Cocktail Piano Hal Leonard Corporation "River Flows in You" by Yiruma was released in 2005. This beautiful composition is now available in Piano Tab; a color-coded, easy interpretation of piano music that requires little training. The piano tab displays right and left-hand fingering numbers with red and blue note letters. This method of piano tab is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. Someone with very little music reading ability could figure it out pretty quickly. Play Piano by Letters is a method of learning featuring unique color-

coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn "River Flows in You" by Yiruma, this Book is for you. PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano.

Alfred Publishing Company, Incorporated
In this day, when rock and rap reign supreme, the world takes notice

when a beautiful ballad comes along. This gorgeous melody gained exposure and fame as part of the soundtrack to the television mini-series The Civil War and it's popularity has continued. In the hands of the talented arranger Bob Cerulli, Ashokan Farewell fits the orchestra genre perfectly, whether string orchestra or full orchestra with the optional winds and percussion parts. This will be a most effective concert work. (3: 24)
