A Carpathian

Reunion Penguin
Danger and passion
fuse in this electrifying
GhostWalker novel
from #1 New York
Times bestselling
author Christine
Feehan. GhostWalker
Rubin Campo's rough

upbringing made him into the man he is today: strong, steadfast and wary of outsiders. When he and his brother return to their family's homestead in the Appalachian Mountains, he can immediately sense that a stranger has taken up residence in their cabin--a woman who just happens to be a GhostWalker too. Jonquille looks deceptively delicate but is clearly a fighter. She also doesn't seem to care that Rubin could kill her where she stands. She sought him out, wanting to connect on their shared interest in electrical charges. As one of the first failed GhostWalker experiments, Jonquille can produce lightning with her body--but she

can't control it. Their connection is magnetic, their abilities in sync. Rubin knows she's his match, the answer to a lifetime of pain and intense loneliness. But Jonquille came to him with hidden intentions, ones that threaten to destroy their bond before it can truly begin....

Street Game Penguin
In this explosive GhostWalker novel by #1 New York Times bestselling author Christine Feehan, a trained killer meets his match in a woman whose very kiss can stop a heart. The Cajun dive in the middle of the godforsaken swamps wasn't exactly Trap Dawkins' idea of fun. But the GhostWalker wasn't there for a good time. He was looking for her.

Cayenne. It's where she found her victims. Poor suckers. Then again, who wouldn't want to leave a place like this with a woman like her? It's not Cayenne's fault. Locked up, experimented on and never knowing kindness, she was bred this way—with a heart of pure venom. Trap understands her. He survived his own dark past and he shares her desire for getting even. But now Trap's greatest danger is Cayenne herself. Because what's inside her is hard to control—especially when it's aroused by a lover as reckless as Trap.

Dark Desire Penguin
Two predators collide with unbridled passion in this intoxicating GhostWalker novel

from #1 New York Times bestselling author Christine Feehan. Jonas "Smoke" Harper has watched his brothers find their perfect mates, never imagining he'd actually meet someone who complements every part of him—even the monster that lurks within. They are two parts of a whole, linked to each other and to a larger network that exists everywhere around them. Camellia has lived on her own for a long time, relying on her unique psychic abilities to keep her safe. She knows that Jonas was literally made for her, and that makes their addictive

connection more dangerous than a thousand enhanced super soldiers. Once the larger threat looming over them is dealt with she's going to get far away as fast as she can. Life has taught her that the only one she can truly trust is herself. Jonas can sense Camellia is going to run—and the hunter inside doesn't want to let go. Not when he knows how good they'll be together. So he'll just have to use all of his considerable skills to convince her to stay....
