Daughters of the Lake

Macmillan

In time for the 75th anniversary of the Man of Steel, comes the first comprehensive literary biography of Joe Shuster

and Jerry Siegel, creators of the DC Comics superhero Superman and the inspiration for Michael Chabon's Kavalier and Clay Drawing on ten years of research in the trenches of Cleveland libraries, boarded-up high schools, and secret, private collections, and a love of comic books, Brad Ricca's Super Boys is the first ever full biography

about Superman's creators. Among scores of new discoveries, the book reveals the first stories and pictures ever published by the two, where the first Superman story really came from, the real inspiration for Lois Lane, the template for Superman's costume, and much, much more. Super Boys also tracks the boys' unknown, often

mysterious lives after they left Superman, including Siegel's secret work during World War II and never-before-seen work from Shuster. Super Boys explains, finally, what exactly happened with the infamous check for \$130 that pulled Superman away from his creators—and gave control of the character to the publisher. Ricca also uncovers the true nature of Jerry's father's death, a crime that has always remained a mystery. Super Boys is the story of a long friendship between

boys who grew to be men and the standard that would be impossible for both of them to live up to. [Summary of the Amazing Adventures of Kavalier & Clay: Trivia/Quiz for Fans](#)
Open Road Media
The Pulitzer Prize-winning author's "astonishing" debut novel, about a son's struggle to find his own identity and integrity (The New York Times). Michael Chabon, author of The Amazing Adventures of Kavalier & Clay, Moonglow, and The Yiddish Policeman's Union, is one of the most

acclaimed talents in contemporary fiction. The Mysteries of Pittsburgh, published when Chabon was just twenty-five, is the beautifully crafted debut that propelled him into the literary stratosphere. Art Bechstein may be too young to know what he wants to do with his life, but he knows what he doesn't want: the life of his father, a man who laundered money for the mob. He spends the summer after graduation finding his own way, experimenting with a

group of brilliant and seductive new friends: erudite Arthur Lecomte, who opens up new horizons for Art; mercurial Phlox, who confounds him at every turn; and Cleveland, a poetry-reciting biker who pulls him inevitably back into his father's mobbed-up world. A New York Times bestseller, *The Mysteries of Pittsburgh* was called "astonishing" by Alice McDermott, and heralded the arrival of one of our era's great voices. This ebook features a biography of the author.

37 Inspiring Stories of Courage and Heart from the Animal Kingdom

Fourth Estate
From the author of the wildly controversial books *Liar* and *Paul's Case* comes one of the most anticipated — and perhaps, in some quarters, feared — books of the year. This is author Lynn Crosbie at her most honest, most cutting, most hilarious, and most heartbreaking. The stories told here are at once a cache, a repository, of a seven-year period in the author's life; and, too, a

gymnasium, a place where she can flex her prodigious wit and her dazzling stash of literary tricks Deft with matters both low- and highbrow (here are stories about 80s big-hair bands and the lasting, theological value of the Rocky series; here, too are stories contemplating critical theory and fine art), *Life is About Losing Everything* speaks with manic yet grave authority about risking and losing everything, and then sorting through the remains to discover what

is beautiful, what is trash, and what, ultimately, belongs.

Harper Collins
 Inspired by Michael Chabon's Pulitzer Prize-

winning novel *The Amazing Adventures of Kavalier and Clay*, this is Vaughan's love letter to his chosen medium, a story about what it takes to start out with nothing in Cleveland, Ohio, and end up with a comic so hot a major corporation wants to steal it from you! Brilliantly interweaving the lives of the creators with the world of their creation, artists Steve Rolston and Philip Bond bring the comic-booking trio Maxwell Roth, Case Weaver, and Denny Jones to life, while the inimitable

Jason Shawn Alexander and Eduardo Barreto illustrate the thrilling trials and exciting extrications of the new -- and old -- Escapist!

Hidden Truth of Man and Woman The Amazing Adventures of Kavalier & Clay (with bonus content) A Novel

A piercing portrait of the struggles and triumphs of one of America's renowned Jewish neighborhoods in the wake of unspeakable tragedy that highlights the hopes, fears, and tensions all Americans

must confront on the road to healing. Squirrel Hill, Pittsburgh, is one of the oldest Jewish neighborhoods in the country, known for its tight-knit community and the profusion of multigenerational families. On October 27, 2018, a gunman killed eleven Jews who were worshipping at the Tree of Life synagogue in Squirrel Hill--the most deadly anti-Semitic attack in American history. Many neighborhoods would be understandably subsumed by despair and

recrimination after such an event, but not this one. Mark Oppenheimer poignantly shifts the focus away from the criminal and his crime, and instead presents the historic, spirited community at the center of this heartbreak. He speaks with residents and nonresidents, Jews and gentiles, survivors and witnesses, teenagers and seniors, activists and historians. Together, these stories provide a kaleidoscopic and nuanced account of collective grief, love, support, and revival. But

Oppenheimer also details the difficult dialogue and messy confrontations that Squirrel Hill had to face in the process of healing, and that are a necessary part of true growth and understanding in any community. He has reverently captured the vibrancy and caring that still characterize Squirrel Hill, and it is this phenomenal resilience that can provide inspiration to any place burdened with discrimination and hate.

A Novel

In the fictional world of

the Pulitzer Prize-winning novel, *The Amazing Adventures of Kavalier & Clay*, the Escapist--the epitome of Golden Age superhero--was conceived. This anthology is a collection of the hero's history and his exploits, created by an all-star cast of comic book luminaries. The Escapist and his associates are heroes to all who languish in oppression's chains. They roam the globe, performing amazing feats to foil diabolical evildoers. From preventing a prison break and attack on

Empire City, to facing a demonic horde in Japan, to crushing a galactic takeover in the year 2966, and to surfacing a sunken submarine from 300 fathoms, the Escapist brings hope and liberation. As the history of his creators, Joe Kavalier and Sam Clay, was chronicled in *The Amazing Adventures of Kavalier & Clay*, now a multitude of the Escapist's adventures are collected here, along with the patchwork publishing history of the character. This volume also contains

the adventures of the Escapist's associate, Luna Moth. The stories and art within are by amazing talent like Brian K. Vaughan (Saga, Y--The Last Man), Kyle Baker (The Fifth Beatle), Eduardo Barreto (Batman), Howard Chaykin (American Flag, Star Wars), Gene Colan (Daredevil, Howard the Duck), Matt Kindt (Pistolwhip), Kevin McCarthy (Circuit-Breaker), Bill Sienkiewicz (Elektra: Assassin), Jim Starlin (Captain Marvel) and, of course, Michael

Chabon. Containing a total of twenty-six tales, along with two never-before-collected stories, this volume also contains six never-before-published stories, as well as a robust gallery of pinups celebrating the world of the Escapist from artists including Brian Bolland (Judge Dredd), Jöelle Jones (Lady Killer), Mike Mignola (Hellboy), Eric Wight (My Dead Girlfriend), Jae Lee (Before Watchmen), and more! **Fight of the Century** Harper Collins
The “wise, wildly funny

story” of a self-destructive writer’s lost weekend by a Pulitzer Prize-winning, New York Times–bestselling author (Chicago Tribune). A wildly successful first novel made Grady Tripp a young star, and seven years later he still hasn’t grown up. He’s now a writing professor in Pittsburgh, plummeting through middle age, stuck with an unfinishable manuscript, an estranged wife, a pregnant girlfriend, and a talented but deeply disturbed student named James Leer. During one

lost weekend at a writing festival with Leer and debauched editor Terry Crabtree, Tripp must finally confront the wreckage made of his past decisions. Mordant but humane, *Wonder Boys* features characters as loveably flawed as any in American fiction. This ebook features a biography of the author. [The Tree of Life Synagogue Shooting and the Soul of a Neighborhood](#) Center Point
This is a book of deep mysteries revealed to the

earth man for the first time by God, through the Harbinger of the last covenant lyke Nathan Uzorma. *Moonglow* Open Road Media
In *The Amazing Adventures of Kavalier and Clay*, prose magician Michael Chabon conjured the golden age of comic books, intertwining history, legend and story-telling verve. In *The Final Solution*, he has condensed his boundless vision to create a short, suspenseful tale of compassion and wit that

re-imagines the classic 19th-century detective story. In deep retirement in the English countryside, an 89-year old man, vaguely recollected by the locals as a once-famous detective, is more concerned with his bookkeeping than his fellow man. Into his life wanders Linus Steinman, nine years old and mute, who has escaped from Nazi Germany with his sole companion: an African grey parrot. What is the meaning of the mysterious strings of German numbers the bird

spews out—a top-secret SS code? The keys to a series of Swiss bank accounts? Or do they hold a significance at once more prosaic and far more sinister? Though the solution to this last case may be beyond even the reach of the once famed sleuth, the true story of the boy and his parrot is subtly revealed to the reader in a wrenching resolution to this brilliant homage. *The Final Solution* is a work from a master story-teller at the height of his powers. *The Escapists* Vintage

A story collection from the Pulitzer Prize-winning author of *The Amazing Adventures of Kavalier & Clay*, “one of his generation’s most eloquent new voices” (*The New York Times*). With his first novel, *The Mysteries of Pittsburgh*, Michael Chabon announced his presence as a literary wunderkind of style and substance. *A Model World and Other Stories* only burnished his reputation as a distinctive prose stylist. In eleven elegant tales—some of them linked—by the New

York Times–bestselling author of *Telegraph Avenue* and *The Amazing Adventures of Kavalier & Clay*, Chabon’s singular characters hold tight to private dreams even as their closest relationships crumble. Five stories follow an anxious adolescent from the beach vacation where he learns of his parents’ divorce to the confused days of a woefully misguided crush. Others find ex-lovers tormenting each other at an oceanside café, a washed-up professional baseball

player attending a teammate's funeral, and a Pittsburgh disc jockey still pining for a woman who married him to get her American citizenship. "Chabon moves across powerful emotional ground with certainty and delicacy," raves the Chicago Tribune. "There are heartbreaking moments in these stories, but they are rendered so precisely, through incidents that capture the subtlest of feelings, that the reader can only smile at Chabon's skill." This ebook features a

biography of the author. *A Novel/ House of Anansi* NEW YORK TIMES BESTSELLER Winner of the Sophie Brody Medal • An NBCC Finalist for 2016 Award for Fiction • ALA Carnegie Medal Finalist for Excellence in Fiction • Wall Street Journal's Best Novel of the Year • A New York Times Notable Book of the Year • A Washington Post Best Book of the Year • An NPR Best Book of the Year • A Slate Best Book of the Year • A Christian Science Monitor Top 15 Fiction Book of the Year • A New

Scott, New York Times Book Review, cover review

Following on the heels of his New York Times bestselling novel *Telegraph Avenue*, Pulitzer Prize-winning author Michael Chabon delivers another literary masterpiece: a novel of truth and lies, family legends, and existential adventure—and the forces that work to destroy us. In 1989, fresh from the publication of his first novel, *The Mysteries of Pittsburgh*, Michael Chabon traveled to his mother's home in Oakland, California, to visit his terminally ill

grandfather. Tongue loosened by powerful painkillers, memory stirred by the imminence of death, Chabon's grandfather shared recollections and told stories the younger man had never heard before, uncovering bits and pieces of a history long buried and forgotten. That dreamlike week of revelations forms the basis for the novel *Moonglow*, the latest feat of legerdemain from Pulitzer Prize-winning author Michael Chabon. *Moonglow* unfolds as the

deathbed confession of a man the narrator refers to only as "my grandfather." It is a tale of madness, of war and adventure, of sex and marriage and desire, of existential doubt and model rocketry, of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury, and, above all, of the destructive impact—and the creative power—of keeping secrets and telling lies. It is a portrait of the difficult but passionate love between the narrator's grandfather

and his grandmother, an enigmatic woman broken by her experience growing up in war-torn France. It is also a tour de force of speculative autobiography in which Chabon devises and reveals a secret history of his own imagination. From the Jewish slums of prewar South Philadelphia to the invasion of Germany, from a Florida retirement village to the penal utopia of New York's Wallkill prison, from the heyday of the space program to the twilight of the "American Century,"

the novel revisits an entire era through a single life and collapses a lifetime into a single week. A lie that tells the truth, a work of fictional nonfiction, an autobiography wrapped in a novel disguised as a memoir, *Moonglow* is Chabon at his most moving and inventive. **Pops** HarperCollins Audio Meet Mookie Pearl. Criminal underworld? He runs in it. Supernatural underworld? He hunts in it. Nothing stops Mookie when he's on the job. But when his daughter takes

up arms and opposes him, something's gotta give...
