One of the Best Technology Books of 2020—Financial Times “Levy’s all-access Facebook reflects the reputational swan dive of its subject. . . . The result is evenhanded and devastating.”—San Francisco Chronicle “[Levy’s] evenhanded conclusions are still damning.”—Reason “[He] doesn’t shy from asking the tough questions.”—The Washington Post “Reminds you the HBO show Silicon Valley did not have to reach far for its satire.”—NPR.org The definitive history, packed with untold stories, of one of America’s most controversial and powerful companies: Facebook As a college

sophomore, Mark Zuckerberg created a simple website to serve as a campus social network.

Today, Facebook is nearly unrecognizable from its first, modest iteration. In light of recent controversies surrounding election-influencing “fake news” accounts, the handling of its users’ personal data, and growing discontent with the actions of its founder and CEO—who has enormous power over what the world sees and says—never has a company been more central to the national conversation. Millions of words have been written about Facebook, but no one has told the complete story, documenting its ascendancy and missteps. There is no denying the power and omnipresence of Facebook in American daily life, or the imperative of this book to document the unchecked power and shocking techniques of the company, from growing at all costs to outmaneuvering its biggest rivals to acquire WhatsApp and Instagram, to developing a platform so addictive even some of its own are now beginning to realize its dangers. Based on hundreds of interviews from inside and outside Facebook, Levy’s sweeping narrative of incredible entrepreneurial success and failure digs deep into the whole story of the company that has changed the world and reaped the consequences.

One recent December, at age 53, John Kralik found his life at a terrible, frightening low: his small law firm was failing; he was struggling through a painful second divorce; he had grown distant from his two older children and was afraid he might lose contact with his young daughter; he was living in a tiny apartment where he froze in the winter and baked in the summer; he was 40

pounds overweight; his girlfriend had just broken up with him; and overall, his dearest life dreams—including hopes of upholding idealistic legal principles and of becoming a judge—seemed to have slipped beyond his reach. Then, during a desperate walk in the hills on New Year's Day, John was struck by the belief that his life might become at least tolerable if, instead of focusing on what he didn't have, he could find some way to be grateful for what he had. Inspired by a beautiful, simple note his ex-girlfriend had sent to thank him for his Christmas gift, John imagined that he might find a way to feel grateful by writing thank-you notes. To keep himself going, he set himself a goal—come what may—of writing 365 thank-you notes in the coming year. One by one, day after day, he began to handwrite thank-yous—for gifts or kindnesses he'd received from loved ones and coworkers, from past business associates and current foes, from college friends and doctors and store clerks and handymen and neighbors, and anyone, really, absolutely anyone, who'd done him a good turn, however large or small. Immediately after he'd sent his very first notes, significant and surprising benefits began to come John's way—from financial gain to true friendship, from weight loss to inner peace. While John wrote his notes, the economy collapsed, the bank across the street from his office failed, but thank-you note by thank-you note, John's whole life turned around. 365 Thank Yous is a rare memoir: its touching, immediately accessible message—and benefits—come to readers from the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a miraculously good life. To read 365 Thank Yous is to be changed.

In The Book of YES, you will find the most powerful scripts in the real estate industry today. If you're tired of the same old sales scripts or if you've done away with them all together, I know how you feel because I've been there. I was tired of seeing the same B.S.(bad sales) approaches and I wanted something that felt more natural for me. So I started creating my own scripts, for the simple reason that I hated being told, "No." For me nothing was worse than that feeling of rejection. I was determined to figure out the perfect thing to say in every situation, and how to say it in a way that would cause sellers and buyers to want to say "Yes!" to me every time. This book is the result of that quest. And I've broken it in two unique parts so you can spend less time reading it, and more time using the life changing scripts inside. Part 1 will give you the foundation for making the scripts work for you. Not just some of the time, but every time! You'll master how to inspire sellers to say "YES" to you giving you the magic key to unlock the success you want as a real estate agent. Part 2 Is the actual scripts that allow you to have smooth, choreographed conversations that lead you down the path to more success and more income. included in this section are... Prospecting scripts for sellers that lead up to the listing appointment. My unique Listing Presentation Scripts with examples of exactly how to deliver them for maximum impact. The Buyer Scripts that I've personally used for years to build my own real estate business from scratch. The Objection scripts that will show you how to overcome any objection with ease and never be scrambling for words when a client throws you a curveball. In all there are 27 scripts in this book that will show you how to handle any situation, conversation, and objection that might come your way. And each script has been tested, tweaked and perfected. How do I know this? Because I've used each and every one of them to close millions of dollars worth of real estate in my nearly 2 decade career. I've also taken the time to include things I've picked up over my career that will help take you beyond the scripts... How to identify resistance and influence triggers so you can naturally use the right words and phrases that gets more clients saying YES to you. My practice techniques for memorizing and using these scripts to their full impact. You won't just be pulling words from your memory, you'll be speaking from the heart so you come across as genuine. The "tiny tweaks" that turn a regular script into something powerful. These seemingly little differences can have a huge impact in the way a prospect or client responds to what you say.

The 9 Keys to more powerful conversations that go way beyond just the words you say to a client. I've mastered all 9 of these techniques and each one has made a huge difference in how I present myself to clients. The Book of YES is an action guide, not a book of theory. Think of it as YOUR PLAY BOOK for the key conversations you have with sellers and buyers. Along with the scripts you will find tactical notes on how to use the script, why it works, and when to modify the script for various situations. This book is not about intimidating your clients to agree with you, it's about inspiring them to say YES. And the more they do, the more abundance and success you will have in your life. The ultimate YES is saying YES to your goals, your dreams and your family so you can create the lifestyle that you want.

Whether you've been in real estate for 18 days or 18 years, if you haven't achieved the success you really want, you need to read this book. You entered real estate for the upside: interesting work, flexible hours, and the potential to make good money, right? But the median gross income for the 1.2 million REALTORS(R) in the United States is just over \$42,000 per year! That's about \$21 per hour (if you only work 40 hours per week) with no paid vacation, no paid sick leave, and rarely any company health insurance plan. Is this what you signed up for? You're a goal-setter and a go-getter. You work hard and you're smart. You've learned the business and put long hours into it. Yet, it still seems like a struggle. Always chasing your next client, listing, or commission check. Spending weekends and evenings on work, not with family. Getting tossed around by a market you can't control. You've done everything you've been taught, but it's still not enough. What's the secret? Doing things differently than you've ever been taught. Krista Mashore says, "I've been in the Top 1% of all Realtors nationally for 15 years, not because I'm smarter or work harder than everyone else. It's because I research and implement specific techniques that catapult me to where I am." In this book, Krista Mashore will give you step by step instructions and show you how to: - Close over 90% of your listing presentations before you even walk in the door. - Generate legitimate leads while you sleep. - Use the secrets of Fortune 500 companies to build an active and loyal client base. - Use socialized marketing to gain your community's respect and become the go-to Community Market Leader(R) in your area. - Make over 100 deals per year (or whatever your goal is) using the power of social media and technology. - Create a business model that fits your desired lifestyle and gives you true time flexibility. - Build a sustainable business with a consistent, reliable income stream- no matter what the market is doing! "If you implement even 50% of what I recommend in this book, I know your business will at least double within the first eighteen months." - Krista Mashore Based in Northern California, Realtor(R) Krista Mashore sold 69 homes in her first year and has personally sold over 100 homes every year since. On track to sell 200 homes this year, Krista now also coaches and trains brokers and agents throughout the U.S. on cutting edge real estate techniques and technologies.
