Everything You Need to Know About Choosing, Using, and Enjoying Your RV Zondervan
 'Excellent, practical, and accurate. It leads students from the most fundamental building blocks of interpretation (including skills that most beginning students lack) through all the essential processes.' ---Craig S. Keener, Professor of New Testament, Eastern Seminary
 Just as a rock climber's handhold enables him to master the mountain, a firm grasp on God's Word empowers us to traverse the challenging, risky slopes of life. This workbook is designed for use with the textbook Grasping God's Word. While the textbook shows you the principles and tools of interpretation, the workbook lets you try them out by applying them to specific genres and contexts. Together, these books will help you get a grip on the solid rock of Scripture---how to read it, how to interpret it, and how to apply it. Features include: * Proven in classrooms across the country * Emphasis on real-life application * Supplemented by a website for professors providing extensive teaching materials *

Updates corresponding to the second edition of the textbook, including new exercises Grasping God's Word progresses through the following five sections: 1. How to Read the Book---Basic Tools 2. Contexts---Now and Then 3. Meaning and Application 4. The Interpretive Journey---New Testament 5. The Interpretive Journey---Old Testament
Everyday Theology - Bible Study Book Consulting Success
 Theology shapes your life. Theology, the study of God and His work in the world, isn't just for those with lots of letters after their names or the staff at your church. It is for you in your everyday moments, everyday questions, and everyday decisions. What you believe determines the lens through which you see the world, how you live your daily life, and how you respond to both blessing and disaster. In this study you'll delve into eight essential doctrines of the faith: Scripture, God, Jesus, the Holy Spirit, humanity, salvation, the church, and the end times. As you examine these foundational truths, you will: Understand how the foundations of your faith matter in everyday life. Worship with a greater sense of who God is and His work in the world. Be better equipped to explain your faith. Improve your ability to discern between truth and false teaching. Make decisions in light of the truth of Scripture. Digital Resources E-book and free promotional

The Consulting Bible John Wiley & Sons

From three design partners at Google Ventures, a unique five-day process--called the sprint--for solving tough problems using design, prototyping, and testing ideas with customers.

Grasping God's Word Thomas Nelson

The quintessential guide to kick-starting your career, fully revised and updated for the ever-changing modern job market Despite a recovering economy, many Americans are still losing their jobs, while many who do have jobs are overworked, maxed out, and miserable. In this fully revised and updated edition of I Don't Know What I Want, But I Know It's Not This, career coach Julie Jansen shows how anyone—whether you're unhappy with your job, or without one—can implement a real and satisfying transformation. Changing careers, conducting a job search, or starting a business is more complicated than ever before. Jansen has updated her classic guide to address the unique challenges of today's job market, from the ever-more important world of social media to new ways of funding your own endeavors online. Filled with quizzes, personality assessments, and real-life examples, this guide helps you identify the type of work you're best suited for and

provides the know-how—and the inspiration—for transforming an uncertain time into an opportunity for meaningful change.

The Unbeatable, Updated, Comprehensive Guidebook For First-Time Consultants Getting Started In Consulting More people than ever are making the jump from corporate offices to home offices, taking control of their futures, being their own bosses, and starting their own consultancies. Consulting is a bigger business than ever and growing every day. For almost a decade, Alan Weiss's Getting Started in Consulting has been an indispensable resource for anyone who wants to strike out on his own and start a new consulting business. It provides a rich source of expert advice and practical guidance, and it shows you how you can combine low overhead and a high degree of organization to add up to a six- or even seven-figure income. You'll learn everything you need to know about financing your business, marketing your services, writing winning proposals, meeting legal requirements, setting fees, keeping the books, and much more. This new Third Edition of Getting Started in Consulting is more comprehensive, up to date, and practical than ever. In addition to the nuts-and-bolts basics, you'll also get a wealth of new information and resources: How to leverage new technologies to lower your business costs and increase your profits A budget sampler that shows you how best to maximize an initial start-up investment of \$5,000, \$10,000, or \$20,000 Free downloadable tools and forms to help you design and start your business quickly and easily New interviews with consultants who achieved rapid success, including their personal stories and most effective techniques Brand-new references, examples, and appendices If your dream in life is to get out of the office and out on your own, consulting is a great way to make it happen. Make sure you do it right—and do it profitably—with Getting Started in Consulting, Third Edition. [What You Believe Matters](#) McGraw Hill Professional Consulting For Dummies, 2nd Edition includes a reorganization and narrower focus of the topic, with new or updated information that delves into the specifics of running your own consulting business. There is greater emphasis on the business of consulting, along with financial and legal issues involved in setting up a consulting business, deepening coverage of consulting proposals, and entirely new chapters on higher-level consulting issues that more-established consultants are demanding.

[I Don't Know What I Want, But I Know It's Not This](#) Navpress Publishing Group

Everything you ever wanted to know about consulting—a practical roadmap for aspiring entrepreneurs Seismic changes occurring in the workforce are leading to more and more people entering the world of contract, freelance, and contingency work. Rapid changes in demographics and advances in technology have led companies and talent to engage in profoundly new ways and consulting is one of the keys to success. The New Business of Consulting is authentic and practical, and shares the knowledge and skills required to start and grow a successful consulting business. From how to make a smooth career transition, to how to determine a consulting fee, to how consultants inadvertently create a bad reputation, it covers everything you need to know to thrive and flourish in this competitive field. Covers contemporary topics, such as how to achieve success in the gig economy Discloses a reliable technique to land the clients you want Presents options to help you balance your life and your business Prepares you for naming your business, managing

critical financial issues, and building a client relationship Shows you how to take your income and impact beyond working as a solopreneur The crucial start-up days of a consulting business may be frenetic and fraught with questions. This new edition provides sanity and answers all the questions. It includes practical tools, templates, and checklists that you can download and implement immediately.

'Finally! The book that millions of people have been crying out for. An empowering guide of how to use your work to achieve independence, inspiration and - crucially - balance' Bruce Daisley, author of The Joy of Work and VP, Twitter You want to go freelance. You want to make your career work for you, on your terms and determined by your own definition of success. You want autonomy, flexibility and variety. But where do you start? In The Freelance Bible, award-winning entrepreneur and freelancer, Alison Grade, guides you through absolutely everything that you need to know to start your successful self-employed life. Starting from day one, she will help you develop your personal brand, pick up the financial essentials, grow your client base, manage your work-life balance, negotiate deals and value your time as you become more established. This is your complete guide to turning your talent into a fulfilling and sustainable career. 'Alison strikes an excellent and inspirational balance; sharing tips and advice that help you work out how to be secure in insecurity and ace the journey to becoming a freelancer' Alex Mahon CEO, Channel 4 **The RVer's Bible (Revised and Updated)** Harper Collins

Amazingly, one-third of the American workforce is freelancers that's 42 million people who have to wrestle with not just doing the work, but finding the work, then getting paid for the work, plus health care, taxes, setting up an office, marketing, and so on. Now help is here, and consultants, independent contractors, the self-employed, solopreneurs, and everyone else living a freelancer's life will never be alone again but instead can be part of a strong and vibrant community. Written by the authority on freelance working, Sara Horowitz, MacArthur Genius Fellow and founder of the national Freelancers Union and, most recently, the Freelancers Insurance Company, The Freelancers Bible will help those new to freelancing learn the ropes, and will help those who've been freelancing for a while grow and expand. Its the one-stop, all-encompassing guide to every practical detail and challenge of being a nimble, flexible, and successful freelancer: the three essentials of getting clients and the three most important ways to keep them happy. Five fee-setting strategies. Thirteen tactics for making it through a prolonged dry spell. Setting up a home office vs. renting space. The one-hour contract. A dozen negotiating dos and don'ts. Building and maintaining your reputation. Dealing with deadbeats. Health Insurance 101. Record-keeping and taxes. Productivity, including a quiz: What Is Your Ideal Day? Building a community. Subcontracting and other strategies for taking your freelancing career to the next level. Retirement plans, plans for saving for education, and how to achieve financial freedom.

[1001 Mixed Drinks](#) Simon and Schuster

Acclaimed church leader, blogger, founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a church can take to move towards sustained health. Think about your church for a moment. Is it growing? Is it diminishing? Is it somewhere in between? Acclaimed church leader, blogger, and founder and chief strategic officer of The Unstuck Group, Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch, to the stagnating last stages of life support. Regardless of the stage in which you find your church, it carries with it the world's greatest mission—to "go and make disciples of all the nations . . ." With eternity at stake the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle, where they are continually making new disciples and experiencing what Morgan refers to as "sustained health." In The Unstuck Church, Morgan unpacks each phase of the church lifecycle, and offers specific and strategic next steps the church leader can take to find it's way to sustained health . . . and finally become unstuck. The Unstuck Church is a call for honest assessment of where your church sits on the lifecycle, and a challenge to move beyond it.

The Consulting Bible How to Launch and Grow a Seven-Figure Consulting Business John Wiley & Sons

Million Dollar Consulting Harper Collins

In this thoroughly revised edition of his classic book, Alan Weiss shows how consulting fees are dependent on only two things: value provided in the perception of the buyer and the intent of the buyer and the consultant to act ethically. Many consultants, however, fail to understand that perceived value is the basis of the fee, or that they must translate the importance of their advice into long-term gains for the client in the client's perception. Still others fail to have the courage and the belief system that support the high value delivered to clients, thereby reducing fees to a level commensurate with the consultant's own low self-esteem. Ultimately, says Weiss, consultants, not clients, are the main cause of low consulting fees.
