BRUNO STRICKLAND

Who Was Paul Revere? Millbrook Press
 Recounts the life and times of Paul Revere of Massachusetts.
Sybil Ludington's Midnight Ride Franklin Classics
 The Life of Paul Revere is aligned to the Common Core State Standards for English/Language Arts, addressing Literacy.RI.1.3 and Literacy.L.1.1. Readers are treated to large color illustrations and story-supporting photographs of silversmith work, Paul Revere's "Midnight Ride" and a map of the thirteen colonies. The supporting narrative nonfiction text teaches young readers about Revere's early life and the patriotic behavior for which he is now so famous. This book should be paired with "Paul Revere: American Patriot" (978144888368) from the Rosen Common Core Readers Program to provide the alternative point of view on the same topic.

Start of the American Revolutionary War Turtleback Books
 Paul Revere's midnight ride looms as an almost mythical event in American history--yet it has been largely ignored by scholars and left to patriotic writers and debunkers. Now one of the foremost American historians offers the first serious look at the events of the night of April 18, 1775--what led up to it, what really happened, and what followed--uncovering a truth far more remarkable than the myths of tradition. In *Paul Revere's Ride*, David Hackett Fischer fashions an exciting narrative that offers deep insight into the outbreak of revolution and the emergence of the American republic. Beginning in the years before the eruption of war, Fischer illuminates the figure of Paul Revere, a man far more complex than the simple artisan and messenger of tradition. Revere ranged widely through the complex world of Boston's revolutionary movement--from organizing local mechanics to mingling with the likes of John Hancock and Samuel Adams. When the fateful night arrived, more than sixty men and women joined him on his task of alarm--an operation Revere himself helped to organize and set in motion. Fischer recreates Revere's capture that night, showing how it had an important impact on the events that followed. He had an uncanny gift for being at the center of events, and the author follows him to Lexington Green--setting the stage for a fresh interpretation of the battle that began the war. Drawing on intensive new research, Fischer reveals a clash very different from both patriotic and iconoclastic myths. The local militia were elaborately organized and intelligently led, in a manner that had deep roots in New England. On the morning of April 19, they fought in fixed positions and close formation, twice breaking the British regulars. In the afternoon, the American officers switched tactics, forging a ring of fire around the

retreating enemy which they maintained for several hours--an extraordinary feat of combat leadership. In the days that followed, Paul Revere led a new battle-- for public opinion--which proved even more decisive than the fighting itself.] When the alarm-riders of April 18 took to the streets, they did not cry, "the British are coming," for most of them still believed they were British. Within a day, many began to think differently. For George Washington, Thomas Jefferson, John Adams, and Thomas Paine, the news of Lexington was their revolutionary Rubicon. Paul Revere's Ride returns Paul Revere to center stage in these critical events, capturing both the drama and the underlying developments in a triumphant return to narrative history at its finest.

Paul Revere's Ride Gareth Stevens Publishing LLLP
 Paul Revere is commonly remembered as the legendary hero of Longfellow's poem about his midnight ride. In this bright, informative biography, Giblin follows Paul Revere from his humble beginnings as a French immigrant's son, to his work as a silversmith and a rider for America's mounting insurgency against England. With precise, accessible prose, and stirring images of the period, Giblin chronicles Revere's many daring rides and his far-flung professional accomplishments. Along the way, he portrays a brave, compassionate, and multitalented American patriot. Illustrated with black-and-white archival photos and lithographs.

The True Story of Paul Revere The Rosen Publishing Group, Inc
 You've heard the story of Paul Revere's so called "Midnight Run." It's a nice story. An exciting story. But...a story. Like many legends, there are many truths to the story, but much of it is made up. This biography--just for kids!--will look at what really happened during that famous run. In addition, you will learn what the revolution was all about, who Paul Revere was, and what was life like for a person way back then!

The Life of Colonel Paul Revere Hardpress Publishing
 Paul Revere is commonly remembered as a Revolutionary War hero for his legendary Midnight Ride before the 1775 battles of Lexington and Concord. But Revere was also a famed silversmith, a practicing dentist, a resourceful entrepreneur, and an engraver of cartoons and paper money. This biography traces Revere's life from his humble beginnings as a French immigrant's son to his determined support of the rebel cause in the stormy years leading up to the American Revolution.

The Life of Paul Revere Nabu Press
 Join Filigree, a five-pound Pomeranian, as he stows away on Paul Revere's midnight ride in this first book of the At the Heels of History series, inspired by important events and told through the eyes, ears, and noses of dogs. Filigree may be a small puff of a Pomeranian but he has a big, brave heart. As the Revere family

dog, he's ready to do his part to help the American colonists stand up to the British soldiers. But the other dogs, like Jove, Sam Adams's Newfoundland, and even the Revere cat, Anvil, think Filigree is a joke. The Reveres' daughter Frances is the only one who believes in him. When Frances's father, Paul Revere, leaves home on a secret mission, Filigree and Frances know they have to help, no matter how dangerous it might be. Will a pint-sized pup just be in the way, or can Filigree prove that even a very small dog can fight for freedom?

Midnight Ride, Industrial Dawn Penguin
 This biography of Paul Revere, the American silversmith and patriot, provides a detailed account of his life and achievements. Charles Ferris Gettemy explores Revere's famous midnight ride, his role in the American Revolution, and his contributions as an artisan and entrepreneur.  *Includes pictures of Revere and important people, places, and events in his life. *Includes a Bibliography for further reading.
 "Out started six officers, seized my bridle, put their pistols to my breast, ordered me to dismount, which I did. One of them, who appeared to have the command there, and much of a gentleman, asked me where I came from; I told him. He asked what time I left . I told him, he seemed surprised, said "Sir, may I crave your name?" I answered 'My name is Revere.'" - Paul Revere A lot of ink has been spilled covering the lives of history's most influential

figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Over the course of 83 years, Paul Revere was one of the most prominent citizens in Boston, heralded for his silversmith work, his participation in the Sons of Liberty, and his service in the Massachusetts militia. Bearing 16 children by two wives, 11 of whom survived to adulthood, Revere supported his large family by doing everything from dentistry to casting church bells and engraving the most popular image of the Boston Massacre. His ability to roll copper into sheets made his work even more valuable to the dry docks and naval construction in Charlestown and around Boston. Given everything he did for Boston and his community, it would have no doubt greatly surprised Revere at the end of his life if he had known he would become an American legend for his midnight ride on the night of April 18, 1775. As a fervent and well-connected patriot who was part of Boston's intelligence network, Revere was sent on the ride toward Lexington along with William Dawes, with the intention of warning the countryside that British troops were heading that way presumably to arrest patriot leaders Samuel Adams and John Hancock. After warning Adams and Hancock, Revere, Dawes, and another messenger, Samuel Prescott were stopped and detained by British soldiers on the path toward Concord, and though Dawes and Prescott managed to escape, Revere was escorted back toward Lexington by the British that morning. As it turned out, Revere and the patriots were wrong about the actual reason for the British march that morning, and Revere did not successfully finish his own ride. So why is he one of the most famous men of the colonial era? The legend of Paul Revere can be almost completely credited to famous American poet Henry Wadsworth Longfellow, whose poem "Paul Revere's Ride" has shaped the legacy of the man and his ride, even though Longfellow intentionally took artistic license and fudged the historical accuracy in an effort to cast Revere as a hero. To say it worked would be a drastic understatement. American Legends: The Life of Paul Revere chronicles the Midnight Ride that made Revere famous and includes his own account of it, but it also covers the entire life and career of the patriot leader and humanizes one of the best known Bostonians of the day. Along with pictures of important people, places, and events in his life, you will learn about Paul Revere like you never have before, in no time at all.

A Kid's Guide to Paul Revere Houghton Mifflin Harcourt

One if by land, two if by sea.... So began the midnight ride of Paul Revere. But before he was a member of the Sons of Liberty, before he led raiders in the Boston Tea Party, before he was a silversmith, he was one of nine children growing up in colonial Boston. Adler's biography traces the life of this famous American patriot with insight into his youth, his family, and his professional life. Some of Paul Revere's lasting fame is due to "Paul Revere's Ride," a ballad written by Henry Wadsworth Longfellow. Child-friendly illustrations of the period help readers see Revere's world, and back matter includes additional details and a time line of Revere's adventures. For almost thirty years, David Adler's Picture Book Biography series has profiled famous people who changed the world. Colorful, kid-friendly illustrations combine with Adler's "expert mixtures of facts and personality" (Booklist) to introduce young readers to history through compelling biographies of presidents, heroes, inventors, explorers, and adventurers. These books are ideal for first and second graders interested in history or who need reliable sources for school book reports.

Paul Revere sets off to warn the American colonists of the approach of British soldiers in the spring of 1775.

The Many Rides of Paul Revere JHU Press

Paul Revere was an expert silversmith. He became one of America's first industrialists. He was active in the movement that led to American independence. Yet Paul Revere's fame rests almost entirely on the few hours that he sped through the Massachusetts countryside in the early morning of April 19, 1775. He was warning the inhabitants that the British regulars were on their way. It marked the beginning of the Revolutionary War. Few people outside the Boston area knew of his exploit. It took another war the Civil War to make him famous throughout the country. A famous poet named Henry Wadsworth Longfellow wanted to prevent the Civil War. He showed his fellow Americans a hero they could all admire. To him and to millions of others after him Paul Revere was that hero

Profiles the life and career of Paul Revere, known for his midnight ride warning colonists of approaching British troops.

In Their Own Words Infobase Learning

The true story of Paul Revere's life and his midnight ride are presented in a fun and engaging way. Revere was a respected Boston citizen, an artisan, and a patriot. Students will be fascinated to see the facts separated from the legend, which contained instances of pure poetic license in Longfellow's poem. Color photographs, paintings, and Revere's own engraving illuminate colonial life and spur a sense of curiosity about the true stories of American history.

Paul Revere and His Midnight Ride Houghton Mifflin Harcourt

Describes the life and times of the well-known hero of the American Revolution, Paul Revere, a patriot and silversmith whose midnight ride was made famous in a poem by Henry Wadsworth Longfellow.

Paul Revere and the World He Lived in Lerner Publications

Many people have heard of Paul Revere's famous ride, but this brave and talented patriot was involved in many other aspects of colonial American life. The father of eleven children, Revere worked as a dentist and was a highly talented silversmith. The navy even used copper from his mill for the bottoms of their ships. After helping to start the Sons of Liberty, Revere and the group staged the Boston Tea Party. Revere's midnight ride is a pivotal point in American history. Primary sources, sidebars, and a timeline support this easily readable narrative.
