This remarkable book is more than the dramatic account of how a red-haired, freckle-faced girl from concordia, Missouri, became "the most prominent woman evangelist who ever lived." It is also the story of how God used her life and teaching to influence Benny Hinn. By tracing her fifty extraordinary years of ministry, Benny Hinn offers revealing

insights into the spiritual life of one of God's choice servants as she took the saving and healing message of Jesus Christ to her generation – often in the midst of personal struggles and disappointing heartbreaks.

Though the Holy Spirit has spoken to many in the Body of Christ that we are on the precipice of the greatest revival the world has ever seen, our hearts need to be prepared for a move of God. Preparing for the Great Outpouring: Is Your Heart Ready for A Move of God? addresses ways in which God prepares our hearts individually and corporately for a move of the Spirit. The book delves into six

areas that serve as indicators that a vessel is actually prepared for revival. Brokenness
Hunger Prayer
Persistence
Thankfulness Courage
These are the key heart ingredients to the move of God. These indicators have accompanied past outpourings such as the Azusa Street Revival, the Brownsville Revival and the Toronto Blessing. These essential heart attitudes serve as prophetic signals that our hearts are ready for the end time outpouring that God is about to send to the world!

In his fourth God's Generals volume, Roberts Liardon chronicles God's great healing evangelists of the twentieth century. Journey with such paragons of faith as: Oral Roberts—one of the most influential Christian leaders in the

twentieth century, Roberts had a healing ministry that spread from rural tent meetings to a world-class university, hospital, and medical school. Lester Sumrall—after being miraculously healed of tuberculosis as a boy, Sumrall dedicated the rest of his life to sharing the gospel and God's healing power with audiences around the world, both in person and through television broadcasts. Charles and Frances Hunter—often called the "Happy Hunters," Charles and Frances were known around the world as two of the most anointed and enthusiastic evangelists on earth. George Jeffreys—this Welsh Pentecostal preacher ministered along with his brother

Stephen at camps, conventions, and church meetings across England and Ireland, with reports of miraculous healings and other acts of God accompanying them. F. F. "I imagine there are

Kuhlman (1907-1976),

important figures in the rise of charismatic Christianity. In *The Miracle Lady* Amy Collier Artman tells the story of Kuhlman's life and, in the process, relates the larger story of charismatic Christianity, particularly how it moved from the fringes of American society to the mainstream. Tracing her remarkable career as a media-savvy preacher and fleshing out her unconventional character, Artman also shows how Kuhlman skillfully navigated the oppressive structures, rules, and landmines that surrounded female religious leaders in her conservative circles.

 Kathryn Kuhlman helped to shape a generation of Pentecostal/Charismatic theology and practice by reintroducing a

depth of spirituality which harkened back to the teachings of the mystics. She introduced the concept of spiritual silence to a generation of Sawdust Trail Pentecostals known for their exuberant and lively worship services, and she popularized the experience of being slain in the Spirit. But her most notable innovation resulted from discarding healing lines and cards together with a healing theology based upon the faith of the adherents. Instead, she invited pilgrims into a transcendent experience of the manifest presence of the Holy Spirit, which rested upon a foundation of love. It is those miracles, and the way those miracles took place, or the

method or praxis, that became her greatest contributions. The methodology she used and the theological basis for it are some of the most interesting and poignant aspects of her incredible life and yet what is least understood. Many have attempted to mimic

her methods and to adopt her style, but few, if any, have fully understood or appreciated the theological and practical leap she made when she entered into a new realm of spiritual expression. It is this hidden manna that this book seeks to uncover.
