## RIDDLE MAREN

### Chef Roy Choi and the Street Food Remix words & pictures

She's stolen a priceless relic from his treasure, and his heart. Ciara is the best damn wedding planner this side of anywhere, but she's no thief. That's exactly what the sexy-ass dragon shifter has accused her of - stealing his treasure. She's going to steal something of his alright, his sanity, if he doesn't let her go so she can get back to giving couples their happy ever afters. It's the best way to ignore the fact she's sure she'll never get one her own. Not with any man, or even a dragon. Jakob is either going to kill the sexy, curvy woman who denies she has The First Dragon's relic, or take her to bed and drive her as crazy as she's making

him. Why does he want her so much he can't even properly interrogate her? Might have something to do with the way his soul is screaming at him to mark her, claim her, f\*ck her, and make dragon babies with her. He can't give her his soul if she's already stolen it, or something darker and more dangerous has.

Her scent lured a dragon, yet it is her heart he wants to claim. In a single night of terror, everything Leyloni knows and loves is destroyed-her home left in flames, her friends and family dead, her way of life erased. She flees with the only other survivor, a baby named Serek. In a world where males are rarely born, Serek is precious beyond measure, and Leyloni must put aside her grief and pain to take him somewhere safe. The only sanctuary she knows of is a friendly village on the far side of the Endless Forest. It is a harrowing journey for a huntress to make on her own, more so with a babe. But Leyloni soon realizes she is not alone-she is being stalked by something far more dangerous than any raiders. The beast is massive with a scaled hide, wicked claws, and sharp teeth. His eyes are like violet lightning, his roar like thunder. He is a dragon. And he intends to make her his. --- -- VENYS NEEDS MEN This collaborative series are all standalones and can be read in any order. Every dragon is unique!
