### An Account of the Advent Christian Controversy over the Bible's Inspiration

WestBow Press

My book's objective is to describe the beliefs, practices, and ventures of the Adventist church that have had or still have a significant impact on my life. Looking back, I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them. For this reason, there will be much reminiscing, retelling of personal experiences, and evaluating church teachings and decisions, all in the endeavor to make sense of what has happened. That can only take place if we bathe our words and expressions in grace, love and understanding. The book endeavors to answer the underlying question: what do we mean when we use the term "church"? What are the primary reasons for its existence? When you ask Adventists such a question, we hope they answer with a reply that is inspiring and practical. In presenting my view of Adventism over the past seventy-five years, it's had a positive effect on my knowing and understanding Jesus-and I hope the same goes for you!

*Confessions of a Religion Addict*

Greenwood Publishing Group

He was there. Immersed in the events and crises that shaped the Seventh-day Adventist Church over the past quarter century, he was no spectator, but an active participant. Speaking, writing, debating, defending-his voice was heard loud and clear.

**Historical Dictionary of the Seventh-Day Adventists** TEACH Services, Inc.

You will be encouraged as you read the

author's life story. Ever since she was a small child, Alice was always conscious of the Holy Spirit's leading in her life. As she searched for Bible truth and wanting to do what was right, she was guided by the Lord.

*The Gathering Storm and the Storm*

Burst Hartland Publications

Donald G. Bloesch's wide-ranging and in-depth reflection on the presence, reality and ministry of the Holy Spirit serves as a landmark to those seeking a faithful theological understanding of the Holy Spirit.

**The Righteousness by Faith Debate**

Scarecrow Press

This bestselling reference tool has been a trusted resource for more than 25 years with over 165,000 copies sold.

Now thoroughly updated and substantially revised to meet the needs of today's students and classrooms, it offers cutting-edge overviews of key theological topics. Readable and reliable, this work features new articles on topics of contemporary relevance to world Christianity and freshened articles on enduring theological subjects, providing comprehensive A-Z coverage for today's theology students. The author base reflects the increasing diversity of evangelical scholars. Advisory editors include D. Jeffrey Bingham, Cheryl Bridges Johns, John G. Stackhouse Jr., Tite Tiénou, and Kevin J. Vanhoozer.

The Shaking of Adventism Aspect Books

Newly updated, this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold.

**The Silent Church** BRILL

The relationship between the Adventist church and society at large has always been ambiguous. One reason for this has been the church's inarticulate social ethics. While the church upheld the

concept of human dignity, promoted religious liberty and sided with the poor, nationalism and racism developed among its members. Women in the church were also unfairly treated. Zdravko Plantak confronts this problem head-on. He begins by looking at the church's history, theology and ethics in order to discover reasons for the inconsistencies in its approach to human rights, and then moves on to propose a more comprehensive approach to its social ethics.

Has it Already Commenced? How, Why, & when Will the Shaking Occur?

iUniverse

This second edition covers its history through a chronology, introductory essay, appendixes, and an extensive bibliography. The dictionary includes over 600 cross-referenced entries on key people, cinema, politics and government, sports, and critics. This book is ideal for students, researchers, and general readers.

—Protestant Reformation's Final Movement, or God's End Time Church—In Revelation 3:14-21, God's end time church is named Laodicea. In those verses, His remnant people are described as having the tendency to evaluate their spiritual condition, and work, at a much higher quality than is Christ's judgment of it. He states that the Laodicean church, though entrusted with the knowledge of His last warning messages for the world are spiritually "wretched," "miserable," "poor," "blind," and "naked." (verse 17). Matthew 25:1-13 is the parable of the ten virgins waiting to attend a wedding feast. In this account Jesus is also describing His remnant people. Christ's story says that "while the bridegroom tarried, they all

slumbered and slept." (verse 5). This present volume is a Bible and Spirit of Prophecy study regarding the form of, and reasons why, Christ brought His end time people into a highly organized movement. It also describes how Christ's ordained methods of operating His organization tend to be abused, and even ignored. It explains how His people tend to operate Christ's publishing, educational, health, and even ministerial work more in harmony with the wisdom and wishes of man and the world than with the clear directives of the Lord whom we claim to be serving. But, all is not gloom and doom. There is counsel as to how to revive from the Laodicean condition. This present volume goes into detail as to what Christ will do to awaken His people. It presents the inspired explanations as to how His remnant will be "shaken" into the condition necessary for Him to be able to pour out upon them the Latter Rain to empower and equip them to give the Loud Cry and thus finish His work upon this earth. Entire chapters are dedicated to the divine instructions regarding the importance of not running ahead of, but cooperating with, Christ in these important dealings with His people. *Seventh-Day Adventism and Contemporary Ethics* InterVarsity Press

Seventh-day Adventism entices members into it using trickery and half-truths. They tell the unenlightened public one thing and insiders yet another. Dr. Kelly explains how he was tricked into joining. He then refutes the theological fiasco called the Investigative Judgment which created the sect. Much of the book looks at the Sabbath with fresh insight. The final part reveals the mysterious realms of Sheol and Hades in order to expose SDA error about the soul. Russell Kelly is also the author of *Should the Church Teach Tithing? A Theologian's Conclusions about a Taboo Doctrine*—a best seller on Amazon.com under "Tithing" since 2001.

The shaking of Adventism [a documented account of the crisis among Adventists over the doctrine of justification by faith] by Geoffrey J. Paxton Springer

It is an interesting fact of history that as the Reformation progressed, the Reformers adopted the Received Text in union with the Waldenses; the Jesuit-inspired counter-Reformation adopted the Latin Vulgate and the Vaticanus. What do we see today? Most of the modern versions are based upon the

text of the counter-Reformation. In addition, we see increased negativity toward the Textus Receptus and the King James Version. This has not been without adverse effects upon all of Protestantism and Adventism, specifically. This book provides insights into the causes and effects that the doctrinal pluralism of the common text Bibles of the counter-Reformation have had on Adventist doctrine. Since doctrinally pluralistic Bibles cannot function as self-interpretive units, an interpretive authority from outside of Scripture is brought into play. As a result, creedalism is overtaking Biblical authority. History has demonstrated the sure results of this misplaced authority. **Of the Times and Seasons** Wipf and Stock Publishers

Explores the unprecedented clergy fallout from the Seventh-day Adventist Church in the 1980s.

**And with All Your Mind** Pacific PressPub Assn

Its 1971, and Silas Baker is a high school senior in California, whose main interests are basketball, and weekend parties. But his life takes a dramatic turn, when he encounters a group of committed Christians, who soberly inform him that Jesus is coming soon! They enroll at Riverstent Bible College. Its an exciting time, as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel. Popular movies further inflame this passion, as the eager students study Apologetics and Biblical Archaeology; aberrant theologies such as the Death-of-God movement; and even conflicting interpretations of the End Times. An activist spirit develops within evangelicalism, culminating in the so-called Christian Right, as the

evangelical world is rocked in the aftermath of the televangelist scandals. Confronted by world views such as Calvinism and Christian Reconstruction, the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos, in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell, or who promote an Open (yet limited) concept of God himself. As society evolves, so does evangelicalism: seeker sensitive megachurches appear, while Postmodernism and the Emergent Church become realities. Theologians wrestle with the question of divorce and remarriage, and the role of women in the church, as well as the divisive issue of homosexuality. As they struggle with life's realities, they ultimately must also respond to nonchristians who are alienated, indifferent, or engaged in active opposition to Christianity, while searching for the meaning of Christian faith in the modern world.

*A Comprehensive Introduction to the Religions of the World* iUniverse

This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, *Questions on Doctrine* was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself,

this new edition faithfully reproduces the original text of *Questions on Doctrine*, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is included in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of *Question on Doctrine* beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library.

[Profile of a Religious Man](#) Wipf and Stock Publishers

A documented account of the crisis among Adventists over the doctrine of justification by faith.

### **Leaving the Adventist Ministry**

Rowman & Littlefield

"The Seventh-day Adventist church faces a crisis. Confusion and division are rampant. Assurance of truth has surrendered to uncertainty. Surety of faith has given way to an enfeebling pluralism. Distinctiveness has been overcome by ecumenism. The sense of urgency has been replaced by carnal security. The spiritual church has become a social club. Unwavering loyalty is now branded as bigotry. Faithfulness to Christ is judged to be legalism. The defenders of truth are spurned as schismatics. The state of the

church has led untold thousands to reevaluate their relationship to the seventh-day Adventist church. Many have lost all hope that the church would ever succeed in bringing God's truth to every inhabitant of the world - something which must occur if God's people will ever enter the kingdom of heaven. This has instigated the greatest separatist movement ever known in our ranks. Embattled Church addresses this issue of separation. Has God written "Ichabod" across the portals of the seventh-day Adventist church? Must we look for another? The word of inspiration answers these questions unequivocally." -- Back cover.

### **Its Relation to Theology and Prophecy** Thomas Nelson

This is a source of reliable information on the most important new and alternative religions covering history, theology, impact on the culture, and current status. It includes a chapter on the Branch Davidians.

Seventh-Day Adventists Answer Questions on Doctrine HarperCollins Christian Publishing

Many restorationist-oriented associations like the Advent Christian Church often embrace two conflicting principles. First, they understand the Bible's inspiration and authority in a way that minimizes the importance and value of church tradition. Second, they give high value to individual autonomy both in biblical interpretation and in church governance. *Adventism Confronts Modernity* describes what can happen when these principles conflict and make it difficult to resolve theological conflict. This work begins by exploring the nineteenth-century historical and theological roots of early Adventism with special attention to William Miller and the theological impact of the Great Disappointment, the

failed prediction of the early Adventists that Jesus Christ would return visibly in 1843 or 1844. Subsequent chapters explore the Fundamentalist-Modernist controversies of the early twentieth century and focus on the impact of those events on the two colleges that trained Advent Christian clergy--Aurora College (now Aurora University) and New England School of Theology (later Berkshire Christian College). After discussing theological reform efforts within the Protestant mainline and fundamentalist coalitions, this book describes the conflicting views regarding the Bible's inspiration that emerged in the early twentieth century and their impact on the Advent Christian Church during the 1950s and 1960s. It concludes that further reflection is needed on both the doctrine of Holy Scripture and how restorationist movements balance Christian theology with individual and congregational autonomy.

*Laodicea, Her Authority, Organization, and Destiny* Wipf and Stock Publishers Grab a highlighter and prepare your heart for The Great Jewish Mystery. The time has come to expose friends, family, and particularly our children to this mystery, which will eventually impact the world. The Middle East receives global coverage daily, yet this mysterious topic is never discussed. Worldwide conspiracies now exist to deny efforts that will uncover this mystery. Therefore, the three major religions? Judaism, Christianity, and Islam? can no longer sit on the sidelines and avoid tough questions from this book. In addition, this Jewish mystery briefly combats the fallacies of *The Da Vinci Code* by Dan Brown. Brown clearly attacked what the Jews consider sacred and made erroneous claims about the

Dead Sea Scrolls. This book seeks to encourage millions not to be intimidated by man-made traditions or spiritual challenges. Finally, this book is a

phenomenal quick reference guide to the best-kept Middle East secret. Come, let us reason together!
