I thought we were fine-, well fine is a bad word, I thought we were okay. Doesn't matter what I think because she's moving out and I can't really let this happen. Yeah, she annoys me, we're total opposites, but I knew that when I met her, she hasn't changed...maybe I have? I was her anchor, her safety, her home. Now I'm that guy that's wrecked her and there are plenty of men willing to repair the damage I did. So I have a plan.  "A dazzling novel about love, loss, and the mysteries of the mind." — David Ebershoff, Bestselling author of *The Danish Girl* and *The 19th Wife* "A breathtaking tale of tragedy and redemption... A triumph" — *People* A family in crisis, a town torn apart, and the boy who holds the secret has been cocooned in a coma for ten years. One warm, West Texas November night, a shy boy named Oliver Loving joins his classmates at Bliss County Day School's annual dance, hoping for a glimpse of the object of his unrequited affections, an enigmatic Junior named Rebekkah Sterling. But as the music plays, a troubled young man sneaks in through the school's back door. The dire choices this man makes that evening—and the unspoken story he carries—will tear the town of Bliss, Texas apart. Nearly ten years later, Oliver Loving still lies wordless and paralyzed at Crockett State Assisted Care Facility, the fate of his mind unclear. Orbiting the stillpoint of Oliver's hospital bed is a family transformed: Oliver's mother, Eve, who keeps desperate vigil; Oliver's brother, Charlie, who has fled for New York City only to discover he cannot escape the gravity of his shattered family; Oliver's father, Jed, who tries to erase his memories with bourbon. And then there is Rebekkah Sterling, Oliver's teenage love, who left Texas long ago and still refuses to speak about her own part in that tragic night. When a new medical test promises a key to unlock Oliver's trapped mind, the town's unanswered questions resurface with new urgency,

as Oliver's doctors and his family fight for a way for Oliver to finally communicate— and so also to tell the truth of what really happened that fateful night. A moving meditation on the transformative power of grief and love, a slyly affectionate look at the idiosyncrasies of family, and an emotionally-charged page-turner, Stefan Merrill Block's *Oliver Loving* is an extraordinarily original novel that ventures into the unknowable and returns with the most fundamental truths.

This is one of a series of books for dementia patients (or those with Alzheimer's), camouflaged as a "real" book. *A Sandy Shoreline* is the perfect book for dementia patients who now

struggle with long paragraphs and may have trouble following a story. It's so difficult when a book lover has to be given a children's book or one labeled as a book for dementia suffers; it takes away pride and self-confidence. This book - and others in this L3 series- are the answer, as they are specially formatted for dementia patients to follow along while appearing to be a 'real' book. Neither the title nor any text on or in the book states that the book is for dementia or any type of memory/cognitive problems. If your loved one is overwhelmed by 'normal' books but spry enough to feel offended with books labeled as dementia books or by being a children's book, this is the solution. This book is formatted with: A lovely "easy read" story without condescending childlike words. Perfect, slightly larger text (16x font). Short chapters. Short paragraphs. One extra space between each sentence to encourage the mind to take pause. One or two vivid color photos per each short chapter to give a visual clue to the subject matter without distracting the read. In addition, all books in this series have adult main characters that the reader will relate to. *The Sandy Shoreline* is the story of a woman discovers nature's treasures and wonderful sights along the beach. Each chapter brings another small treat. Readers will be able to feel as if they journeyed to the shoreline themselves, all wrapped up with a pleasant ending. It is an enjoyable and uplifting story with wording for adults (not childlike). Not only will you be giving a book that your loved one will be proud to have in his/her collection, you are also giving the gift of self-pride.

DALEI'm a mature and very pragmatic person, whom others like to call boring. At least I was...until Harley came back into town...What do you do when a girl comes back for some petty revenge against you and seduction is part of her game? You pretend to be a millionaire dom, of course. Yeah...it sounded better in theory. My execution keeps ending up in awkward messes, and this game between us gets even messier when I learn more about Harley. She's easy to fall for, even though she's hazardous as hell. What happens when all the games end? HARLEY One simple little goal turns into one giant disaster. On the surface, Dale Sterling seemed like an asshole from my past; the typical arrogant guy who boulders through life and anyone in his way. So a little revenge seemed plausible, considering what he did to me once upon a long time ago. In hindsight, it was immature. But revenge has kept me on top of the world since I stopped being on the bottom of everyone's shoes, so I make no apologies for my immaturity. But Dale is weirdly kinky...Everything is going fine...until it gets real. Now the guy I wanted to humiliate is the same guy I'm begging my heart not to stupidly fall in love with.
