Capture the Crown Night Shade

The instant New York Times bestseller from author, comedian and actor Patton Oswalt, a “heartfelt and hilarious” (USA TODAY) memoir about coming of age as a performer during the late 1990s while obsessively watching classic films at a legendary theater in Los Angeles. “[Oswalt has] a set of synapses like a pinball machine and a prose style to match” (The New York Times). Between 1995 and 1999, Patton Oswalt lived with an unshakable addiction. It wasn’t drugs, alcohol, or sex: it was film. After moving to Los Angeles, Oswalt became a huge film buff (or as he calls it, a sprocket fiend), absorbing classics, cult hits, and new releases at the famous New Beverly Cinema. Silver screen celluloid became Patton’s life schoolbook, informing his notion of acting, writing, comedy, and relationships. Set in the nascent days of LA’s alternative comedy scene, Silver Screen Fiend chronicles Oswalt’s journey from fledgling stand-up comedian to self-assured sitcom actor, with the colorful New Beverly collective and a cast of now-notable young comedians supporting him all along the way. “Clever and readable...Oswalt’s encyclopedic knowledge and frothing enthusiasm for films (from sleek noir classics, to gory B movies, to cliché-riddled independents, to big empty blockbusters) is relentlessly present, whirring in the background like a projector” (The Boston Globe). More than a memoir, this is “a love song to the silver screen” (Paste Magazine).

Wrath Pan Australia

The masterly debut novel from “an exquisitely astute writer” (The Boston Globe), about growing up in—and out of—the suffocating constraints of small-town America. “Compact and beautiful . . . This novel bordering on a novella punches above its weight.”—The New York Times “Very Cold People reminded me of My Brilliant Friend.”—The New Yorker ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, Good Housekeeping, The Week, The Millions, She Reads, Lit Hub “My parents didn’t belong in Waitsfield, but they moved there anyway.” For Ruthie, the frozen town of Waitsfield, Massachusetts, is all she has ever known. Once home to the country’s oldest and most illustrious families—the Cabots, the Lowells: the “first, best people”—by the tail end of the twentieth century, it is an unforgiving place awash with secrets. Forged in this frigid landscape Ruthie has been dogged by feelings of inadequacy her whole life. Hers is no picturesque New England childhood but one of swap meets and factory seconds and powdered milk. Shame blankets her like the thick snow that regularly buries nearly everything in Waitsfield. As she grows older, Ruthie slowly learns how the town’s prim facade conceals a deeper, darker history, and how silence often masks a legacy of harm—from the violence that runs down the family line to the horrors endured by her high school friends, each suffering a fate worse than the last. For Ruthie, Waitsfield is a place to be survived, and a girl like her would be lucky to get out alive. In her eagerly anticipated debut novel, Sarah Manguso has written, with characteristic precision, a masterwork on growing up in—and out of—the suffocating constraints of a very old, and very cold, small town. At once an ungilded portrait of girlhood at the crossroads of history and social class as well as a vital confrontation with an all-

American whiteness where the ice of emotional restraint meets the embers of smoldering rage, *Very Cold People* is a haunted jewel of a novel from one of our most virtuosic literary writers.

And How to Stop Them Harper Collins

The sequel to Alex Marshall's *A Crown for Cold Silver*, an outstanding, game-changing epic adventure featuring an unforgettable warrior. After five hundred years, the Sunken Kingdom has returned, and brought with it a monstrous secret that threatens to destroy every country on the Star. As an inhuman army gathers on its shores, poised to invade the Immaculate Isles, the members of the Cobalt Company face an ugly choice: abandon their dreams of glory and vengeance to combat a menace from another realm, or pursue their ambitions and hope the Star is still there when the smoke clears. Five villains. One legendary general. A battle for survival.

A Novel Independently Published

Special edition slipcase edition of John Green's *Paper Towns*, with pop-up paper town. From the bestselling author of *The Fault in our Stars*. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Worldbreaker Saga #2 Hachette UK

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME

The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Sorcerer to the Crown Simon and Schuster

An *Alchemy of Masques and Mirrors* is Curtis Craddock's delightful and engrossing fantasy debut featuring a genius heroine and her guardian, a royal musketeer, which Brandon Sanderson calls, "A great read!" Born with a physical disability, no magical talent, and a precocious intellect, Princess Isabelle des Zephyrs has lived her life being underestimated by her family and her kingdom. The only person who appreciates her true self is Jean-Claude, the fatherly musketeer who had guarded

her since birth. All shall change, however, when an unlikely marriage proposal is offered, to the second son of a dying king in an empire collapsing into civil war. But the last two women betrothed to this prince were murdered, and a sorcerer-assassin is bent on making Isabelle the third. Isabelle and Jean-Claude plunge into a great maze of prophecy, intrigue, and betrayal, where everyone wears masks of glamour and lies. Step by dangerous step, Isabelle must unravel the lies of her enemies and discovers a truth more perilous than any deception. “A setting fabulous and strange, heroes to cheer for, villains to detest, a twisty, tricky plot — I love this novel!” —Lawrence Watt Evans “A thrilling adventure full of palace intrigue, mysterious ancient mechanisms, and aerial sailing ships!” —David D. Levine At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Paper Towns Tor Books

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

A War in Crimson Embers HarperCollins

NEW YORK TIMES BESTSELLER • A leading political scientist examines the dramatic rise in violent extremism around the globe and sounds the alarm on the increasing likelihood of a second civil war in the United States “Like those who spoke up clearly about the dangers of global warming decades ago, Walter delivers a grave message that we ignore at our peril.”—David Remnick, *The New Yorker* Political violence rips apart several towns in southwest Texas. A far-right militia plots to kidnap the governor of Michigan and try her for treason. An armed mob of Trump supporters and conspiracy theorists storms the U.S. Capitol. Are these isolated incidents? Or is this the start of something bigger? Barbara F. Walter has spent her career studying civil conflict in places like Iraq, Ukraine, and Sri Lanka, but now she has become increasingly worried about her own country. Perhaps surprisingly, both autocracies and healthy democracies are largely immune from civil war; it's the

countries in the middle ground that are most vulnerable. And this is where more and more countries, including the United States, are finding themselves today. Over the last two decades, the number of active civil wars around the world has almost doubled. Walter reveals the warning signs—where wars tend to start, who initiates them, what triggers them—and why some countries tip over into conflict while others remain stable. Drawing on the latest international research and lessons from over twenty countries, Walter identifies the crucial risk factors, from democratic backsliding to factionalization and the politics of resentment. A civil war today won't look like America in the 1860s, Russia in the 1920s, or Spain in the 1930s. It will begin with sporadic acts of violence and terror, accelerated by social media. It will sneak up on us and leave us wondering how we could have been so blind. In this urgent and insightful book, Walter redefines civil war for a new age, providing the framework we need to confront the danger we now face—and the knowledge to stop it before it's too late. Praise for *How Civil Wars Start* “It turns out that there is a discipline that you might call ‘civilwarology’—the study of the factors that lead to civil war. . . . Barbara F. Walter became a civilwarologist nearly a quarter of a century ago and her entry is evidently well-thumbed in the Rolodexes of the CIA and the U.S. State Department. In other words, she knows what she's talking about—which makes this book rather scary.”—*The Times* (U.K.)

The Voyage of the Forgotten Hogarth

The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY “*The Magicians* is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this.” —George R.R. Martin “Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy.” —Joe Hill “A very knowing and wonderful take on the wizard school genre.” —John Green “*The Magicians* may just be the most subversive, gripping and enchanting fantasy novel I've read this century.” —Cory Doctorow “This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story.” —*The New Yorker* “The best urban fantasy in years.” —A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician's Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

An award-winning scholar and teacher explores how Shakespeare's greatest characters were built on a learned sense of empathy While exploring Shakespeare's plays with her students, Paula Marantz Cohen discovered that teaching and discussing his plays unlocked a surprising sense of compassion in the classroom. In this short and illuminating book, she shows how Shakespeare's genius lay with his ability to arouse empathy, even when his characters exist in alien contexts and behave in

reprehensible ways. Cohen takes her readers through a selection of Shakespeare's most famous plays, including Hamlet, Othello, King Lear, and The Merchant of Venice, to demonstrate the ways in which Shakespeare thought deeply and clearly about how we treat "the other." Cohen argues that only through close reading of Shakespeare can we fully appreciate his empathetic response to race, class, gender, and age. Wise, eloquent, and thoughtful, this book is a forceful argument for literature's power to champion what is best in us.

The Cruel Prince Penguin

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Learning About Life from an Addiction to Film Yale University Press

By #1 New York Times bestselling author Holly Black, the first book in a stunning new series about a mortal girl who finds herself caught in a web of royal faerie intrigue. Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever. And Cardan is even more beautiful than the rest. I hate him more than all the others. I hate him so much that sometimes when I look at him, I can hardly breathe. Jude was seven years old when her parents were murdered and she and her two sisters were stolen away to live in the treacherous High Court of Faerie. Ten years later, Jude wants nothing more than to belong there, despite her mortality. But many of the fey despise humans. Especially Prince Cardan, the youngest and wickedest son of the High King. To win a place at the Court, she must defy him--and face the consequences. In doing so, she becomes embroiled in palace intrigues and deceptions, discovering her own capacity for bloodshed. But as civil war threatens to drown the Courts of Faerie in violence, Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.

An Alchemy of Masques and Mirrors A Crown for Cold Silver

Exiled exorcist Lucian Negru deserted his lover in Hell in exchange for saving his sister Catarina's soul, but Catarina doesn't want salvation. She wants Lucian to help her fulfill her dark covenant with the Fallen Angels by using his power to open the Hell Gates. Catarina intends to lead the Fallen's hordes out of Hell and into the parallel dimension of Woerld, Heaven's frontline of defense between Earth and Hell. When Lucian refuses to help his sister, she imprisons and cripples him, but Lucian learns that Rachael, the lover he betrayed and abandoned in Hell, is dying from a demonic

possession. Determined to rescue Rachael from the demon he unleashed on her soul, Lucian flees his sister, but Catarina's wrath isn't so easy to escape! How Civil Wars Start Orbit

Never promise a life that isn't yours to give. New York City is decked out for the holidays, and Special Agent Patrick Collins is looking forward to a reunion with his old team when he gets assigned a new case. A human child is missing, and the changeling left in her place causes a prominent witch family to demand justice from the fae. Meanwhile, continued harassment from the New York City god pack forces Jonothon de Vere to formally establish his own with Patrick. Doing so will mean a civil war within the werecreature community-a war they risk losing from the start without alliances. Making bargains with the fae is never wise, but Patrick and Jono have nothing to lose when a fae lord comes asking for their help. The Summer Lady has been kidnapped from the Seelie Court, and if they can find her, Patrick and Jono will cement an alliance with the fae. But the clues to her disappearance are found in *Tor na nG*, and the Otherworld has never been kind to mortals. Venturing past the veil, Patrick and Jono risk losing territory, time, and their very lives while searching for answers. Because the Queen of Air and Darkness knows they are coming-and the ruler of the Unseelie Court has an offer for them they can't possibly refuse. *A Crown of Iron & Silver* is a 107k word m/m urban fantasy with a gay romantic subplot and a HFN ending. It is a direct sequel to *All Souls Near & Nigh*. Reading the prior books in the series would be helpful in enjoying this one.
