In New York Times and USA Today bestselling author Toni Aleo's third novel in her hot Assassins series, the chiseled men of this Nashville hockey team can make anything happen when they go all out for the women they want--even turn a one-night stand into a happily ever after. Audrey Parker is up against the boards. She's stuck in a job she hates and pining for a total jerk. Meanwhile, her sister Fallon is moving out and getting married to hockey star Lucas Brooks. Where is Audrey's Prince Charming? Nothing she does has ever seemed to be good enough for any of the men in her life. Audrey's about to hit rock bottom . . . until

she wakes up next to Tate Odder. The thrill of moving up from the minors to the Nashville Assassins was a welcome distraction. But not even becoming the first rookie goalie to tally three shutouts in the Stanley Cup finals alleviates the pain. With the loss of his parents and sister weighing as heavily on his soul as ever, Tate Odder can't keep pretending he's okay. That's when he meets smart, sexy Audrey. Her gentle warmth and quirky sense of humor make him feel whole for the first time in too long. But to stay that way forever, Tate must find a way to accept his past and learn to live for love. Praise for Toni Aleo's Nashville Assassins romances "Aleo melts the ice and hits it into the net with her Assassins series."--Award-winning author Jami Davenport "Taking Shots is really the whole package. You get romance, humor, steamy sex, drama, and then it all wraps up with a great conclusion. I am amazed that this is Toni's first book. She has

come out in a huge way. I can't wait to read more from her. Don't hesitate for a moment to grab this book."--Guilty Pleasures Book Reviews "A little steamy, a little heartbreaking, and a whole lot of fanning yourself are in order this time around, readers. Are your cheeks feeling a little pink yet? Get used to the feeling."--Dreaming in the Pages, on Trying to Score "Empty Net is an honest, heartwarming, endearing story. . . . Toni Aleo doesn't just write a story. She gives you the ability to experience the journey of her characters right along with them. Her stories are enveloped with passion, emotion, humor, love; and let me tell you, that girl knows how to write a sex scene that just makes you sweat!"--Guilty Pleasures Book Review "Sexy and riveting . . . the perfect combination of love and lust."--USA Today bestselling author Heidi McLaughlin, on Blue Lines "Funny, charming, sweet, sexy . . . [Falling for the Backup] has everything you want in a story."--Blushing Reader

All three books of the bestselling Dearest series—Dearest Clementine, Finding Dandelion, and Kissing Madeline—are included in this box set, along with exclusive bonus content. Each full-length companion novel features a different couple. DEAREST CLEMENTINE (a bestselling romantic comedy) When Clementine Avery swore off men, she had no idea she'd need real life experience for that romance writing class she accidentally signed up for last spring. Fortunately, sexy RA Gavin Murphy offers to help her find a little inspiration... in the name of academics, of course. FINDING DANDELION (#1 sports fiction and a bestselling sports romance) Hooking up with that hot guy at the club should've been an easy, panty-melting item to check off Dani

Hart's bucket list. But when Dani realizes the hottie is her snarky new roommate's brother, what should've been uncomplicated suddenly isn't. KISSING MADELINE (#1 sports fiction and a bestselling sports romance) Maddie McDermott is confident no one will stand in her way of becoming a broadcast reporter, not even the subject of her new segments—her hot new neighbor Daren Sloan, the NFL's latest "it boy." Daren doesn't seem to care that Maddie can't stand him. In fact, he'd love nothing more than to show her that being friends has its benefits.

Keep My Heart Harper Collins

What's the worst thing about wanting a sexy NFL football player? Everyone else wants him, too. After catching my boyfriend getting deep-throated by a skanky cage girl, I've learned my lesson - never date a professional athlete. Never. Besides, I have more important things to worry about, like not blowing my shot to make it as a broadcast reporter. I won't let anything get in my way, not even the new "it boy" of the NFL and my hot-as-hell neighbor. What's the worst thing about getting death glares from his new neighbor? It doesn't make him want her any less. I've worked my ass off to make it to the pros. The last thing I need is the complication of a relationship, especially since my last one was a total train wreck. But I can't stop thinking about the feisty girl next door with the smart mouth. And I'd love nothing more than to show her what to do with that mouth. Friends with benefits might be the best idea he's ever had. Or the worst.

*Make It Count Forever*

The boy next door has always made her breathless. Joey... I wouldn't say I ran away exactly—twenty-two is too old for that. I'd call it self-preservation. I have one objective: protect my heart from the boy next door who has no clue I've loved him my whole life, even with a front row seat to his revolving bedroom door. My escape plan almost worked. Except I left one thing behind. Logan Carter hijacked my heart, and now it's time to get it back. This time for good. Logan... I wouldn't say I've been lying this whole time—not about everything. Not about how much I miss my best friend, and definitely not about how pissed I am that she left with

hardly a goodbye. She's the last person I ever expected to ghost me, and her absence left a gaping hole in my chest. When Joey Grayson steps off that bus, I know I'll do anything to keep her home, and that means finding out the truth. But I'm not sure how to tell her my truths when I'm living so many lies. Breathless is a standalone companion novel to the USA Today bestsellers Shameless and Reckless. Each book features a different couple. Kissing Madeline Lex Martin

Temptation has never come in a hotter package. You know how people say you can never believe what you read on the interwebs? That a hot guy online is probably a creeper with a beer gut and a shoe fetish, not the sexy beast he pretends to be? So I had no clue that the anonymous blogger who contacted my law firm about his naughty website would be droolworthy in real life. Not that I'm interested in him in that way. Attorneys can't go around sleeping with their clients. Not even if he is the most beautiful man I've ever met and so ridiculously smart he makes my nerdy-girl heart sigh. Besides, he has too much on the line to risk taking a chance on the insane chemistry building between us. We both do. I've always followed the rules. Too bad he makes me want to break each and every one of them.

★ A sexy, small town sports romance from USA Today bestselling author Lex Martin! ★ What's worse than having Rider Kingston, the star quarterback, give you the big brushoff because he doesn't want to get serious? You'd probably think living across the street from him where you get a firsthand view of his hookups, right? That's what I thought. Until someone drops off a baby with a note pinned to her blanket that says one of those jocks—either Rider or one of his roommates—is the father. The problem? Baby mama doesn't mention which of these numbskulls is the sperm donor. I wouldn't care about their paternity problems—not the slightest bit—except my brother lives there too. Which means that adorable squawking bundle might be my niece, and there's no way I'm leaving her unattended with those bumbling football players. They need my help, even if they don't know it yet. Once we solve this dilemma and figure out who's the daddy, I'm out. I'll just ignore Rider and those soul-searing looks he gives me every time I reach for the baby. He broke my heart three years ago. He won't get a second chance.

**Finding Dandelion** Lex Martin

"Fallon Parker's dream has always been to turn her family's wine company into a runaway success and eventually start a cellar of her own. By the time Fallon becomes an official sponsor of the Nashville Assassins, she feels like all her hard work is finally paying off. And then the man who broke her

heart skates back into her life. On the ice, Lucas Brooks is the NHL's leading scorer—at least when he's not in the box. Off the ice, he's a mess, with all his anger and misery bottled up inside. He threw away the most important person in his life and has regretted it ever since. But when Lucas returns to Nashville in a trade, he's determined to convince Fallon that he's a changed man. The attraction is still there. The tension is electrifying. But the odds are stacked against them—especially after Lucas finds out that Fallon has been keeping a devastating secret."-- Publisher's description.

New York Times and USA Today bestselling author Cora Carmack follows up her trio of hits—*Losing It*, *Faking It*, and *Finding It*—with this thrilling first novel in an explosive series bursting with the Texas flavor, edge, and steamy romance of *Friday Night Lights*. In Texas, two things are cherished above all else—football and gossip. My life has always been ruled by both. Dallas Cole loathes football. That's what happens when you spend your whole childhood coming in second to a sport. College is her time to step out of the bleachers, and put the playing field (and the players) in her past. But life doesn't always go as planned. As if going to the same college as her football star ex wasn't bad enough, her father, a Texas high school coaching phenom, has decided to make the jump to college ball... as the new head coach at Rusk University. Dallas finds herself in the shadows of her father and football all over again. Carson McClain is determined to go from second-string quarterback to the starting line-up. He needs the scholarship and the future that football provides. But when a beautiful redhead literally falls into his life, his focus is more than

tested. It's obliterated. Dallas doesn't know Carson is on the team. Carson doesn't know that Dallas is his new coach's daughter. And neither of them know how to walk away from the attraction they feel.
