German Shepherd Training 101 Larry Slawson
 Raising your German Shepherd will be much easier when you read this helpful book on teaching and training your German Shepherd. Learn about your dogs natural behavior instincts, and learn how to change and correct some of them. With this dog guide book, you will be able to

understand why your dog does some of the silly things they do, and also you will be able to correct their bad behavior very easily. You will learn about dog biting, jumping up on people, food aggression, separation anxiety, fleas & ticks, house breaking, and so much more. You will learn how to live with your German Shepherd, and how to make him or her a very good family member, that you can trust and love. Learn what the best healthy type of dog food to feed your German Shepherd is, and teach your dog to let them know you are the pack leader, not them. You will learn how to make your dog a trusted member of the family, and

not have to worry about them making trouble or getting into trouble. If you are lucky enough to own a German Shepherd, you should really read this book to make your life easier and more fun!

"Regarding The Complete Guide To

German Shepherds, I can only say: Awesome! We have had GSD's for many years, and we were really impressed with the information and the format of the book. If I was asked what was missing in this book, I would answer 'nothing'. Well written, insightful and a fun read." Brian Nainby - GSD owner "I love this book simply because you can tell it is written by someone who also loves the German Shepherd breed" Sam Ireland - GSD owner Taking the first step in deciding to get a dog can be a difficult one. Where do you start? Well, how about right here, and right now. The Complete Guide to German Shepherds is just that. The A to Z guide for the breed written in simple language. Why and when should you consider a German Shepherd? The Complete Guide to German Shepherds has those answers and many more. Not all dogs are created equal. When it comes to GSD's (that's the short way to say German Shepherd Dog) they are truly a breed apart. They are large dogs; agile, fast, aggressive and intimidating if you want them to be. They are smart, loyal, inquisitive, persistent, protective and willing to push the boundaries. They're also willing to push your buttons if you let them. Sound like the dog for you? Sound like a challenge? You bet they are, but the payoff is a best friend who will never leave your side. Let's be honest here. GSD's aren't for everyone. However, if you have your heart set on one of America's most popular breeds, this book will give you a great grounding on the path ahead of you. German Shepherds can be a tremendous challenge to your ego. They don't always want to do what you want them to. You have to give them a good reason. The Complete Guide to German Shepherds gives you a head start on your GSD. Believe me, you'll need it.

Originally German Shepherd dogs were used to herd sheep and in German their name is Deutscher Schäferhund. Your German Shepherd is probably one of the most recognized breeds of dog anywhere in the world. This typically beautiful breed of dog is renowned for its amazing versatility. Coupled with extreme intelligence, a German Shepherd is capable of taking on many different roles, including:- Companion dog- Family pet- Herding dog- Show dog- Obedience dog- Working dog- Guard dog- Police dog- Military dog- Guide dog for the blind- Hearing dog for the deaf- Search and rescue dog- Tracker dog- Hunting dog- TV actors-... and many more besides A

German Shepherd dog is characterized by its superior intelligence, high curiosity, boundless energy, versatility, and regal good looks. These clever dogs can be very easy to train and can seem almost eager to learn new tricks and ways of pleasing its owner at very young ages, right up to very advanced ages. However, as intelligent and easy to train as they might seem, there are times when some German Shepherd dog owners may begin to feel frustrated and impatient when they don't see much success with their efforts. This can happen when your training methods don't take into consideration what's important to your dog and what makes him want to obey you the most This book covers the following: Will a German Shepherd Dog Meet Your Needs? Do You Know Just How Much Exercise is Adequate? How to Pick the Perfect German Shepherd Puppy Bringing Your New German Shepherd Puppy Home Can You Speak Your Dog's Language? The German shepherd dogs are great family dogs exhibiting fierce loyalty, impressive good looks, intelligence, courage, and a highly protective nature. Who can blame you for wanting a German shepherd as your lifelong "best friend" and protector? Not so fast! While it's true that the German shepherd is a popular, highly valued and desirable canine companion; the breed, much like all breeds, is not a perfect fit for every person, setting, lifestyle or family situation. This book is not intended as a training guide. It was created to familiarize you with the German's Shepherd's background, main characteristics, dominant traits, and health concerns; with tips on selection and care. Jason Biden kicks off with a fascinating history of the breed--thoroughly explaining how a dog that was originally bred to herd sheep morphed into a drug and cadaver discovery working dog; a service and therapy dog to the blind, deaf, and disabled; protective family pet, military dog or police patrol partner. In the second chapter, Jason examines the time, money, energy-level, and lifestyle required to meet the needs of a German shepherd so that both the dog and its human companion aren't miserable because of a failure to provide proper food, shelter, exercise, and companionship. To assist in selecting your first German shepherd, Jason Biden compares and contrasts American versus German bloodlines; male versus female: a puppy versus an adult dog; various coat types and colors; and breeder versus rescue adoption. Two must-read chapters concern how to select a breeder and common health problems experienced by the breed. Don't buy a

German shepherd without reading those chapters.

How to Raise and Train a German Shepherd Crowood

Since the breed's creation at the turn of the twentieth century, the German Shepherd Dog has been one of the world's most sought-after purebred dogs, prized for his intelligence, handsome looks, and uncanny versatility. This Comprehensive Owner's Guide serves as an ideal introduction to this dog of dogs, that serves humankind as a companion, protector, police dog, herding dog, military dog, search and rescue dog, Seeing Eye dog, and therapy dog, to name a few of the breed's modern-day roles.. The breed's origins are retold in the first chapter, beginning with the efforts of Max Emil Friedrich von Stephanitz to standardize the sheep-herding dogs in Germany in the 1890s and following the breed's importation to the United States, where the German Shepherd Dog has been a favored companion, show dog, and competition trial dog since the 1920s. The chapter on the breed's characteristics focuses on owner suitability, describing the GSD's physical and mental traits, versatility, agility, and requirements. The breed standard is presented in the third chapter, giving the readers a clear view of how the ideal GSD should look, act, and move. New owners will welcome the well-prepared chapter on finding a reputable

breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with photographs of handsome adults and puppies. In all, there are over 135 full-color photographs in this useful and reliable volume. The author's advice on obedience training will help the reader better mold and train into the most well-mannered dog in the neighborhood. The extensive and lavishly illustrated chapter on healthcare provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, preventing and dealing with parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical dogs, breeders, or kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.
