Marital
troubles? Sick
of life? Suicide
the answer?
Why not get
yourself a
contract killer?
Nothing

easier,
provided you
communicate
only by phone
and box
number. You
give him your
photograph,
specify when
and in which
cafe to find
you, then sit
back and
prepare to die.
Murdered, you
will be of

greater interest than ever you were in life. More to him than met the eye will be the judgment. A mysterious killing lives long in the popular memory. As with Raskolnikov in Crime and Punishment, so with our hero: meticulous planning, nothing left to chance. Nothing, beyond that chance is not predictable. Raskolnikov, intending to kill one, kills two, and our hero suddenly wants to live.

The setting for this intriguing tale is a snowy Kiev as immediate as Simenon's Paris and Conan Doyle's London. *Che Guevara* Lexington Books "When a struggling actor in 1970s New York gets the call that an enigmatic director wants him for an art film set in the Amazon, he doesn't hesitate: he flies to South America, no questions asked. He quickly realizes he's made a mistake. He's

replacing another actor who quit after seeing the script--a script the director now claims doesn't exist. The movie is over budget. The production team seems headed for a breakdown. The air is so wet that the celluloid film disintegrates. But what the actor doesn't realize is that the greatest threat might be the town itself, and the mysterious shadow economy that powers this remote jungle outpost"--

Do Americans
care what
foreigners
think about
the United
States? This
book makes
the case that
they should. In
these pages,
Jorge
Castañeda
writes from
his unique
vantage point
as a former
Foreign
Minister of
Mexico who
has lived,
studied, and
worked in
America. He
offers an
impressionistic,
analytical,
and intuitive

experience in
the country

over the last
half-century,
and shows
how
foreigners can
provide
perspective on
the United
States' true

Castañeda
brings a
different
viewpoint to
issues ranging
from
purported
American
exceptionalism,
uniformity,
race and
religion,
culture,
immigration,
and the death
penalty.
Visitors and
analysts, from
Dickens to
Naipaul, have
generally
asked the

right
questions and
described
America's
most salient
features and
mysteries.
But, they have
not always
followed
through with
answers and
explanations.
Castañeda
draws from his
work with
American civil
society and
government
authorities to
provide both
insight and
context.
Americans
have long
seen their
country as
"exceptional,"
standing
outside of
history, but by
comparing its

contemporary politics and culture with those of other countries, Castañeda shows how increasing nationalism and nostalgia are actually making the US more like other countries. Castañeda admits that most Americans have never cared much about what a foreigner thinks about their country, but the dynamic is shifting. The outside world means more to the US than ever before,

and Americans should care about what foreigners think since they are now so sensitive to what foreigners do. Since Trump's election in 2016, American politics increasingly resemble those of Europe, Latin America, and parts of Asia, such that pining for a lost and glorious past is as American as it is British, Mexican, Chinese, or Italian. Now, the questions that serious,

knowledgeable, and sympathetic foreigners address to Americans may be the ones Americans ask--or should ask--for themselves. **Siddhartha** Verso Books #1 NEW YORK TIMES BESTSELLER • An innocent man is about to be executed. Only a guilty man can save him. In 1998, in the small East Texas city of Sloan, Travis Boyette abducted, raped, and strangled a popular high

school cheerleader. He buried her body so that it would never be found, then watched in amazement as police and prosecutors arrested and convicted Donté Drumm, a local football star, and marched him off to death row. Now nine years have passed. Travis has just been paroled in Kansas for a different crime; Donté is four days away from his execution. Travis suffers from an inoperable brain tumor.

For the first time in his miserable life, he decides to do what's right and confess. But how can a guilty man convince lawyers, judges, and politicians that they're about to execute an innocent man? *Homage to Catalonia* Lulu.com "Foreigners have been writing about the United States ever since its foundation. Now it is my turn. But please don't hold this against me: the United

States itself is at fault. Like a great many people on earth, I've long been fascinated by this remarkable phenomenon which calls itself America. My fate -or perhaps good fortune- has been that of a foreigner who for half a century lived the American experience-as a child, as a student, as an author, as a recurrent visitor and as a university professor. Being Mexican places me in a special category:

having lost half its territory to the United States in the 19th century, having found itself caught up in the maelstrom of America's current identity crisis, Mexico can never ignore what happens north of the border. Further, while serving as Mexico's Foreign Minister from 2000 to 2003, I had the privilege of peeping inside the machinery of power that makes this great nation tick. That said,

this book is not written from a Mexican perspective but rather from that of a sympathetic foreign critic who has seen the United States from both inside and outside. And its hope is to contribute something to how Americans view themselves and are viewed by the world. Before embarking on this journey, I naturally looked back at some of my forebears, earlier foreigners

who were drawn to visit or live in the United States and who then went on to offer their version of America to their home readers. Some like the French traveler Alexis de Tocqueville, author of the early 19th century classic, Democracy in America, felt European nations had much to learn from the American democratic experiment. Others like Charles Dickens left

dismayed by what he considered to be the country's singular obsession with money. But they are just two of dozens who have tried-and continue to try- to find a magic key that unlocks the complexities and contradictions of American society. Indeed, it is as if the United States seeks to challenge foreign writers to explain it, confident they will fail. And in taking it on, these

outsiders have variously experienced frustration, hope, anger, excitement, disappointment and enlightenment - but never indifference"--
Godfrey Mwakikagile Tanzanian Writer
 New Africa Press
 The untold story of how the American government assassinated the world's most famous revolutionary
 In compelling detail, two leading US civil rights attorneys recount the extraordinary life and

deliberate killing of the world's most storied revolutionary: Ernesto "Che" Guevara.
 Michael Ratner and Michael Steven Smith survey the extraordinary trajectory of Che's career from an early politicization recounted in *The Motorcycle Diaries*, through meetings with his compañero Fidel Castro in Mexico, his vital role in the Cuban revolution, and his expeditions abroad to

Africa and Latin America. But their focus is on Che's final days in Bolivia where, after months of struggle to spread the revolution that had begun in Havana, Che was wounded, captured, and executed. Bound and helpless, Che's last words to his killer, a soldier in the Bolivian Army, were: "Remember, you are killing a man." Referencing internal US government documentation, much of it never before published,

Ratner and Smith use their forensic skills as attorneys to analyze the evidence and present an irrefutable case that the CIA not only knew of and approved the execution, but was instrumental in making it happen. Cables from the agency disavowing any US role in the murder were merely attempts to provide plausible deniability for the Johnson administration. The spirit of Che Guevara,

as an icon and an inspiration, is as vibrant today as it ever was. Protestors around the world continue to use his image. For anyone drawn to his remarkable life and its violent, unlawful end, How the CIA Killed Che will engage, anger, and educate. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in

history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that

are sometimes overlooked and to authors whose work might not otherwise find a home. *Loving Che* Bloomsbury Publishing Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses,

a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to

uproot their new life, Esperanza must find a way to rise above her difficult circumstances -because Mama's life, and her own, depend on it. *Che Wants to See You* Random House For the first time, Ciro Bustos, Che's right-hand man in the struggle for Argentina, tells his story. As a young man inspired by the example of Cuba, Bustos was determined to bring

revolution to the home country he shared with his hero. After a failed attempt to liberate Argentina, it was not until 1966 that he was contacted by the Cubans once again and told, "Che wants to see you." Under false papers, Bustos crossed the border into Bolivia, where Che was in hiding with his guerrilla forces; and here, for the first time, Che shared his plans for a continental revolution. In

this fascinating memoir, Ciro Bustos tells us a story only he is able to recount: what really happened in Bolivia in 1967 and why he did not betray Che.

An Historical Reader Open Road + Grove/Atlantic This title examines the remarkable life of Dorothy Dandridge. Readers will learn about Dandridge's family background, childhood, education, and groundbreaking work as an

actress who broke down racial barriers. Color photos and informative sidebars accompany easy-to-read, compelling text. Features include a table of contents, timeline, facts, additional resources, Web sites, a glossary, a bibliography, and an index. Essential Lives is a series in Essential Library, an imprint of ABDO Publishing Company. *From Migrants to Immigrants* The New Press
Traces the life

of the Latin American communist revolutionary from his youth, to his relationship with Fidel Castro, to his untimely demise
A Graphic Biography Simon and Schuster
Examines the life of Che Guevara, including his family's background, childhood, education, and groundbreaking work as a revolutionary fighting against poverty.
Haus Publishing

A genuine literary event—an illuminating collection of correspondence from one of the most acclaimed American writers of all time Over the course of a nearly sixty-year career, Norman Mailer wrote more than 30 novels, essay collections, and nonfiction books. Yet nowhere was he more prolific—or more exposed—than in his letters. All told, Mailer crafted more than 45,000

pieces of
correspondence
(approximately 20 million
words), many
of them
deeply
personal,
keeping a
copy of almost
every one.
Now the best
of these are
published—most
for the
first time—in
one
remarkable
volume that
spans seven
decades and,
it seems,
several
lifetimes.
Together they
form a
stunning
autobiographical
portrait of
one of the
most original,

provocative,
and outspoken
public
intellectuals of
the twentieth
century.
Compiled by
Mailer's
authorized
biographer, J.
Michael
Lennon, and
organized by
decade,
Selected
Letters of
Norman Mailer
features the
most
fascinating of
Mailer's
missives from
1940 to
2007—letters
to his family
and friends, to
fans and
fellow writers
(including
Truman
Capote, James
Baldwin, and

Philip Roth), to
political
figures from
Henry
Kissinger to
Bill and Hillary
Clinton, and to
such cultural
icons as John
Lennon,
Marlon
Brando, and
even Monica
Lewinsky.
Here is Mailer
the precocious
Harvard
undergraduate,
writing
home to his
parents for
the first time
and worrying
that his
acceptances
by literary
magazines
were "all
happening too
easy." Here,
too, is Mailer
the soldier,

confronting the violence of war in the Pacific, which would become the subject of his masterly debut novel, *The Naked and the Dead*: “[I’m] amazed how casually it fits into . . . daily life, how very unhorrible it all is.” Mailer the international celebrity pledges to William Styron, “I’m going to write every day, and like Lot’s Wife I’m consigning myself to a pillar of salt if I dare to look back,” while

the 1980s Mailer agonizes over the fallout from his ill-fated friendship with Jack Henry Abbott, the murderer who became his literary protégé. (“The continuation of our relationship was depressing for both of us,” he confesses to Joyce Carol Oates.) At last, he finds domestic—and erotic—bliss in the arms of his sixth wife, Norris Church (“We bounce into each other like sunlight”).

Whether he is reflecting on the Kennedy assassination, assessing the merits of authors from Fitzgerald to Proust, or threatening to pummel William Styron, the brilliant, pugnacious Norman Mailer comes alive again in these letters. The myriad faces of this artist and activist, lover and fighter, public figure and private man, are laid bare in this collection as never before. Praise for Selected

Letters of Norman Mailer "Extraordinary . ."—Vanity Fair "As massive as the life they document . . . the autobiography [Mailer] never wrote . . . a kind of map, from the hills and rice paddies of the Philippines through every victory and defeat for the rest of the century and beyond."—Esquire "The shards and winks at Mailer's own past that are scattered throughout the letters . . . are so

tantalizing. They glitter throughout like unrefined jewels that Mailer took to the grave."—The New Yorker "Indispensable . . . a subtle document of an unsubtle man's wit and erudition, even (or especially) when it's wielded as a weapon."—New York "Umpteen pleasures to pluck out and roll between your teeth, like seeds from a pomegranate."—The New York Times Mexico and

the Mexicans Catapult Examines the history and national characteristics of modern Mexico, discussing the contradictions of its politics, its complicated relationship with the United States, and its possible future direction. Reprint. Utopia Unarmed Seven Stories Press The Kaprálová Companion, edited by Karla Hartl and Erik Entwistle, is a collection of

<p>biographical and analytical essays on Czech composer Vítězslava Kaprálová [1915-1940]. Accompanied by an annotated catalog of works, annotated chronology of life events, bibliography, discography, and a list of published works, <i>The Kaprálová Companion</i> is an essential, comprehensive guide to the composer's life and music, and it is the first book on Kaprálová in English.</p>	<p><i>African Writers</i> Oxford University Press In <i>THE EAGLE AND THE ROSE</i>, Rosemary Altea tells the remarkable story of awakening to her psychic gifts as a medium and healer. As simple and honest as the story is remarkable, <i>THE EAGLE AND THE ROSE</i> describes how Rosemary Altea is chosen to be the voice of the spirit world; how she is taken under the wing of a</p>	<p>Native American spirit guide named Grey Eagle and taught to use her astonishing power to heal, go astral-travelling, and perform soul rescue. Grey Eagle calls Rosemary "his Rose" as he helps nurture her gift. In the casebook section of <i>THE EAGLE AND THE ROSE</i> are 10 stories of astonishing impact - how a woman decapitated in a train wreck relives her traumatic death in Rosemary</p>
--	---	--

Altea's body in order to adjust to life in the hereafter; how a tragic boating accident is predicted months before the fact by Rosemary Altea on a live radio show; how a dead child convinces his mother that he is safe with relatives on the spirit plane. Behind all these moving communications is Grey Eagle, Rosemary's mentor, constant companion, and friend. His spirit

pervades this book as he focuses the spotlight on an important teaching: Life may continue after death, but how we behave on the Earth Plane does count. Grey Eagle elevates the message in this book to a transcendent level. He says, "We are all souls and must treat each other with kindness." We are not human beings having a spiritual experience. We are spiritual beings having a human

experience. *Che Guevara* Harvill Press Declared "the best survival book in a decade" by Outside Magazine, 438 Days is the true story of the man who survived fourteen months in a small boat drifting seven thousand miles across the Pacific Ocean. On November 17, 2012, two men left the coast of Mexico for a weekend fishing trip in the open Pacific. That night, a violent storm

ambushed them as they were fishing eighty miles offshore. As gale force winds and ten-foot waves pummeled their small, open boat from all sides and nearly capsized them, captain Salvador Alvarenga and his crewmate cut away a two-mile-long fishing line and began a desperate dash through crashing waves as they sought the safety of port. Fourteen months later, on January 30, 2014,

Alvarenga, now a hairy, wild-bearded and half-mad castaway, washed ashore on a nearly deserted island on the far side of the Pacific. He could barely speak and was unable to walk. He claimed to have drifted from Mexico, a journey of some seven thousand miles. A “gripping saga,” (Daily Mail), 438 Days is the first-ever account of one of the most amazing survival

stories in modern times. Based on dozens of hours of exclusive interviews with Alvarenga, his colleagues, search-and-rescue officials, the remote islanders who found him, and the medical team that saved his life, 438 Days is not only “an intense, immensely absorbing read” (Booklist) but an unforgettable study of the resilience, will, ingenuity and determination

required for one man to survive more than a year lost and adrift at sea.

The Politics of Che Guevara

African Books
By the time he was killed in the jungles of Bolivia, where his body was displayed like a deposed Christ, Ernesto "Che" Guevara had become a synonym for revolution everywhere from Cuba to the barricades of Paris. This extraordinary biography peels aside the veil of the Guevara legend to

reveal the charismatic, restless man behind it. Drawing on archival materials from three continents and on interviews with Guevara's family and associates, Castaneda follows Che from his childhood in the Argentine middle class through the years of pilgrimage that turned him into a committed revolutionary. He examines Guevara's complex relationship

with Fidel Castro, and analyzes the flaws of character that compelled him to leave Cuba and expend his energies, and ultimately his life, in quixotic adventures in the Congo and Bolivia. A masterpiece of scholarship, Companero is the definitive portrait of a figure who continues to fascinate and inspire the world over. A Novel
Vintage
In these days of pandemic, war and political turbulence,

hope can seem to be in short supply. But hope is one of the theological virtues and it is far more profound than mere optimism. Today, pessimism and despair seem all too prevalent. What can we do about the poor and starving, about those who seem to be locked in interminable conflict and families weighed down by the consequences of breakdown? Sister Teresa White's book

is an antidote to all this and it is written with beautiful simplicity and directness. There is no hiding behind complicated or technical language. In one of the most forceful chapters in the book, the author shows how hope breeds courage and breeds hope. But hope is not a matter of wishful thinking. Drawing on St Augustine, the author shows moreover that hope has two essential components.

Not just courage but anger as well. The expression of our anger can lead to greater clarity with our discernment and spiritual perception. Hope too can lead us to understand God's solidarity with us in times of sorrow and struggle. Teresa White in this Lent Book draws on inspiration from writers as diverse as Julian of Norwich and Karl Rahner, Elizabeth Barrett-Browning and

Henri Nouwen, but throughout the book there is strong scriptural underpinning which the author uses to great effect. Princeton Alumni Weekly Oxford University Press, USA The author looks at the former Belgian Congo during the turbulent sixties. He also looks at the events that followed, including American involvement, in the bleeding heart of Africa. Mercenaries from

apartheid South Africa were also some of the most important players on the Congo scene during that period. The author also looks at the role a number of African countries such as Tanzania played in the Congo to help the pro-Lumumbist nationalist forces during that critical period in the history of the continent as colonial rule was coming to an end. Another important player on the

Congo scene was Che Guevara together with a number of Cuban troops who entered Congo through Tanzania. Tanzania served as a conduit and as a rear base for them during their Congo mission. The author takes an in-depth look at the role of Che Guevara and the Cubans during the Congo crisis and at a number of other events which unfolded during that period. The

Congo crisis was one of the most important political developments in the history of post-	colonial Africa. And its impact is still felt today as the country continues to suffer from	years of abuse and neglect, including external intervention, a fate it has endured since the sixties.
