Isn't your desire to overeate really spiritual hunger? "I can stop in the middle of a candy bar and have no desire to eat the second half if my stomach is not calling for it." - Gwen Shamblin Do you eat and eat and never feel full? Rise above the magnetic pull of the refrigerator and turn to the bounty offered to thousands who have embraced a liberating weight-reduction program in churches across America. The Weigh Down Diet gives new hope to millions who have failed on conventional diets and guides readers to the richer satisfaction that comes not from food, but from faith. Gwen Shamblin's The Weigh Down Diet is a groundbreaking approach to weight loss. People who have known no end to their hunger and who have no control over their late-night binges have learned through the Weigh Down Workshop that they can remove the irresistible desire for food. This is not a diet like others, because it is not food-focused. It contains chapters such as "It's Not Genetics or Your Mother's Fault," "I

Feel Hungry All the Time,” and “How to Eat Potato Chips and Chocolate.” So, as you can see, here is a very different approach to weight loss. *Weigh Down* gives back hope to dieters who will learn that God did not put chocolate or lasagna on Earth to torture us – but rather for our enjoyment!

Features of Florida Real Estate License Exam Prep (FL-RELEP): - Florida Practices & Law Key Point Review in the same 19 sections as the FREC 1 prelicense course (80 pages) - Real Estate Math Key Formula Review & Practice (20 pages) - 20 Practice Tests (575 questions with explanations also in FREC 1 order) - Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-racking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works – or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific – not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of 'key point reviews' ideal for pre-test memorization. FL-RELEP precisely follows the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP's key point reviews are a succinct compression of tested national principles and practices drawn from our own Florida textbook, *Principles of Real Estate Practice in Florida* – one of the most widely used principles textbooks in Florida. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. A word about the tests. The FL-RELEP's test questions are designed to cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!!

From the 1940s through the 1960s, young pregnant women entered the front door of a clinic in a small North Georgia town. Sometimes their babies exited out the back, sold to northern couples who were desperate to hold a newborn in their arms. But these weren't adoptions--they were transactions. And one unethical doctor was exploiting other people's tragedies. Jane Blasio was one of those babies. At six, she learned she was adopted. At fourteen, she first saw her birth certificate, which led her to begin piecing together details of her past. Jane undertook a decades-long personal investigation to not only discover her own origins but identify and reunite other victims of the Hicks Clinic human trafficking scheme. Along the way she became an expert in illicit adoptions, serving as an investigator and telling her story on every major news network. Taken at Birth is the remarkable account of her tireless quest for truth, justice, and resolution. Perfect for book clubs, as well as those interested in inspirational stories of adoption, human trafficking, and true crime.
