A Classified and Annotated List Alfred Music

One of the leading composers of instrumental music of the early Romantic period, Louis Spohr was a violinist, composer, and conductor. In addition to symphonic works, string quartets, and other solo and chamber music, he composed operas, operettas, and songs. There has been a trend, starting in the late 20th century, to revive his instrumental works and songs.

 The Life of Ludwig van Beethoven is the first scholarly biography of Ludwig van Beethoven, covering Beethoven's life to 1816. Thayer became aware of many discrepancies in the already existing biographies of Beethoven, so in 1849 he

sailed for Europe to undertake his own researches, learning German and collecting information. Still after many updates Thayer's biography of Beethoven is regarded as a standard work of reference on the composer.
