Candide and Other Stories Schocken
 I have only one request," Kafka wrote to his publisher Kurt Wolff in 1913. "'The Stoker,' 'The Metamorphosis,' and 'The Judgment' belong together, both inwardly and outwardly. There is an obvious connection among the three, and, even more important, a secret one, for which reason I would be reluctant to forego the chance of having them published together in a book, which might be called The Sons."
The Castle by Franz Kafka (Book Analysis)
 BrightSummaries.com
 Arriving in a village to take up the position of land surveyor for the mysterious lord of a castle, the character known as K. finds

himself in a bitter and baffling struggle to contact his new employer and go about his duties. As the villagers and the Castle officials block his efforts at every turn, K.'s consuming quest- quite possibly a self-imposed one- to penetrate the inaccessible heart of the Castle and take its measure is repeatedly frustrated. Kafka once suggested that the would-be surveyor in "The Castle" is driven by a wish " to get clear about ultimate things, " an unrealizable desire that provided the driving force behind all of Kafka's dazzlingly uncanny fictions. Translated by Willa and Edwin Muir
Kafka Oxford University Press
 This collection of new translations brings together the small proportion of Kafka's works that he thought worthy of publication. It includes Metamorphosis, his most famous work, an exploration of

horrific transformation and alienation; Meditation, a collection of his earlier studies; The Judgement, written in a single night of frenzied creativity; The Stoker, the first chapter of a novel set in America and a fascinating occasional piece, The Aeroplanes at Brescia, Kafka's eyewitness account of an air display in 1909. Together, these stories reveal the breadth of Kafka's literary vision and the extraordinary imaginative depth of his thought.
The Complete Stories Oxford University Press
 THE STORY: Cited as one of the 100 greatest works of fiction of all time by a panel of international writers in 2002, THE CASTLE remains Kafka's most magical novel (New York Times). By turns sexy, comic and horrifying, this new stage version of T

A Graphic Novel Schocken

Presents a graphic novel adaptation of Kafka's story of the experiences and reactions of a respectable bank functionary after his abrupt arrest on an undisclosed charge.

A Study of the Book of Concord Courier Corporation

This edition contains the English translation and the original text in German. "Before the Law" (German: "Vor dem Gesetz") is a parable contained in the novel "The Trial" (German: "Der Prozess"), by Franz Kafka. "Before the Law" was published in Kafka's lifetime, first in the New Year's edition 1915 of the independent Jewish weekly "Selbstwehr", then in 1919 as part of the collection "Ein Landarzt" ("A Country Doctor"). "The Trial", however, was not published until 1925, after Kafka's death. "Vor dem Gesetz" ist ein 1915 veröffentlichter Prosatext Franz Kafkas, der auch als Türhüterlegende oder Türhüterparabel bekannt ist. Die Handlung besteht darin, dass ein "Mann vom Land" vergeblich versucht, den Eintritt in das Gesetz zu erlangen, das von einem Türhüter bewacht wird.

Kafka's Other Prague: Writings from the Czechoslovak Republic examines Kafka's late writings from the perspective of the author's changing relationship with Czech language, culture, and literature—the least understood facet of his meticulously researched life and work. Franz Kafka was born in Prague, a bilingual city in the Habsburg Empire. He died a citizen of Czechoslovakia. Yet Kafka was not Czech in any way he himself would have understood. He could speak Czech, but, like many Prague Jews, he was raised and educated and wrote in German. Kafka critics to date have had little to say about the majority language of his native city or its "minor literature," as he referred to it in a 1913 journal entry. Kafka's Other Prague explains why Kafka's later experience of Czech language and culture matters. Bringing to light newly available archival material, Anne Jamison's innovative study demonstrates how Czechoslovakia's founding and Kafka's own dramatic political, professional, and personal upheavals altered his relationship to this "other Prague." It destabilized Kafka's

understanding of nationality, language, gender, and sex—and how all these issues related to his own writing. Kafka's Other Prague juxtaposes Kafka's German-language work with Czechoslovak Prague's language politics, intellectual currents, and print culture—including the influence of his lover and translator, the journalist Milena Jesenská—and shows how this changed cultural and linguistic landscape transformed one of the great literary minds of the last century.

The Trial SelfMadeHero

Kafka is one of the most influential figures in twentieth-century literature; a wide international readership and the subject of a long and continuing critical debate. William Dodd concentrates on the two major novels, *The Trial* and *The Castle*, providing in-depth examination of these works. This collection of sixteen essays covers the full spectrum of modern perspectives, from humanism to feminist responses and cultural analysis that reflects both German and Anglo-Saxon approaches. The text contains a general introduction, including a bibliographical outline and an overview of the critical debate, contextualising the modern contributions. There is also a section concerned with the early responses to Kafka's work, many published for the first time in English, and a detailed glossary of critical terms.

Unlock the more straightforward side of *The Castle* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *The Castle* by Franz Kafka, which tells the story of a man opposing a powerful administrative machine in an absurd struggle to give meaning to his existence. Although Kafka never finished the novel, it is one of his most famous works thanks to its dark and surrealist themes. It tackles alienation and bureaucracy, and so provoked many debates and much controversy following its release. Find out everything you need to know about *The Castle* in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection
Why choose BrightSummaries.com? Available in print and digital format, our publications are designed to accompany you in your reading journey. The clear and concise style makes for easy understanding, providing the perfect opportunity to improve your literary knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com!

A case of Exploding Mangoes Sterling Publishing Company Incorporated
Kafka's story about a man seeking acceptance and access to the mysterious castle is among the central works of modern literature. This translation follows the German critical text and includes a detailed introduction and notes to this famously enigmatic novel.

Bilingual Edition: English - German / Zweisprachige Ausgabe: Englisch - Deutsch Random House India

Far from the noisy drumming of Iron John, the contributors (including David Epstein, John Fowles and John Hoyland) shed new light on the nature of masculinity, and how men become men.

The Castle Gale, Cengage Learning

A fantasy novel, depicting human attempts to arrive closer to God, considered to be a symbolic classic
Franz Kafka's The Castle Wordsworth Editions

A new selection of Franz Kafka's shorter fiction and nonfiction work, selected and with a preface by Book of Numbers author Joshua Cohen. "Being asked to write about Kafka is like being asked to describe the Great Wall of China by someone who's standing just next to it. The only honest thing to do is point." —Joshua Cohen, from his foreword to *He: Shorter Writings of Franz Kafka* This is a Kafka emergency kit, a congregation of the brief, the minor works that are actually major. Joshua Cohen has produced a frame that refuses distinctions between what is a story, a letter, a workplace memo, and a diary entry, also including popular favorites like *The Bucket Rider*, *The Penal Colony*, and *The Burrow*. Here we see Kafka's preoccupations in writing about animals, messiah variations, food, and exercise, each in his signature style. Cohen's selection emphasizes the stately structure of utterly coherent logic within an utterly incoherent and illogical world, showing how Kafka harnessed the humblest grammar to metamorphic power, until the predominant effect ceases to be the presence of an unreliable narrator but the absence of the universe's only reliable narrator—God.

Writings from the Czechoslovak Republic Princeton University Press

A windfall for every reader: a trove of marvelous impossible-to-find Kafka stories in a masterful new translation by Michael Hofmann Selected by the preeminent Kafka biographer and scholar Reiner Stach and newly translated by the peerless Michael Hofmann, the seventy-four pieces gathered here have been lost to sight for decades and two of them have never been translated into English before. Some

stories are several pages long; some run about a page; a handful are only a few lines long: all are marvels. Even the most fragmentary texts are revelations. These pieces were drawn from two large volumes of the S. Fischer Verlag edition *Nachgelassene Schriften und Fragmente* (totaling some 1100 pages). "Franz Kafka is the master of the literary fragment," as Stach comments in his afterword: "In no other European author does the proportion of completed and published works loom quite so...small in the overall mass of his papers, which consist largely of broken-off beginnings." In fact, as Hofmann recently added: "'Finished' seems to me, in the context of Kafka, a dubious or ironic condition, anyway. The more finished, the less finished. The less finished, the more finished. Gregor Samsa's sister Grete getting up to stretch in the streetcar. What kind of an ending is that?! There's perhaps

some distinction to be made between 'finished' and 'ended.' Everything continues to vibrate or unsettle, anyway. Reiner Stach points out that none of the three novels were 'completed.' Some pieces break off, or are concluded, or stop—it doesn't matter!—after two hundred pages, some after two lines. The gusto, the friendliness, the wit with which Kafka launches himself into these things is astonishing."

"The story of Candide, a naive youth who is conscripted, shipwrecked, robbed, and tortured by the Inquisition without losing his will to live, is accompanied by four other stories"--NoveList.

[The Metamorphosis and Other Stories](#) Princeton University Press

"The protagonist, known only as K., arrives in a mountain village buried under deep snows in the middle of winter, dominated by a looming castle above it, shrouded in

mist. Attempting to gain contact with the inhabitants of the castle, the officials who run the bureaucracy governing the village, K. repeatedly finds himself misunderstanding and transgressing the multitude of confusing and contradictory rules and regulations that dictate the daily life of the villagers. Kafka's atmospheric and brooding tale of extreme bureaucracy explores themes of solitude, isolation, loss, and companionship" -- from publisher's web site.
