Written over the course of four decades, François-René de Chateaubriand's epic autobiography has drawn the admiration of Baudelaire, Flaubert, Proust, Barthes, and Sebald. Here, in the first books of his massive Memoirs, spanning the years 1768 to 1800, Chateaubriand looks back on the already

bygone world of his youth. He recounts the history of his aristocratic family and the first rumblings of the French Revolution. He recalls playing games on the beaches of Saint-Malo, wandering in the woods near his father's castle in Combourg, hunting with King Louis XVI at Versailles, witnessing the first heads carried on pikes through the streets of Paris, meeting with George Washington in Philadelphia, and falling hopelessly in

love with a young woman named Charlotte in the small Suffolk town of Bungay. The volume ends with Chateaubriand's return to France after seven years of exile in England. In this new edition (the first unabridged English translation of any portion of the Memoirs to be published in more than a century), Chateaubriand emerges as a writer of great wit and clarity, a self

deprecating egotist whose meditations on the meaning of history, memory, and morality are leavened with a mixture of high whimsy and memorable gloom. **Kim Jiyoung, Born 1982: A Novel** Peter Pauper Press Incorporated Offering consistent coverage of both substantive and procedural law, this fully revised edition of Slossberg's hands-on book features new cases, new

case files, updated forms, and new material related to the recent real estate recession. Slossberg includes hypothetical and sample cases exploring a variety of scenarios that will help students understand real estate law and practice paralegal skills. Numerous checklists and worksheets used in today's law offices are included to help the reader

prepare for a paralegal career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Editions du Cercle de La Librairie

In this ingenious book Perec creates an entire microcosm in a Paris apartment block. Serge Valene wants to make an elaborate painting of the

building he has made his home for the last sixty years. As he plans his picture, he contemplates the lives of all the people he has ever known there.

Chapter by chapter, the narrative moves around the building revealing a marvellously diverse cast of characters in a series of every more unlikely tales, which range from an avenging murderer to an eccentric English millionaire who has

devised the ultimate pastime... John Wiley & Sons

An Italian journalist pleads her case for learning ancient Greek in modern times. For word nerds, language loons, and grammar geeks, an impassioned and informative literary leap into the wonders of the Greek language. Here are nine ways Greek can transform your relationship to time and to

those around you, nine reflections on the language of Sappho, Plato, and Thucydides, and its relevance to our lives today, nine chapters that will leave readers with a new passion for a very old language, nine epic reasons to love Greek. The Ingenious Language is a love song dedicated to the language of history's greatest poets, philosophers, adventurers, lovers, adulterers,

and generals. Greek, as Marcolongo explains in her buoyant and entertaining prose, is unsurpassed in its beauty and expressivity, but it can also offer us new ways of seeing the world and our place in it. She takes readers on an astonishing journey, at the end of which, while it may still be Greek to you, you'll have nine reasons to be glad it is. No batteries or prior knowledge of Greek required!

Praise for The Ingenious Language "Andrea Marcolongo is today's Montaigne. She possesses an amazing familiarity with the classics combined with the ease and lightness of those who surf the web." ?André Aciman, New York Times-bestselling author of Find Me "[Marcolongo's] declaration of love for Ancient Greek does more than celebrate the virtues of its grammar, it shows us

modern fools
how this
language can
help us
understand
ourselves
better and live
a better life.”

Best Friends Forevermore is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences. Splat the Cat: Splat and Seymour, Best Friends Forevermore MacMillan The "beautiful and haunting" (San Francisco Chronicle) tale of an orphan's search for love, for his unknown father, and for the key to the elusive riddle of his fate, from the author of the

forthcoming 4 3 2 1: A Novel Marco Stanley Fogg is an orphan, a child of the sixties, a quester tirelessly seeking the key to his past, the answers to the ultimate riddle of his fate. As Marco journeys from the canyons of Manhattan to the deserts of Utah, he encounters a gallery of characters and a series of events as rich and surprising as any in modern fiction. Beginning during the

summer that men first walked on the moon, and moving backward and forward in time to span three generations, Moon Palace is propelled by coincidence and memory, and illuminated by marvelous flights of lyricism and wit. Here is the most entertaining and moving novel yet from an author well known for his breathtaking imagination. From New York Times bestselling author Paul

This book describes the main classical combinatorial problems that can be encountered when designing a logistics network or driving a supply chain.

It shows how these problems can be tackled by metaheuristics, both separately and using an integrated approach. A huge number of techniques, from the simplest to the most

advanced ones, are given for helping the reader to implement efficient solutions that meet its needs. A lot of books have been written about metaheuristics (methods for solving hard optimization problems) and supply chain management (the field in which we find a huge number of combinatorial optimization problems) in the last decades. So, the main reason of this book is to

describe how these methods can be implemented for this class of problems. *Metaheuristics for Logistics* Essential DIY Guide to Home Décor and Home Staging “...a must-read when selling your home. This book is a beautiful tutorial that will help you sell your home faster.” —Cassandra Aarssen, professional organizer and author of *The Clutter Connection* #1 New Release in

How-to & Home, House Plans, and Project Management Are you overwhelmed by the idea of home staging? Don't know what to do or where to start? In *Secrets of Home Staging*, award-winning home stager, Karen Prince, guides you through the home staging process with easy home décor ideas, design tips, and advice on how to stage your home to sell. Home staging made simple. *Secrets of*

Home Staging isn't just an indispensable guide for the everyday homeowner, it's also geared to realtors and those committed to real estate investing and flipping houses. With potential home buyers pre-shopping homes online and dismissing many of them in as little as three seconds, it is essential your home is staged to look its best. *Secrets of Home Staging* helps you navigate the

home staging process with an easy-to-follow guide. For fans of Joanna Gaines and the real estate world. No matter what your house plan, Secrets of Home Staging offers home interior design advice and tools you need to make your home look great online and in-person. Featuring over 150 color photos, and many practical house interior design tips, Karen gives home sellers everything they need to

receive more offers, faster sales, and higher selling prices. Inside you'll find before-and-after photos and information on easy DIY home improvements that buyers love, project management tips, and:

- The 6 steps to successful home staging
- Decluttering and decorating ideas that sell
- How to determine your "key" rooms

If you enjoy real estate books, interior design books, or

home decor books—like Elements of Style, Home Body, Life Changing Magic of Tidying Up, Habitat, Inspire Your Home, or The Book on Flipping Houses—you'll love Secrets of Home Staging.

Droit BTS
2ème année
 A New York Times Editors Choice Selection A global sensation, Kim Jiyong, Born 1982 "has become...a touchstone for a conversation around feminism and gender"

(Sarah Shin, Guardian). One of the most notable novels of the year, hailed by both critics and K-pop stars alike, Kim Jiyoung, Born 1982 follows one woman's psychic deterioration in the face of rampant misogyny. In a tidy apartment on the outskirts of Seoul, millennial "everywoman" Kim Jiyoung spends her days caring for her infant daughter. But

strange symptoms appear: Jiyoung begins to impersonate the voices of other women, dead and alive. As she plunges deeper into this psychosis, her concerned husband sends her to a psychiatrist. Jiyoung narrates her story to this doctor—from her birth to parents who expected a son to elementary school teachers who

policed girls' outfits to male coworkers who installed hidden cameras in women's restrooms. But can her psychiatrist cure her, or even discover what truly ails her? "A social treatise as well as a work of art" (Alexandra Alter, New York Times), Kim Jiyoung, Born 1982 heralds the arrival of international powerhouse Cho Nam-Joo. **Livres de France**
