"Sorority sister Allison Ruth must travel to Throne, the ancient city at the center of the multiverse, in an epic bid to save her boyfriend from the clutches of the seven evil kings that rule creation" --

Dessert Person Simon and Schuster

In a previous collection, Jack Daniels Stories Vol. 1, I included all of the Lt.

Jacqueline "Jack" Daniels short stories that have been published in anthologies and magazines throughout the years. This book is something different. In 2016, Amazon tried an experiment called Kindle Worlds, which allowed other authors to write stories in my universe using my characters. Because I enjoy collaboration, I co-wrote stories with a select few of these authors. I had a lot of fun, and got to work with many talented people, some of them old pros, some of them rising stars. This resulted in over 1000 pages of good stuff featuring Jack Daniels, Phineas Troutt,

Harry McGlade, Chandler, Hammett, and Tequila. For the first time, these stories have been compiled into three new collections. Vol. 4 includes: STRAIGHT UP (with Iain Rob Wright) - Terror at 20k feet, but Jack has a secret ally. WATCHED TOO LONG (with Ann Voss Peterson) - Wisconsin cop Val Ryker is on babysitting duty; Jack's toddler daughter. OCTOBER DARK (with Joshua Simcox) - Phineas Troutt meets young contract killer, Macklin Dailey. BEAT DOWN (with Garth Perry) - Jack is back, once again joining forces with psychic AJ Rakowski. A LETTER TO JACK

(with Harry McGlade) - It's not the Jack you're expecting... BURNERS (with Henry Perez) - Jack and Alex Chapa butt heads in a hot legal thriller. If you are a more sensitive (or adventurous) reader, this handy scale rates specific categories from 1 (lowest) to 10 (highest) to give you some idea if this is your kind of book. JACK DANIELS STORIES VOL. 4 by JA Konrath & Others Scary - 4 Violent - 6 Funny - 8 Sexy - 3 Crossover - Characters also appear in the Jack Daniels Thriller series, the Codename: Chandler series with Ann Voss Peterson, and the Konrath Dark Thriller Collective series

Moonshine! A word that evokes images of

America's outlaw heritage. Making moonshine has been such a huge part of our culture that many historians credit it as one of the cornerstones of our nations foundations. How to make moonshine? Is quite likely the very question that brought you here. A yearning to learn the traditions that are in danger of being forgotten in the modern, digital era. I wrote this book to pass along the knowledge that was taught to me in the hills of Kentucky over 30 years ago. Along the way though I developed my own style. I boiled down what I learned and created a simplified style that any beginner can follow. I've developed designs that can be used right in the comfort of you own kitchen or out back in the woods! The truth is that Moonshining, aka "Home Distilling" is a folk art that helped build this country. Together we can make it live again, and have a little fun in the process! And a quick thank you to all my readers who have helped make *The Home Distiller* the best selling book ever on the art and science of making moonshine. Shine On!

Founders and award-winning distillers of Kings County Distillery Colin Spoelman and David Haskell follow up their successful Guide to Urban Moonshining with an extensive history of the figures who distilled American spirits. Dead Distillers presents 50 fascinating—and sometimes morbid—biographies from this historic trade's bygone days, including farmers, scientists, oligarchs, criminals, and the occasional US president. Readers may be surprised to find the names George Washington, Henry Frick, or Andrew Mellon alongside the usual suspects long associated with booze—Jasper “Jack” Daniel, Jim Beam, and Julian “Pappy” Van Winkle. From the Whiskey Rebellion to Prohibition to the recent revival of craft spirits, the history of whiskey, moonshine, and other spirits remains an important part of Americana. Featuring historical

photos, infographics, walking-tour maps, and noteworthy vintage newspaper clippings, *Dead Distillers* is a rich visual and textual reference to a key piece of American history—and a spirited portrait of the unusual and storied origins of forgotten drunkenness.

"Standing up to bullies is my kind of thing." How did Stormy Daniels become

the woman willing to take on a president? In this book, Stormy Daniels tells her

whole story for the first time: what it's like to be a leading actress and director in the

adult film business, the full truth about her journey from a rough childhood in Louisiana onto the national stage, and

everything about her interaction with Donald Trump that led to the

nondisclosure agreement and the behind-the-scenes attempts to intimidate her. Stormy is funny, sharp, warm, and

impassioned by turns. Her story is a thoroughly American one, of a girl who

loved reading and horses and who understood from a very young age what

she wanted?and who also knew she'd have to get every step of the way there on her

own. People can't stop talking about Stormy Daniels. And they won't be able to

stop talking about her fresh, surprising, completely candid, nothing-held-back

book.
