Rent-A-Dom  
The best gifts in life will sometimes catch you by surprise. Luke is a YouTuber known for his popular Omega Manny Diary videos. After a brief-yet-secret fling with his boss Ian's best friend, he finds himself left with an even larger secret: Grazer's baby. Grazer had a lot of fun with Luke, but he'd been upfront with him from the beginning. He'd always

preferred to chase silver foxes--not young, fertile pups. Nearly two years after their last hot night together, Grazer returns to Hollydale, fresh from a year of guarding the toddler of a celebrity. He's at loose ends, not to mention lonely, and wondering if maybe he'd been too brash when writing off love and fatherhood in the past. When Grazer runs into Luke and discovers his life-altering secret, can

they find a way to forgive the mistakes of the past and grab their second chance at romance? Return to Hollydale for this second chance, secret baby romance where May learns to be the December in an age gap relationship. This is the seventh book of The Hollydale Omegas series. This book is about 34k and most likely contains an HEA. 18+ readers only please! And yes, this book contains M/PREG,

adults adulting in sexy grown-up ways, and way more than an occasional use of potty mouth language. Marshmallow Spiced Omega Chronicle Books Naughty brat needs a strong guiding hand. Must love dogs. Reply ASAPToby Andrews is a busy, forgetful, scatterbrained musician with ADHD, a precocious dog named Ruffles, and a bad rep for partying too hard. When

Toby's actions put an all-important contract with a large label in jeopardy, his manager sarcastically suggests that the omega needs a keeper who'll redder his bottom if he steps out of line. Toby is intrigued, so when he sees an ad for a discreet company called Rent-a-Dom while scrolling his social media page, he impulsively sends a request for a Daddy Dom to help him stay on

track. Thorne Barrett is a jaded, worn-out daddy of a Dom who has no desire to babysit some naughty, out of control, celebrity brat. The alpha reluctantly takes the job, promising himself he'll find new employment when the contract is over. He doesn't know what his next step might be, but whatever it is, he hopes it will leave him stable enough so he can settle down and think about having a

family of his own. Neither man is precisely what the other expected. Once Thorne gets his naughty 'boy' settled into a routine, Toby begins to blossom and find better ways to focus... and most importantly, stay out of trouble with the paparazzi. Between band issues, a crazed stalker, an unexpected pregnancy, and a thirty-day cross-country tour, Toby has a lot on his plate.

Can he find stability for himself and Ruffles with Daddy Thorne? This MM book contains mpreg, D/s elements, and is intended for 18+ readers. Warning: Don't read unless you like fun books with feisty Chihuahuas, naughty boys who really want to be good, hot daddy alphas, a story that will keep you in stitches, and steam-filled passion. his attempt to

on his knees,

Cosmo. But  
there's  
something

becomes  
obsessed with  
bending the

Until he goes one demand too far, and Cosmo is gone in a cloud of dust. Forcing Alasdair to admit that earning Cosmo's loyalty—and love—will involve the toughest challenge he's ever faced. Warning: This title contains an overbearing Top with a less-than-glamorous job, a rebellious brat who refuses to call him sir, and a total lack of high-end BDSM clubs or playrooms. Expect

floggings over the kitchen table instead.

Cooking is a totally no-fuss approach to cooking for anyone who loves delicious food that happens to be healthy too. **The Surprising, Unbiased Truth about What You Should Eat and Why** North Atlantic Books From award-winning author, Ilona Andrews, an all-new novel set in the New York Times #1 bestselling Kate Daniels World and featuring Julie Lennart-Olsen, Kate and Curran's ward.

Atlanta was always a dangerous city. Now, as waves of magic and technology compete for supremacy, it's a place caught in a slow apocalypse, where monsters spawn among the crumbling skyscrapers and supernatural factions struggle for power and survival. Eight years ago, Julie Lennart left Atlanta to find out who she was. Now she's back with a new face, a new

magic, and a new name—Aurelia Ryder—drawn by the urgent need to protect the family she left behind. An ancient power is stalking her adopted mother, Kate Daniels, an enemy unlike any other, and a string of horrifying murders is its opening gambit. If Aurelia's true identity is discovered, those closest to her will die. So her plan is simple: get in, solve the murders, prevent the prophecy from

being fulfilled, and get out without being recognized. She expected danger, but she never anticipated that the only man she'd ever loved could threaten everything. One small misstep could lead to disaster. But for Aurelia, facing disaster is easy; it's relationships that are hard. **Falling for the Omega** Createspace Independent Publishing Platform Two plus one equals scorching hot fun. Dumped

by his boyfriend and reduced to living in a grotty bedsit, Josh Carpenter has gotten used to expecting the worst. Now he lives only for his job as a glassblower... and occasional glimpses of his sexy downstairs neighbors, Rai Nakamura and Evan Truman. Every time he overhears the diminutive academic and the hunky plumber having loud and obviously kinky sex, Josh is overwhelmed

with lust...and a longing for a fraction of what they have. To his amazement, Rai and Evan find his embarrassing tendency to blush utterly charming, and the three men grow closer over the course of the long, hot summer. Despite Rai's charming flirtation and Evan's smoldering gaze, Josh is determined never to break his new friends' loving bonds. On the night a naked Josh falls—quite

literally—into the middle of one of Rai and Evan's marathon sex sessions, the force of their mutual attraction takes control. But just as Josh dares to hope, he senses a change. Leaving him to wonder if the winds of love are about to blow his way at last...or if history is about to repeat itself. Warning: Contains one well-endowed stud with a sexy accent, one improbably topky bottom

boy with an unfortunate owl obsession, and one blushing naïf who can't believe his luck. Also, the occasional indulgence in mathematical spanking and some shameless armpit sex.

**Fresh and Foolproof Plant-Based Recipes for Your Electric Pressure Cooker** Simon and Schuster Jaron Aches is the Jutak warrior everyone counts on to keep things light, but what happens when he's captured

by a mad man? Will he succumb to the darkness? Sasha F'Lan has led a tough life, but it's what makes her a good Bounty Retriever. Until someone she trusts leads her into a trap. Now she has to put her faith in the stranger trapped in the cage next to her if she hopes to escape. They trusted each other when they had no one else then betrayal tore them apart. Can they overcome the lies to accept

the love they both deserve?

**Blood Heir**

David Craft Carter Benson is a lonely, scarred mess of an alpha. Honorably discharged from the army after being injured, he is left with very little that really matters. All he has is a Trust fund he refuses to touch, burns on his face, and a brand new prosthesis. He doesn't have his family, he isn't near his friends, and his face makes small children cry. So, he goes to Maine, finds a tiny town, and starts a

business as a plumber. It doesn't help his loneliness, though. Until a little girl hunts him down and forces him to be her new best friend. Elijah Wilson has lived in Hobson Hills his whole life. So what that most of the townspeople think he's a whore because he's a single omega and got pregnant at eighteen? So what if they think he takes advantage of his grandparents by living on their

property? Elijah and his large extended family know better. They know that he hasn't dated anyone since before Olive was born. They know he works hard in the family business and is great with investments. They know the truth, but it can be hard living in a town that doesn't care about the truth. It can also be really lonely. Until his daughter makes a new best friend. When the two men meet,

sparks fly. Their lives change for the better, but life isn't always easy. Narrow-minded townspeople and greedy parents can cause a lot of trouble. But there's always hope. There's always love.
