest with and accepting his pain helped him to discover a new foundation upon which he could start to rebuild his life "one day at a time." The Book reflects the Author's broad experience and education in the fields of psychology, religion, philosophy and the sciences. Many readers responded positively after having read the pre-publication manuscript. One such response by Rev. Donald Tastad reads, "One cannot read it without asking the most basic and important questions in life. One finds ample answers to those questions and of more importance, a way of life that leads to fulfillment and meaning."
