---

**High School World**

**History 2011 Survey  
Student Edition****Grade 9/10** Prentice  
Hall

A set of textbooks for United States history from earliest Indian civilizations to the present, with maps, charts, activities, study questions, and review chapters.

Prentice-Hall United  
States HistoryAcademic Internet Pub  
Incorporated

Gives helpful test-taking strategies, document-based question essay-writing practice, new current events, foreign policy and election

information, and six actual New York Regents examinations.

*Brief Review United States History and Government* Cram101

Developed to meet the needs of modern United States history

courses. This text includes a review unit bridging early American history content before studying modern times. Authors Emma J. Lapsansky-Werner, Peter B. Levy, Randy Roberts, and Pulitzer Prize winner Alan Taylor inspire today's students by presenting our nation's history as a continuing drama. Their focus on enduring American issues help students understand why history matters. As part of their desire to reach out to every teacher in high school U.S. history classrooms, the authors have contributed their own personal insights about the content and teaching of each chapter. --Website.

**A History of the  
United States**

Longman Publishing Group

By the time teens are in high school, they have already spent years wrestling with a heavy backpack. It's high time to solve this problem--and Pearson can help. Explore Pearson@home social studies products for home use.

A textbook history of the United States from prehistoric times to the present.

**Prentice Hall United States History**

Pearson Prentice Hall  
A textbook on the history of the United States up to 1994, illustrated with maps, charts, photographs, drawings, and other supplemental

information.

*United States History*

Prentice Hall

"Prentice Hall's United States History program meets the way you teach and the way your students learn with various pathways into the content for all levels and types of learners. United States History makes social studies accessible for students helping both students and teachers succeed. Bridging the gap between the digital way students live and learn, this program makes the textbook the "diving board" into a larger pool of content that is hands-on, digital, and customizable. The program will help students connect to prior knowledge, provide multiple ways to explore and learn more, and transfer

what they have learned to new content and new ideas."--

Publisher.
