The universalist view that acquisition of phonology is guided by universal principles has been the dominant position for decades. More recently, an alternative view has brought into focus the relationship between developmental markedness and language-specific input frequencies. With entirely original chapters on non-ambient-like productions by typically and atypically developing children, and second language learners, *Unusual Productions in Phonology* delves deeply into these competing explanations to show that patterns observed do not uniquely lend themselves to one or the other explanations. Rather, they point towards the need for both universal markedness and statistical input considerations in any attempted explanation. Containing contributions from leading researchers from around the world, this impressive collection is a must-have resource for any researcher, practitioner, or advanced student specializing in phonology, cognitive psychology, applied linguistics, and communication disorders.

Bursting with new features, Apple's iMovie '09 is vastly more usable and complete than iMovie '08 -- amazing right out of the box. But the box doesn't include a good user's guide, so learning these applications is another matter. iMovie '09 and iDVD: The Missing Manual gets you up to speed on everything you need to turn raw digital footage into highly creative video projects. You get crystal-clear, jargon-free explanations of iMovie's new video effects, slow & fast motion, advanced drag & drop, video stabilization, and more. Author and New York Times tech columnist David Pogue uses an objective lens to scrutinize every step of process, including how to: Organize your videos just like your photos, and precisely edit with ease Work on multiple iMovie projects at once and drag & drop clips among them Integrate with other iLife programs to use songs, photos, and an original sound track Output your creation to a blog, its own web page, or as a video podcast with iWeb Understand basic film techniques to improve the quality of the video you bring to iMovie From choosing and using a digital camcorder to burning the finished work onto DVDs, posting it online, or creating versions for iPod and iPhone, iMovie '09 & iDVD: The Missing Manual helps you zoom right in on the details.

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.

On the long roads of Devery ride two mercenaries whose fates like hidden deep in that of their own land. But Lord Rhodry, exiled from the dragon court of Aberwyn, has yet to discover his true parentage, and his swordmaster-lover, Jill, has barely glimpsed her awesome powers. Meanwhile, the ancient sorcerer Nevyn, held back by his vows from boldly intervening in their lives, can only watch and wait as Rhodry and Jill move ever closer to danger. For as the two struggle to recover the Great Stone, the mystic jewel that guides the conscience of the kingship of Devery, malevolent dark masters are weaving terrifying spells against them--and displacing messengers of death. Katharine Kerr has extensively rewritten *Darkspell*, incorporating major changes in the text, making this her definitive edition. Here the epic saga that began with the *Daggerspell* continues--a tale of might and magic, lust and glory, dark danger and poignant desires that echo from Devery's sapphire waters to its secret mountain caverns. It's a spellbinding story destined to please fantasy lovers everywhere.

BIOETHICS IN A CULTURAL CONTEXT--PHILOSOPHY, RELIGION, HISTORY, POLITICS presents a unique, philosophical approach to modern bioethics. Rather than simply setting up debates about contemporary issues, this book helps students understand that many of today's bioethical controversies are tied to profound underlying questions fundamental as: When does life begin and end? What is a human being or person? What is life's purpose? What is the ideal society? The text is comprehensive and accessible, featuring a wide range of content that is crisply presented and clearly explained. A multitude of interesting examples and cases provides ample opportunity for discussion, debate, and research. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Victor Pearn is indeed "A man for all seasons." This is my conclusion after feasting upon each delicious morsel of his poetry. It is my belief that Victor Pearn's poetry will be considered to be among the finest works of poetry in both the Twentieth Century and our New Millennium. He has the unique gift of expressing in poetry what is otherwise inexpressible. His word pictures make you feel like you are there experiencing the things he describes so vividly. Victor also possesses the unique ability of being both tough minded and tender hearted. He is one of those rare individuals whose writings are both sweet and reasonable. His poetry reflects who he is today and where he has been, as he is a child of the Sixties and Seventies who has tasted both the bitter and the sweet and has come through those refining trials as a man who has lived what his poetry teaches. I am proud to commend Victor Pearn's poetry to all who are hungry and thirsty for a special literary feast. Dr. Jerry Gibson

www.DebbieMacomber.com What do you want most in the world? What Anne Marie Roche wants is to find happiness again. At thirty-eight, she's childless, a recent widow, alone. She owns a successful bookstore on Seattle's Blossom Street, but despite her accomplishments, there's a feeling of emptiness. On Valentine's Day, Anne Marie and several other widows get together to celebrate...a sense of hope. They each begin a list of twenty wishes—including things they'd always wanted to do but never did. Some of the items on Anne Marie's list: learning to knit, falling in love again, doing good for someone else. When she volunteers at a local school, an eight-year-old girl named Ellen enters her life. It's a relationship that becomes far more involving—and far more important—than Anne Marie had ever imagined. As Ellen helps Anne Marie complete her list, they both learn that wishes can come true...but not necessarily in the way you expect!

A girl thought to be a boy steals her sister's skirt, while a boy thought to be a girl refuses to wear a cornflower blue dress. One boy's love of a soldier leads to the death of a stranger. The present takes a bittersweet journey into the past when a man revisits the summer school where he had "an accidental romance." And a forgotten mother writes a poignant letter to the teenage daughter she hasn't seen for fourteen years. Poised between the past and the future are the stories of now. In nontraditional narratives, short stories, and brief graphics, tales of anticipation and regret, eagerness and confusion present distinctively modern views of love, sexuality, and gender identification. Together, they reflect the vibrant possibilities available for young people learning to love others—and themselves—in today's multifaceted and quickly changing world.
